NATIONAL TARIFF COMMISSION

NOTIFICATIONS

Islamabad, the 30th March, 2007

Final Determination and levy of Definitive Antidumping Duty on imports of Tiles into Pakistan Originating in and/or Exported from the People's Republic of China

A. D. C. No. 11/2006/NTC/CT.—The National Tariff Commission (the "Commission") initiated an antidumping investigation on March 27, 2006 (under Section 23 of the Anti-Dumping Duties Ordinance, 2000 (the "Ordinance") after establishing that the application lodged by Master Tiles and Ceramics Industries Limited, G.T. Road, Gujranwala (the "Applicant") on behalf of the domestic industry manufacturing tiles was in accordance with Sections 20 and 24 of the Ordinance. The investigation concerns dumping of tiles, which includes ceramic, porcelain/vitrified/granite wall and floor tiles in glazed/unglazed, polished/unpolished finish ("Tiles"), originating in and/or exported from the People's Republic of China ("China") into Pakistan. The Commission made a preliminary determination in this case in terms of Section 37 of the Ordinance and a provisional antidumping duty was levied on imports of Tiles from China at the rate ranging from 0% to 21.02% from November

Price : Rs. 5.00

[285(2007)/Ex. Gaz.]

30, 2006. In accordance with the Ordinance and the Anti-Dumping Duties Rules, 2001 (the "Rules"), the Commission has made its affirmative final determination as follows:

Exporters and Foreign Producers: The Applicant identified 219 exporters involved in alleged dumping of Tiles. However, addresses of 35 exporters and 10 producers were available with the Commission. In terms of Section 27 of the Ordinance, the Commission, upon initiation, forwarded a copy of Notice of Initiation directly to all exporters/producers of Tiles from China whose addresses were available. The Commission also forwarded the Notice of Initiation to the Embassy of China in Islamabad with a request to forward the same to all exporters/producers of Tiles in China in order to respond to the Commission. In response to the questionnaires, 9 exporters and ten of their respective producers responded.

Product Under Investigation: Tiles exported by the exporters from China is the product under investigation (the "investigated product"). It is classified under Pakistan Customs Tariff (PCT) Nos. 6907.1000, 6907.9000 6908.1000 and 6908.9000 (PCT heading in Pakistan is equivalent to Harmonized Commodity Description and Coding System under Brussels nomenclature upto six digit level).

Like Product: In terms of Section 2 of the Ordinance, the examination revealed that the investigated product and Tiles produced by the domestic industry are produced with similar manufacturing process, and with the same raw materials. Both have the same physical characteristics, usage, and tariff classification. Thus it is established that both the products are "like products".

Period of Investigation ("POI"):

Investigation of dumping	From January 1, 2005 to December 31, 2005
Investigation of injury	From July 1, 2002 to December 31, 2005

Determination of Normal Value and Export Price: The normal value and the export price of the investigated product exported by the exporters from China who provided the requisite information have been determined in accordance with Part III and Part IV of the Ordinance respectively.

For the exporters who did not either respond to the Commission Notice of Initiation or did not provide the requisite information, normal value and export price have been determined on the basis of best available information pursuant to Section 32 of the Ordinance.

Dumping Margin: The dumping margins have been calculated in accordance with Section 12(1) of the Ordinance by comparing the weighted average normal value at *ex*-factory level with the weighted average of prices of all comparable export transactions at *ex*-factory level.

Dumped Imports: Volume of dumped imports increased by 194.65 percent in Fiscal Year ("FY") 2004 over FY 2003, by 91.50 percent in FY 2005 over FY 2004, and by 51.04 percent (on annualized basis) during July to December 2005 over FY 2005. The total production in Pakistan of domestic like product increased by 45.40 percent in FY 2004 over the production of FY 2003. It increased by 16.45 percent in FY 2005 over FY 2004, and decreased by 1.12 percent (on annualized basis) during July to December 2005 over FY 2005.

Injury to the Domestic Industry: Injury to the domestic industry has been determined in accordance with Part VI of the Ordinance. The Commission has established that the domestic industry suffered material injury on account of significant increase in dumped imports in absolute as well as relative to the domestic production of Tiles, price undercutting; price depression, price suppression; negative effects on production and capacity utilization, loss in market share; negative effects on productivity, increase in inventories, decline in profit, decrease in return on investment in terms of Section 15 and 17 of the Ordinance.

