Provincial Government extends loans to local governments, financial institutions and autonomous bodies under its purview for meeting their current and development expenditures. The interest from these loans is another important part of receipts of "Income from Property and Enterprises". Interest amounting to Rs.1,478.274 million was received during FY 2011-12. The

estimate of receipts from interest income during FY 2012-13 is Rs.680.890 million. It may be highlighted that during FY 2011-12 Government was receiving interest from Bank of Punjab against the Advance Subscription Money of Rs.10.000 billion provided to the Bank in FY 2009-10. The right shares against the subscription money are expected to be issued in the first quarter of FY 2012-13. The interest income from this amount would not accrue after issuance of the right shares. Hence, the interest income during next financial year is expected to be considerably lower than FY 2011-12.

Figure 1.8
Income from Property and Enterprises BE 2012-13

Non Tax Revenue – Civil Administration & Other Functions

These receipts generally accrue from the regulatory and administrative functions of the Government and pension contribution on behalf of provincial civil servants working in autonomous bodies etc. Government is expected to collect Rs.6,757.831 million during FY 2012-13 from these sources of revenue. A break-up of these receipts is discussed below:

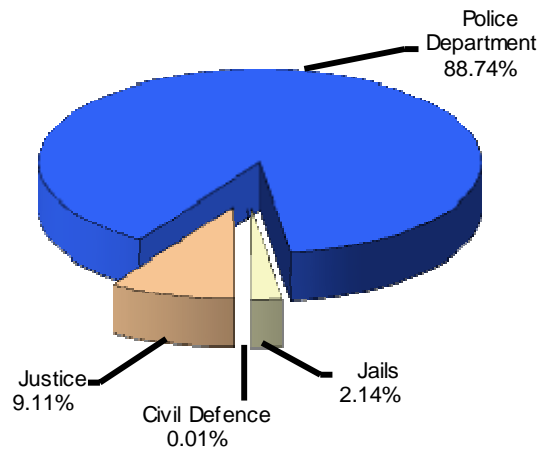

Figure 1.9
Civil Administration and other Functions BE 2011-12 vs. BE 2012-13

a) Law and Order

These are receipts accruing to the Provincial Government through judicial courts and policing functions. The biggest contribution comes from Police Department through traffic fines, driving license fee etc. The collection of Police Department during FY 2012-13 is expected to be Rs.2,598.510 million. During the FY 2011-12, the collection by Police Department was higher than the budget estimate 2011-12. The total Law & Order receipts are estimated at Rs.2,928.277 million in FY 2012-13.

Figure 1.10
Law and Order BE 2012-13

b) Community Services

The major income in this category is realised through tolls on provincial roads and bridges and through rent of Government buildings. The revenue from Communication and Works department had stagnated as there was no increase in the toll charged on roads. The Government decided to levy toll on following newly constructed roads w.e.f. 01.07.2011.

- i. Pindi Bhattian-Chiniot-Kamalpur Road
- ii. Chiniot-Sargodha-Khushab Road
- iii. Jhang – TT Singh – Chichawatni Road
- iv. Lahore -Kasur Road

The estimated revenue impact of levying toll on these roads was estimated at Rs.650.000 million. Accordingly, the RE 2011-12 of collection by C&W Department is estimated to be Rs.1,746.196 million compared to a collection of Rs.1,032.847 million during FY 2010-11. This significant increase in the collection by C&W Department is a result of levy of toll on newly constructed roads. The BE 2012-13 of C&W Department has been set at Rs.1,920.815 million.

The receipts from community services are estimated to be Rs.1,973.748 million in FY 2012-13 which includes major receipt contribution from Communication & Works Department as shown in the figure below.

Figure 1.11
Community Services BE 2012-13

c) Social Services

These receipts consist of user fees charged on health and education services; the largest component being the education sector (67%). These receipts are largely declining as the Government is aiming to provide health and education services to the common man at highly subsidized cost. Receipts under this category of non-tax revenue is estimated to be Rs.1,361.322 million.

Figure 1.12
Social Services BE 2012-13

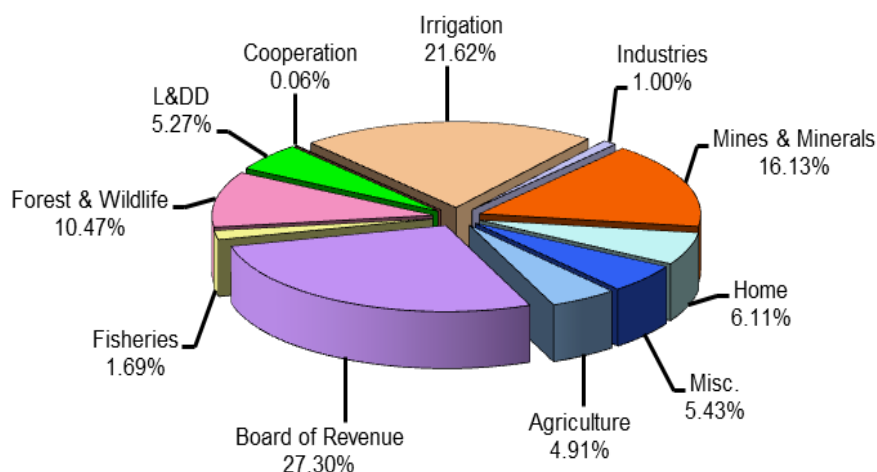

Non Tax Revenue – Miscellaneous Receipts

Miscellaneous receipts comprise the largest category of Provincial Non-Tax Receipts. These receipts can be categorised into two sub categories: (i) Receipts accruing from Economic Functions; (ii) general category.

