CHAIRMAN'S MESSAGE

I am delighted to present my message to you after my first full year as Chairman of Pakistan Tobacco Company (PTC) -- and what an exciting year it was!

The major developments during 2000 were the strong recovery of our sales volume and the successful implementation of a major restructuring program.

Last year we sold 21.4 billion cigarettes which translated into an estimated market share of 37.6%. This is an annual growth in sales volume of 14% which compares favourably with the 1999 sales performance of 18.7 billion cigarettes and an estimated market share of 33.4%. The major part of this growth came from Gold Flake, a brand that sold just less than 1 billion cigarettes in 1999, but grew to 6.7 billion cigarettes in 2000!

This sales growth has not, however, translated into a similar growth in profitability. We are reporting an Operating Profit of Rs 316 million in 2000 compared with an Operating Profit of Rs 344 million in 1999, a decline of 8%. There are two main reasons for this:

- 1. Given the decline of our sales volume in 1999 -- down 15% versus 1998 --we performed a thorough review of our brand portfolio and our level of marketing expenditure by brand. We identified brands that had failed to receive any level of support for many years and, conversely, areas where consumer response had been rather limited despite significant support levels. As a consequence of this review, we reallocated our marketing expenditure across our brands and, perhaps more importantly, increased our level of marketing expenditure by 28%. Our total marketing investment grew from a level of Rs 681 million in 1999 to Rs 873 million in 2000. This significant increase of Rs 192 million helps explain the decline in operating profit.
- 2. Secondly, in order to further protect and grow our sales volume, we did not implement the annual price increases typically carried out by the industry. Rather, we held the prices of most of our brands and repositioned two brands (Capstan and Gold Flake). For reference, we saw the negative effect of aggressive price increases in 1999 when our annual sales volume fell by 15% versus 1998 levels. The absence of price increases, combined with cost increases due to natural inflation, had an impact on our operating profit which we mitigated through stringent cost management initiatives. As a very positive side effect, our pricing initiatives also contributed significantly to the reduction of tax evasion in Pakistan. This is a subject that I shall turn to later in more detail.

It would be inappropriate to comment on the results without highlighting the restructuring costs of Rs 770 million included in "other expenses" within the Profit and Loss Account.

In my previous message accompanying the 1999 financial statements, I noted that -- despite various internal improvements -- our market position had in fact deteriorated. In 1999, our market share fell to 33.4% compared with 37.8% in 1998. I noted that all of us at PTC were fully determined to reverse this position and that part of this reversal would include a restructuring of the Company in all aspects of the business - including significant personnel reductions. This restructuring took place during the course of 2000 at a total cost of Rs 770 million and affected approximately 1,200 employees - around one third of our workforce. The benefits of this-are coming through already, not only in cost savings, but also in a more efficient and effective workforce.

An extremely pleasing aspect of 'the entire exercise was the manner in which the restructuring took place. I am delighted to report that due to the combined efforts of all our people and the Union officials, those members of staff affected were able to leave the Company in a most dignified and humane manner.

The full year savings of the restructuring exercise will be reflected in the results for 2001.

Another major event for us during the year was the successful completion of the \$40 million Right Issue. This saw Rs 2.2 billion injected into the Company -- the vast majority coming from our major shareholder, British American Tobacco Investments Limited. The funds were used as described above for the restructuring exercise and for the significant growth in marketing spend. At a time of limited foreign investment in Pakistan, the \$40 million Right Issue amply documents our confidence in a bright future for Pakistan and PTC.

I would now like to discuss the issue of tax evasion in Pakistan.

Pakistan has one of the lowest priced cigarettes in the world. This is largely due to tax evasion activity and is a key issue affecting the profitability of PTC. The manufacturers of tax-evaded products are -- as a consequence of this evasion -- able to position their brands at very low price points that would be unsustainable were they to pay excise duty. Without payment of excise duty, and at the expense of the Central Board of Revenue (CBR), the tax-evaders are able to generate very high profit margins on their products. Accordingly, they can operate at low selling prices and do not need to increase prices in line with inflation to make profits. To retain PTC's market share and to fulfill Government's expectations regarding excise revenues, we are forced to hold prices at these low levels. If we choose to increase prices substantially as in 1999, experience shows that we lose significant sales volume.