Injury Factors other than Dumped Imports: The Commission also examined whether there were factors other than dumped imports, which were causing injury to the domestic industry during the POI and the findings reveal that there is no factor other than dumped imports which caused injury to domestic industry.

Imposition of Definitive Antidumping Duty: In reaching this affirmative final determination, the Commission is satisfied that the investigated product has been imported into Pakistan at dumped prices. This has caused material injury to domestic industry during the POI. Therefore, the Commission, pursuant to the powers conferred upon it under Section 50 of the Ordinance, has decided to impose definitive antidumping duties on Tiles importable from China as given in the following table for a period of five years effective from November 30, 2006. The antidumping duty rates are determined on C&F value in *ad val* terms and are set out as under:

S. No.	Exporter Producer Name	Anti-Dumping Duty Rate as % of C & F Price
1.	Fashion Junjing Industrial Co. Ltd.	14.85%
2.	J & M Designers Ltd.	16.46%
3.	Guangdong Nanhai Light Industrial Products I/E Ltd.	21.08%
4.	Guangzhou Metals & Minerals Imp & Exp Ltd.	23.65%
5.	All others rate from China	23.65%

The definitive antidumping duties shall be held in a Non-lapsable PLD Account No. 187, with Federal Treasury Office Islamabad, established and maintained by the Commission for the purpose. The antidumping duties would be collected in the same manner as customs duty under the Customs Act, 1969 (IV of 1969) and would be in addition to taxes and duties due otherwise under any other law.

Refund: In terms of Section 55(2) of the Ordinance, if the definitive antidumping duty is lower than the amount of provisionally determined dumping margin, the difference shall be refunded by the Commission. The Commission, informs all importers of investigated product to send their request for the refund of deferential, if any, to the Secretary, National Tariff Commission, State Life Building No. 5, Blue Area, Islamabad within thirty days of publication of this notice.

Disclosure meeting: Pursuant to Rule 16 of the Rules, the exporters/ foreign producers of the investigated product may request for a disclosure meeting within 15 days of the date of publication of this notice.

Further Information: A non-confidential version of the report on final determination shall be placed on public file established and maintained by the Commission. It shall also be posted on the Commission's website: www.ntc.gov.pk. The public file shall be available to the interested parties, registered with the Commission for the purposes of this investigation, for review and copying at the offices of the Commission, from Monday to Thursday between 1100 hrs to 1300 hrs.

DR. SHER AFGAN KHAN NIAZI,

N. A. BILL No. 10 OF 2007

A Bill further to amend the Capital Development Authority Ordinance, 1960

WHEREAS it is expedient further to amend the Capital Development Authority Ordinance, 1960 (XXIII of 1960), for the purposes hereinafter appearing;

It is hereby enacted as follows:—

1. **Short title and commencement.**— (1) This Act may be called the Capital Development Authority (Amendment) Act, 2007.

(2) It shall come into force at once.

2. **Amendment of section 36, Ordinance XXIII of 1960.**— In the Capital Development Authority Ordinance, 1960 (XXIII of 1960),hereafter referred to as the said Ordinance, in section 36,—

(a) in sub-section (1), for the word "fifteen" the word "thirty" shall be substituted; and

(b) for sub-section (3), the following shall be substituted, namely:—

"(3) The Deputy Commissioner or the Commissioner, either of his own motion or application made by the Authority or an aggrieved person, may, after affording an opportunity of hearing to the parties review an award or order to correct arithmetical or clerical mistake or an error apparent on the face of record. An order or award may also be reviewed on the application of the Authority if the same has been procured through misrepresentation or fraud":

Provided that no application for review on the ground of mistake or error or other reason shall be entertained after expiry of thirty days from the date of award or order and after three hundred and sixty days from the date of discovery of fraud and misrepresentation:

Provided further that an order under this section shall not, except in so far as it corrects an arithmetical, clerical or patent error or mistake in the award or order under review, enhance the amount of compensation so awarded".

STATEMENT OF OBJECTS AND REASONS

Section 36 of the CDA Ordinance 1960 provides for fifteen days time for filing of appeal to the Commissioner against an order or award of the Deputy

Commissioner and the order in appeal is final. However, it also provides for review, both by Deputy Commissioner and Commissioner and the period of limitation for this purpose is five years.