The determined steps taken by the Government to arrest evasion have been highly encouraging. Together with the lowering of prices by the industry of some key brands, this has led to a substantial reduction in tax-evaded products from around 17% in 1999 to the current level of around 6%. However, it is disturbing to note that the tax-evading local cigarette manufacturers are now moving facilities from their traditional stronghold of NWFP to other parts of Pakistan.

We seek ongoing Government support to further curtail these tax-evading activities (including counterfeit, imitation and smuggled products). We will continue to work with the Government to limit the damage that results from the illegitimate sector -- in particular the estimated annual loss of approximately Rs 2 billion.

As stated in my previous message, sufficient sales and adequate profits are key for any responsible company to operate on a sustainable basis. This applies equally well to Pakistan Tobacco Company. For each of the last six years, however, PTC has been losing money. Accumulated losses for the 1995 to 2000 period are now at about Rs 1.68 billion. During the same period, PTC generated Government revenue in excess of Rs 53 billion in the form Of duties and taxes. While we are delighted to contribute such substantial funds for national development, this highly unsatisfactory situation for PTC needs to be addressed urgently.

PTC has always been known as a highly ethical and responsible company in line with good corporate governance. In the absence of a 'level playing field' due to tax evasion -- and the resulting artificially low selling prices of our products as explained earlier -- we sincerely request the Government to lend their fullest support to the legal tobacco industry.

Finally, I would like to stress my firm belief that the abilities and commitment of our people are our greatest strengths. Ample testimony of this belief are our improved sales volume, the successful completion of a major restructuring program, and the injection of Rs 2.2 billion via a Right Issue as part of our recovery program during 2000. Together, we will strive to be the best in everything we do to overcome all current and future challenges.

With kind regards,

GOTTFRIED THOMA Chairman & Chief Executive

REPORT OF THE DIRECTORS FOR THE YEAR ENDED DECEMBER 31, 2000

The Directors hereby present their Report and the Accounts for the year ended December 31, 2000 before the fifty-fourth Annual General Meeting of the Company to be held on June 12, 2001.

	2000	1 999

	=======	========	

The operating performance for 2000 showed a slight decline, decreasing to Rs 316 million compared to Rs 344 million for 1999. This small decline is despite a substantial Rs 192 million increase in marketing expenses. As in prior years, our high debt levels resulted in a significant interest charge of Rs 409 million. Combined with restructuring costs of Rs 770 million (as discussed in the Chairman's Message), tax of Rs 31 million and other income of Rs 10 million, this generated a loss after taxation during the year ended December 31, 2000 of Rs 884 million.

Despite the sixth consecutive year of losses, there are some encouraging signs.

^{*} A strong recovery in our sales volumes-up by 14% on 1999 levels.

^{*} An improvement in our gross margins-up from 8.6% of gross turnover in 1999 to 9.3% in 2000.

- * Reduced manufacturing costs -- the full year benefit of the restructuring exercise carried out in 2000 will be seen in 2001.
- * A significant investment behind our brands -- an increase of 28% in marketing expenses versus last year.

The combined effect of all of the above should help us to see a significant improvement in our 2001 results when compared with the performance in 2000.

We are cautiously optimistic that we may even see a small profit after tax in 2001--for the first time since 1994.

Our commitment to re-establish Pakistan Tobacco Company as a stronger company remains on track and has the full support of our major shareholder, British American Tobacco. This support was evident in 2000 through the successful completion of the Rs 2.2 billion Right Issue, the vast majority of these funds coming from British American Tobacco. The proceeds from the Right Issue were used to invest heavily in building our brands, people and asset base.

Aside from marketing expenses as described above, there were no major growth areas in expenses. As part of our Head Office expenses, our salary bill actually declined by around 2% largely due to the reduction of staff as discussed in the Chairman's Message. We were also able to implement salary increases below inflation and with the full support of our staff who appreciated the financial situation the Company faced. Our travelling costs also increased by around 96% to just less than Rs 20 million. As with our brands, we have invested heavily behind our people in 2000. This has led to increased exposure of our people to businesses in other parts of the world. We have no doubt that this investment in people will help us further move towards international standards and world class performance!

We are pleased to report a significant reduction in working capital during the year. This has been achieved despite a 14% growth in sales volumes. The main area of improvement is in finished goods that at the end of 2000 were some Rs 244 million lower than at the end of 1999.

We also continued our investment in plant and machinery with some Rs 923 million invested in fixed assets to provide superior quality products to our consumers and to improve productivity in the long run. Despite this significant investment, our total debt fell by approximately Rs 1.3 billion to Rs 1.7 billion at December 31, 2000. This reduction is largely due to the proceeds of the Right Issue as described above.

Finally, we should like to record our appreciation for the significant contribution of all our employees during 2000 and request their ongoing commitment for the future. This was an exciting year and we all look forward to the challenges ahead and to winning in the market!

Given the loss reported, continued high debt and the need to retain cash in the business to fund our investment, the Board of Directors recommended that no dividend be paid for this financial year.

NOTES TO AND FORMING PART OF THE ACCOUNTS FOR THE YEAR ENDED DECEMBER 31, 2000

1. THE COMPANY AND ITS OPERATIONS

Pakistan Tobacco Company Limited is incorporated in Pakistan and is listed on the three stock exchanges of Pakistan. It is engaged in the manufacture and sale of cigarettes. The edible oil operations were discontinued during the year.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

2.1 Accounting convention

These accounts have been prepared under historical cost convention without any adjustment for the effect of inflation.

2.2 Taxation

Provision for current taxation is based on taxable income on current rates of taxation after taking into account tax rebates and tax credits available or based on 0.5% of turnover less related excise duty and sales tax, whichever is higher.

Deferred taxation is provided on timing differences using the liability method (See note 26).

2.3 Retirement benefits

The Company operates:

i) approved funded Pension scheme for management and superintendent staff and gratuity scheme for all employees. Actuarial valuation of these Schemes is carried out each year and the latest valuation was carried out as at December 31, 1999. The fair values of the Schemes' assets and liabilities at the latest actuarial valuation date were Rs 554.621 million and Rs 623.049 million respectively. The projected unit credit actuarial cost method using expected interest @ 12% per annum, salary increase @ 12% per annum and post retirement pension increase @ 6% per annum were used for valuation of these schemes. The contributions during the year inclusive of special contribution to cover the deficit are charged to profit and loss account (See note 28).

ii) approved contributory Provident Fund for all employees.

2.4 Tangible fixed assets

These are stated at cost less accumulated depreciation except freehold land, capital work-inprogress and items in transit which are stated at cost. Depreciation is charged to profit and loss account using the straight line method at the following rates:

Freehold buildings, leasehold land and buildings

and private railway sidings	3%
Plant and machinery	7%
Airconditioners included in plant and machinery	25%
Office and household machinery and equipment	20% to 25%
Furniture and fittings	10% to 20%
Vehicles	25%

Repairs and maintenance costs are charged to profit and loss account in the year in which they are incurred. Major renewals and improvements are capitalised.

Profits and losses on disposal of fixed assets are taken to profit and loss account.

2.5

Investments

These are valued at cost.

2.6 Stocks

These are stated at the lower of net realisable value or cost determined on the moving average method. Items in transit are valued at cost comprising invoice values plus other charges paid thereon.

Net realisable value signifies the estimated selling price in the ordinary course of business less cost of completion and costs necessarily to be incurred to make the sale.

2.7 Stores and spares

These are valued at moving average cost, Items in transit are valued at cost comprising invoice value and other charges paid thereon.

2.8 Foreign currency transactions

Assets and liabilities in foreign currencies are stated in rupees at the rates of exchange ruling on the balance sheet date or at rates of exchange fixed under contractual arrangements, where lower. All exchange differences are included in the profit and loss account.

2.9 Revenue recognition

Sales are recorded on despatch of goods to customers.

NOTICE OF MEETING

NOTICE IS HEREBY GIVEN that the fifty-fourth Annual General Meeting of Pakistan Tobacco Company Limited ("the Company") will be held in the Multipurpose Hall of the Saudi Pak Tower, 61/A Jinnah Avenue, Islamabad on Tuesday, 12th June, 2001 at 11.00 a.m. to transact the following business>

A. ORDINARY BUSINESS:

- 1. To receive and consider the audited Accounts for the year ended 31st December 2000, and the Report of the Directors and Auditors thereon.
- 2. To appoint Auditors and to fix .their remuneration.