2. It is felt that fifteen days time for filing of appeal is too short, especially for CDA where the official procedure takes some time to decide whether to go in appeal or not. It is, therefore, proposed that this period may be enhanced to thirty days. The Land Acquisition Act, 1894 which is otherwise the general law for acquisition of land, gives six weeks time to the persons interested to apply to the Collector for reference to the court and six months time to the government to make the reference.

3. It is felt that five years time for seeking review is unprecedented and this provision is being misused by the affectees of Islamabad in obtaining fake and collusive awards from the Deputy Commissioner. It is, therefore, proposed to reduce this period also to thirty days. However, in case of fraudulent awards, this period may be extended upto three hundred and sixty days from the date of discovery of fraud as it takes some time to establish fraud before filing of review petition.

Minister-in-Charge

N. A. BILL No. 11 OF 2007

A Bill further to amend the Foriegn Exchange Regulation Act, 1947

WHEREAS it is expedient further to amend the Foreign Exchange Regulation Act, 1947 (VII of 1947), for the purposes hereinafter appearing;

It is hereby enacted as follows:—

1. **Short title and commencement.**—(1) This Act may be called the Foreign Exchange Regulation (Amendment) Act, 2007.

(2) It shall come into force at once.

2. **Insertion of new section 23K, Act VII of 1947.**— In the Foreign Exchange Regulation Act, 1947 (VII of 1947), after section 23J the following new section shall be inserted, namely:—

"23K Power to impose fine, etc.—(1) Without prejudice to provisions of sections 3AA, 23 or 23B if any person, exchange company, firm, corporation or company, in the opinion of State Bank of Pakistan, contravenes any

provision of this Act, or any order, rule, regulation or direction issued there under and it is necessary to take immediate action to deal with such contravention, an officer of the State Bank not below the rank of Joint Director may, after giving him or it show cause notice to be replied within fifteen days and affording such person an opportunity of being heard, impose fine which may extend to one million rupees and where the contravention is continuous one with a further fine which may extend to one thousand rupees for, each day during which such contravention continues.

(2) Where the person guilty of such offence is a company or other body corporate, every director, manager, secretary or other officer or agent thereof shall be deemed to be guilty of such offence if the offence was committed with his knowledge or consent or if he did not exercise due diligence to prevent the commission of the offence.

(3) If any person, company, firm, corporation or organization fails to pay any fine imposed on him or it, within stipulated time, the State Bank may, without any notice to such person, company, firm, corporation or organization, recover the amount of such penalty from any account, or assets, monetary or otherwise, of the defaulter held with the State Bank or any bank or a financial institution.

(4) If any bank or financial institution to which notice has been sent under sub-section (3) fails to debit the amount of penalty under the said sub-section, it shall itself be liable to pay such amount to the State Bank, as if it had itself committed offence under sub-section (1).

(5) If the amount of fine cannot be recovered from such person in the manner provided under sub-section (3) of sub-section (4) the Director, or any Joint Director may prepare and sign a certificate specifying the amount due from such person and forward it to the Collector or any other concerned officer of the District in which such person owns any property or resides or carries on business or works for gain and the Collector or such officer on receipt of such certificate shall proceed to recover from the said person the amount specified in the certificate as if it were an arrears of land revenue.

(6) Any person aggrieved by an order passed and penalty imposed under sub-section (1) may, within thirty days of the order, prefer appeal to the Governor State Bank,".

STATEMENT OF OBJECTS AND REASONS

The State Bank of Pakistan (SBP) is empowered under Banking Companies Ordinance, 1962 to impose monetary penalties/fines on violations of rules and

regulations as per an internally developed scale of penalties without following any adjudication process. However, under the existing provisions of Foreign Exchange. Regulations Act (FERA), 1947, the SBP does not have the powers to impose monetary penalties and has to approach a court of law, for proceeding against any violation which entails both time and resources.

2. The issue becomes more acute in cases where immediate action is required especially in dealing with the affairs of Exchange Companies, where the only recourse left with the State Bank is to suspend/cancel the license of the company. This recourse is often more than warranted. In order to address such issues, SBP intends to impose monetary penalties on violation of any provisions of FERA, 1947 and Rules and Regulations framed there under. This will require that provisions of FERA, 1947 be amended by way of insertion of a new section 23k in the FERA, 1947.

OMER AYUB KHAN,
Minister-in-Charge.