B. SPECIAL BUSINESS

- 1. The Company has decided to reorganize its Board in line with good corporate governance and increase the number of non-executive directors sitting on the Board. This will considerably enhance the ability of the Board to be and to be seen as independent and objective. However, as there does not exist any mid-term mechanism under the regulatory system to achieve this objective, the Company has decided to request its current directors to resign and for new elections to be held. Hence the members will also be requested to approve the increase in the number of Directors from 9 to 15 as recommended by the Board of Directors.
- 2. To elect 15 directors in accordance with the provisions of Article 71 and 72 of the Articles of Association of the Company to fill in the vacant positions resulting from the resignations effective from 5.00 p.m. on June 12, 2001 of the present directors and to accommodate an increase in the number of directors. The term of the office of the directors so elected shall be for three years with effect from 5.00 p.m. on June 12, 2001, and expire at 5.00 p.m. on June 12, 2004. The directors who have submitted their resignations are Messrs Gottfried Thoma, Aslam Khaliq, Zafar Ahmed Taji, Marco Antonio Novoa, Fatehali Walimuhamad Vellani, Charles Richard Green, Alain Daniel Victor Schacher, Dr. Amjad Waheed, and Stephen Wayne Daintith.
- 3. To approve the deletion of Article 56 of the Articles of Association so as to bring the requirement for the qualification of a director in conformity with section 187 of the Companies Ordinance 1984. Therefore as per Section 187 no person shall be appointed as a director of a company if he is not a member. (A statement under section 160 (l)(b) of the Companies Ordinance 1984 pertaining to the special business is being sent to the shareholders with this notice).
- 4. To approve the amendment in Article 57(a) in order to allow ordinary remuneration for the non-executive directors to be fixed by the Board of the Directors. (A statement under section 160 (1)(b) of the Companies Ordinance 1984 pertaining to the special business is being sent to the

shareholders with this notice).

By Order of the Board

Tajamal Shah Company Secretary

Islamabad: May 12, 2001.

N.B.

- (1) A member entitled to attend and vote at this Meeting is entitled to appoint a proxy to attend instead of him and such proxy will have the right to attend, speak and vote in place of the member of the Company.
- (2) Forms of proxy must be deposited at the office of the Company's Share Registrar not less than 48 hours before the time appointed for the Meeting and in default forms of proxy will not be treated as valid.
- (3) Attending of general meeting by account holders, sub-account holders or persons whose securities are in group account and their registration details are uploaded to Central Depository System ("CDS"):-

A) In person:

- i) The Company shall obtain list of beneficial owners from the Central Depository Company ("CDC") as per Regulation 12.3.5. of the CDC Regulations;
- ii) In the case of individuals, authenticate his identity by showing his/her National Identity Card (NIC) or original Passport at the time of the meeting; and
- iii) In the case of a corporate entity provide the Board of Directors' Resolution/Power of Attorney with specimen signatures of the nominee at the time of the meeting.

By Proxy:

- i) In case of individuals shall submit the proxy form as per requirement notified in Note 2 above.
- ii) The proxy form shall be witnessed by two persons whose names, addresses and NIC numbers shall be stated on the form.
- iii) Attested copies of NIC or the passport of the beneficial owners and proxy furnished with the proxy form.
- iv) The proxy shall produce his original NIC or original passport at the time of the meeting.
- v) In case of a corporate entity, the Board of Directors' Resolution/Power of

Attorney with specimen signatures shall be submitted with the proxy form to the Company.

- (4) The Share Transfer Books of the Company will be closed from 5th June, 2001 to 12th June 2001 both days inclusive. Transfers received in order at the office of the Company's Share Registrar, Ferguson Associates (Pvt) Ltd, State Life Building 1-A, 1.1. Chundrigar Road, Karachi, by 4th June, 2001 will be in time to be entitled to vote.
- (5) Shareholders are requested to notify the Company's Share Registrar promptly of changes in their address.

Statement under Section 160 of the Companies Ordinance, 1984

The following statements are annexed to the Notice of the fifty-fourth Annual General Meeting of the Company to be held on 12th June, 2001 and sets out the material facts concerning the special business to be transacted at the Meeting.

Note 1.

The Board of Directors have recommended for approval by the shareholders of an increase in the number of directors from 9 to 15 and for the election of all the nominated directors by the Board of Directors.

For this purpose, subject to election of directors, the following Special Resolution will be moved at the Meeting:-

"RESOLVED THAT the increase in the number of elected directors of the Company from 9 to 15 be and is hereby approved.

Note 2.

The directors recommend that Article 56 of the Articles of Association of the Company be deleted. Compliance with Section 187 of the Companies Ordinance 1984 is already provided for in Article 55 and it is felt that no further membership qualification is called for. This will facilitate the election of potentials non-executive directors to the Board. For this purpose, the following Special Resolution is proposed to be passed at the Annual General Meeting of the Company to be held on 12th June at 11.00 a.m.

RESOLVED THAT Article 56 of the Company's Articles of Association be and is hereby deleted.

Note 3.

The directors recommend that Article 57(A) of the Articles of Association be amended to change the ordinary remuneration for the non-executive directors. For this purpose, the following Special Resolution is proposed to be passed at the Annual General Meeting of the Company to be held on 12th June 2001 at 11.00 a.m.

RESOLVED THAT clause (c) of Article 57 of the Company's Article of Association be and is hereby amended by substituting for the words "rupees five hundred per meeting of the Board of Directors or a Committee of such Board attended by him" the words "such amount as may be fixed from time to time by the Board of Directors or a committee of such Board set up for this purpose".

NOTES TO AND FORMING PART OF THE CONSOLIDATED ACCOUNTS FOR THE YEAR ENDED DECEMBER 31, 2000

1. LEGAL STATUS AND OPERATIONS

Pakistan Tobacco Company Limited (the Company) is incorporated in Pakistan and is listed on the three stock exchanges of Pakistan. It is engaged in the manufacture and sale of cigarettes. The edible oil operations were discontinued during the year.

Phoenix (Private) Limited, which is a wholly owned subsidiary of the Company, is incorporated in Azad Kashmir, Pakistan to manage and deal in tobacco products and has not yet commenced its commercial production.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

2.1 Accounting convention and basis of consolidation

These accounts have been prepared under historical cost convention without any adjustment for the effect of inflation and include the accounts of Pakistan Tobacco Company Limited and its wholly owned subsidiary Phoenix (Private) Limited.

2.2 Taxation

Provision for current taxation is based on taxable income on current rates of taxation after taking into account tax rebates and tax credits available or based on 0.5% of turnover less related excise duty and sales tax, whichever is higher.

Deferred taxation is provided on timing differences using the liability method (see note 25).

2.3 Retirement benefits

The Company operates:

i) approved funded Pension scheme for management and superintendent staff and gratuity scheme for all employees. Actuarial valuation of these Schemes is carried out each year and the latest valuation was carried out as at December 31, 1999. The fair values of the Schemes' assets and liabilities at the latest actuarial valuation date were Rs 554.621 million and Rs 623.049 million respectively. The projected unit credit actuarial cost method using expected interest @ 12% per annum, salary increase @ 12% per annum and post retirement pension increase @ 6% per annum was used for valuation of these schemes. The contributions during the year inclusive of special contribution to cover the deficit are charged to profit and loss account (See note 27).

ii) approved contributory Provident Fund for all employees.

2.4 Tangible fixed assets

These are stated at cost less accumulated depreciation except freehold land, capital work in progress and items in transit which are stated at cost. Depreciation is charged to profit and loss account using the straight line method at the following rates:

Freehold buildings, leasehold land and buildings	
and private railway sidings	3%
Plant and machinery	7%
Airconditioners included in plant and machinery	25%
Office and household machinery and equipment	20% to 25%
Furniture and fittings	10% to 20%
Vehicles	25%

Repairs and maintenance costs are charged to profit and loss account in the year in which they are incurred. Major renewals and improvements are capitalised.

Profits and losses on disposal of fixed assets are taken to profit and loss account.

2.5 Stocks

These are stated at the lower of net realisable value or cost determined on the moving average method. Items in transit are valued at cost comprising invoice values plus other charges paid thereon.

Net realisable value signifies the estimated selling price in the ordinary course of business less cost of completion and costs necessarily to be incurred to make the sale.

2.6 Stores and spares

These are valued at moving average cost. Items in transit are valued at cost comprising invoice value and other charges paid thereon.

2.7 Foreign currency transactions

Assets and liabilities in foreign currencies are stated in rupees at the rates of exchange ruling on the balance sheet date or at rates of exchange fixed under contractual arrangements, where lower. All exchange differences are included in the profit and loss account.

2.8 Revenue recognition

Sales are recorded on despatch of goods to customers.