N. A. BILL No. 12 OF 2007

A Bill further to amend the Khushhali Bank Ordinance, 2000

WHEREAS it is expedient further to amend the Khushhali Bank Ordinance, 2000 (XXXII of 2000), for the purposes hereinafter appearing;

It is hereby enacted as follows:—

1. **Short title and commencement.**— (1) This Act may be called the Khushhali Bank (Amendment) Act, 2007.

(2) It shall come into force at once.

2. **Amendment of section 5, Ordinance XXXII of 2000.**—In the Khushhali Bank Ordinance, 2000 (XXXII of 2000), hereinafter referred to as the said Ordinance, in section 5, in the sub-section (2),—

(a) in clause (x), the word "and" shall be omitted; and

(b) after clause (x) amended as aforesaid, the following new clause shall be inserted, namely:—

"(xa) to determine and pay dividend to members; and".

3. **Substitution of section 35, Ordinance XXXII of 2000.**— In the aid Ordinance, for section 35, the following shall be substituted, namely:—

"35. **Disposal of profits.**—After deducting the amount credited to the reserve fund as provided herein and making provisions for bad and

doubtful debts, depreciation of assets, payment of dividend to the members and any other matters which are usually provided for by banks, the net annual profit of Khushhali Bank remaining thereafter shall be utilized in such manner as the Board may determine.".

STATEMENT OF OBJECTS AND REASONS

The purpose of this Bill is to amend Khushhali Bank Ordinance 2000 to eliminate discrimination between the investors of Khushhali Bank operational under KB Ordinance 2000 and other Microfinance Banks operational under Micro Finance Institutions (MFIs) Ordinance 2001, which do not contain a similar provision that restricts the payment of dividend to its shareholders, as in case of KB Ordinance 2000. The restriction contained in the KB Ordinance 2000 is discriminatory and its removal will also provide KB the ability to raise further capital.

In the order of the Supreme Court, it has directed the Federal and Provincial Governments to ensure the safety to public health by taking all necessary measures.

5. To protect the public Health from, the hazards of drugs by their misuse, it is an urgent need of the hour to amend the present pharmacy Act, of 1967 in the best interest of the public.

6. The proposed amended Act, will have the following benefits:—

(a) To stop the registration of the Non-professionals non-qualified persons as pharmacists, this will ensure public Health safety by professional handling of medicines and drugs as already done in other countries of the world.

(b) The proposed Act will encourage the establishment of community pharmacy, which is already present even in under developed countries like Iran, Egypt, U.A.E., Saudi Arabia, and Sri Lanka etc.

(c) The flow of spurious and counterfeit drugs could be easily stopped through professional pharmacy graduates.

(d) This Act will provide jobs to thousands of un-employed pharmacy graduates, which are produced each year by over 22 Universities of Pakistan.

(e) The Amendment Act will bring the pharmacy profession confounity with global situations especially keeping in view the challenges of WTO about pharmaceuticals.

(f) This is an effective step forward about ensuring good implementation of law.

6. **Amendment in section 10, Ordinance LXV of 1962.**—In the said Ordinance, in section 10, in sub-section (2), for the words "inferior to that of Magistrate lst Class" the words, **"No court other than Drug Court"** shall be substituted.

STATEMENT OBJECTS AND REASONS

1. Quackery in Pakistan is a big menace. Every employee of the Health department impersonates himself to be a qualified Doctor. Even in the society, chowkidars, Class-IV, Ward Orderlies, and Dispensers etc., have established illegal private clinics and hospitals; whereby un-aware masses of Pakistan become prey every day to illegal mal practices and as a result the public health is at high risk.

2. The principal Ordinance was promulgated in 1962 on the basis of theory of necessity after partition when there was shortage of qualified Doctors, so LSMF and Dispensers were allowed for such practices. Now a days, thousands of qualified doctors are available in the country for such services.

3. At present in Pakistan, there is no efficient and effective legislation to stop such illegal Practitioners and to seal the illegal clinics/private hospitals. The Pakistan Medical and Dental Council (PMDC) Ordinance 1962 is present, but it is so weak that in the whole Pakistan a single case has not been registered in any Court of Law against such practitioners.

4. The said Ordinance is technically weak and even it has certain provisions, which give permission to such non-qualified persons for illegal practices in the form of "permits". Thus this law in a way flourishes quackery.

5. In Peshawar High Court large number of petitions have been filed by various compounders and other unregistered practitioners to be allowed for practice. The cases are under trial and the provincial Government has strongly opposed the cases; however, the provisions are a bare sword for Health Department and or considered a serious threat to the public Health, so the proposed amendments are a correct remedy to the problems.

6. In the said ordinance section 6 is also contrary to section 4 of the said ordinance. Section 4 allows persons for medical practice who are qualified M.B.B.S. Doctors and registered with PMDC and whose degrees have been conferred by a recognized University; while section 6 allows unregistered quacks for such practices.

7. These amendments will put this legislation on very strong footings and the culprits will really be stopped with iron hand.

8. After the separation of judiciary from executive it is expedient to constitute special Courts for the cognizance of such offences. The Drug Courts in Pakistan are already constituted under the Drug Act, 1976; whereby, two Members as Specialist Doctors in relevant field are available with the Chairman Drug Court for technical opinion and decision. The present ordinance allows the accused to be trailed in the Courts or by the Magistrates, who are not technically sound for prosecution.

9. The Bill seeks to achieve the afore-said purposes.

STATEMENT OF OBJECTS AND REASONS

Whereas that the supreme authority vests in almighty Allah. The injunctions revealed by Him which are enshrined in the Holy Quran and Sunnah have been practically enforced by the Holy Prophet (S.A.W.) during his life. These injunctions of the Supreme Sovereign are still in force. The powers for the suspension of these injunctions are not vested with anybody except Allah. The injunctions of the Holy Quran and Sunnah which are not being practically in force tantamount to that those who have put these ones in abeyance and are violators or sinners. Therefore it is obligatory on the House to revive these injunctions of the Holy Quran and Sunnah through legislation which are in abeyance and save itself from any sort of offence of violation or sin.

(2) The one injunction of the injunctions awards death sentence to an apostate and the detail of this is given in this Bill. The saying of the Holy Prophet (S.A.W.) is that he who leaves Islam and converts into another must be killed. The Holy Prophet (S.A.W.) himself enforced it and this law remained in force during Khilafat-e-Rashida and remained intact till British imperialism. The imperialists abrogated it during their rule. Now, when Pakistan came into being in the name of Islam, there is no justification of keeping in force this decision of imperialism. It is also protect required to the state religion of Pakistan and the Muslim faith. Therefore, it is, imperative to introduce this bill in the House to achieve the above said objectives and enforce it immediately after its approval.

In Islamic teachings, it is provided that education/knowledge is precious thing in the universe. Compulsory school attendance will reduce the child labour ratio. In developing countries, this type of legislation is very much needed, and it will get good support from all international forums. Since the object of the compulsory school attendance would be that all children be educated.

STATEMENT OF OBJECTS AND REASONS

Adulteration in pesticides and supply of sub-standard pesticides for use by the poor and illiterate farmers have become a great threat to our agriculture and agricultural economy. Every year thousands of farmers are suffering financial losses by using adulterated and sub-standard pesticides in addition to decrease in agricultural produce due to such pesticides which is becoming a major threat to agricultural economy of our country and people are facing the problem of shortage of crops and

different agricultural products. All this is going on in collusion with concerned Government officials and officers with unscrupulous and anti-state elements in the country. Both deserve very harsh punishments under the law. But the existing law is unable to meet such requirements and the concerned authorities are not playing their role to control the offences under the law due to reasons best known to them. Thus, such offenders as well as negligent Government officials should be dealt with iron hand.

2. The Bill seeks to achieve the above objects.

GOVERNMENT OF PAKISTAN

NATIONAL TARIFF COMMISSION

PUBLIC NOTICE

Islamabad, the 21st May, 2007

SUBJECT:— *REDUCTION IN IMPORT DUTY ON CRUDE PALM OIL.*

F. No. 2(23)/03-D(W&P)/NTC.—Pakistan Edible Oil Refineries Association (PEORA), approached National Tariff Commission for removal of tariff anomaly in existing tariff structure of Crude Palm Oil, RBD Palm Oil and RBD Palm Oilen by reducing customs duty rate on Crude Palm Oil from Rs. 9000/MT to Rs. 8000/MT. The applicant's request is based on the following grounds:—

(i) PEORA is engaged in the manufacturing of Palm Oil by refining Crude Palm Oil.

(ii) Edible oil refineries can also produce RBD Palm Oilen by further refining of the RBD Palm oil through fractionation. To do so, additional equipment for fractionation is required.

Price : Rs. 2.00

[453(2007)/Ex. Gaz.]

(iii) The biggest hindrance in the manufacturing of RBD Palm Oilen is the existing tariff structure. It is uneconomical for the refineries to put up an additional fractionation equipment without any incentive or duty differential between CPO and refined Palm Oilen.

(iv) The export potential of vegetable ghee and cooking oils from Pakistan would also increase due to the fact that presently RBD Palm Oil / RBD Palm Oilen , being used by the ghee units do not qualify for the condition "Pakistan origin" as per WTO/SAFTA standards.

(v) Vanaspati manufacturing units throughout the country would not only make saving in foreign exchange but would get fresh refined edible oil locally, having longer shelf life and free from impurities.

(vi) The edible oil refining industry is paying duty on 100% volume of CPO. While refining CPO into RBD Palm Oil, the refiners get 94% as refined oil and 5% of volume as Palm Fatty Acid Distillate (PFAD). The sales price of PFAD is almost half the price of RBD Palm oil. This results in the increase in cost of RBD Palm Oil to the refiners.

2. The National Tariff Commission accordingly invites views, suggestion and proposals from all parties having an interest in the business relating to or associated with the imports, manufacturing and marketing of Crude Palm Oil, RBD Palm Oil and RBD Palm Oilen. The views/suggestions may be sent within seven days of publication of this press release in the newspapers, to the Secretary, National Tariff Commission, 4th Floor, State Life Building No. 5, Blue Area, Islamabad.

3. A public hearing is scheduled on 30th May 2007 at 11.00 a.m. in the Committee Room of National Tariff Commission, 11th Floor, State Life Building No. 5, Blue Area, Islamabad. All interested parties may attend this hearing and bring their comments and suggestions in writing. The comments and suggestions may be supported with essential facts, information and supporting evidence, which must be brought to the public hearing. The views not supported with reliable documentary evidence(s) will not be considered.

NATIONAL TARIFF COMMISSION

Islamabad, the 25th May, 2007

PUBLIC NOTICE

Subject.—*Review of Tariff Protection to the Indigenous Industry Manufacturing Shoe Adhesives*

F. No. 1(08)/07-D(S&P)/NTC.—Clyde Chemicals, manufacturer/ exporters of Shoe Adhesives, approached the National Tariff Commission for reduction of customs duty from 5% to 20% to zero on raw materials such as Rubber Chloroprene, Phenolic resin. Toluene and Solvent oil used to manufacture Shoe adhesives. The finished product (Shoe Adhesive) is prevailing 0% customs duty rate *vide* SRO 621(I)/2005. The applicant's request is based on the following grounds:

(vi) Shoe Adhesives mainly used in Shoe making and also used by several other foundation industries such as leather industry and sports industry.

(vii)) Upto year 2005 approximately 200 units were engaged in the manufacturing of adhesives with gross annual production of the

value of Rs. 700 Million. The market share of local shoe adhesive industry and imported product was 80% and 20% respectively.

(viii) Presently, local industry is under immense pressure for several disparities in tariff and sales tax between raw materials for local industry and imported finished goods. The cost of local production is 20% higher as compared to the imported finished product which has caused reduction in market share of local industry from 80% to 50% in a couple of years.

(ix) The finished product is zero-rated *vide* SRO 621(I)/2005 however, the local industry in not able to take the above advantage due to the reason that local industry have to pay high customs duty and sales tax on the raw materials (inputs).

(x) Most of the raw materials are specialized and specifically used by shoe adhesive industry and not used for other purposes.

(ii) In view of the above the applicant has requested for reduction of customs duty and sales tax on all raw materials to zero in line with the finished goods.

2. The National Tariff Commission accordingly invites views, suggestion and proposals from all parties having an interest in the business relating to or associated with the imports, manufacturing and marketing of Shoe Adhesives. The views / suggestions may be sent within seven days of publication of this press release in the newspapers, to the Secretary, National Tariff Commission, 4th Floor, State Life Building No. 5. Blue Area, Islamabad.

3. A public hearing is scheduled on 6th June 2007 at 11.00 a.m. in the Committee Room of National Tariff Commission, 11th Floor, State Life Building No. 5, Blue Area, Islamabad.