Under the receipts from economic functions, revenue on account of Abiana (water rate for irrigation), receipts from rental of agricultural machinery / equipment, receipts from sale of forest timber are included. In the general category, other receipts such as small fees / charges on account of regulatory functions of the Government are included. Similarly, major receipts such as those accruing from arms licence fee and royalty from mines and minerals are also included under this classification. Against the Budget Estimates 2011-12 of Rs.13,073.179 million, Revised Estimate is to the tune of Rs.17,649.386 million. Increase in Revised Estimate 2011-12 is due to inclusion of certain notional receipts such as surrenders of public account deposits from assignment accounts whereas estimate of such notional receipts are not included in the Budget Estimates 2012-13, which has been pitched at Rs.13,636.787 million. Following is the contribution of different types of Miscellaneous Receipts in the BE 2012-13:

Figure 1.13
Miscellaneous Receipts BE 2012-13

Under Miscellaneous Receipts, the important receipts include receipts from Forest, Wildlife & Fisheries, Irrigation (mainly Abiana) and Mines & Minerals. The revised estimate 2011-12 of all these receipts was above the respective budget estimates. Accordingly, a reasonable growth is expected from these receipts during the FY 2012-13 also.

d) Extra-Ordinary Receipts

Extraordinary receipts were previously reflected as a part of capital receipt but are now part of General Revenue Receipts. A significant portion of these receipts accrue from expected privatization / disinvestment of government owned assets, and sale of land. During the financial year 2011-12, the budgeted target of Rs.4,048.772 million whereas the Revised Estimate 2011-12 is only to the extent of Rs.857.611 million. The major reason for shortfall during FY 2011-12 is continuing depression in real estate sector due to which auctions of Government property could not fetch the

maximum price. Keeping in view the slow pace of privatization, the BE 2012-13 has been rationalized to Rs.3,723.372 million, which includes an estimate of Rs.3,000.000 million through sale of properties by Punjab Privatization Board. The Government has decided that privatization receipts would only be utilized for development activities preferably in those areas from where the receipts would be realized.

1.2 DEVELOPMENT REVENUE RECEIPTS

Development Revenue Receipts are primarily grants from foreign multilaterals for specific development projects. The RE 2011-12 of Development Revenue Receipt was Rs.684.000 million compared to BE 2011-12 of Rs.1,025.000 million. The BE 2012-13 has been pitched at only Rs.117.000 million.

1.3 CURRENT CAPITAL RECEIPTS

Current Capital Receipts mainly accrue from new loans borrowed or raised by the Provincial Government and recoveries of loans granted to provincial establishments or their employees.

Current Capital Receipts may be credited either to the Provincial Government's Account No. I (Non-Food Account) or Account No. II (Food Account), depending on the nature of the receipt. Money raised through loans, budgetary support programme of multilaterals, recoveries of principal amount of loans advanced by the Government to its employees and autonomous bodies are credited to Current Capital Receipts (Account No.I). On the other hand, receipts from sale of wheat and financing for procurement of wheat accrue to Account No. II.

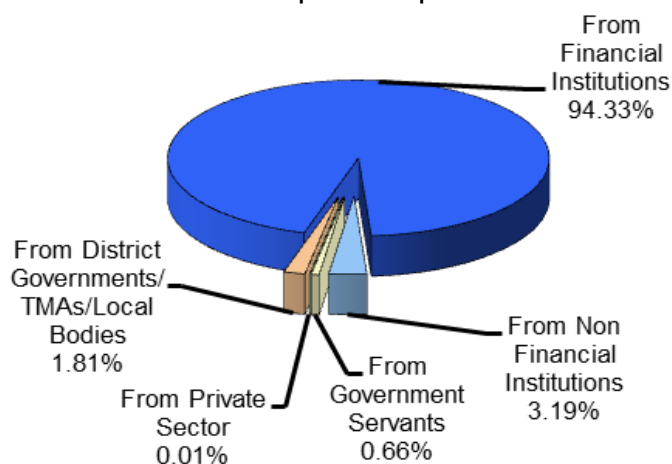

Current Capital Receipts figures for FY 2011-12 and FY 2012-13 are presented in Table 1.11 below.

It will be useful to provide a synopsis of the more significant items categorised under Current Capital Receipts.

Figure 1.14
Current Capital Receipts BE 2012-13

a) Recoveries of Loans and Advances

In this category, Rs.6,816.186 million are estimated to be received in FY 2012-13. It includes an amount of Rs.6,430.000 million which will be recovered from Bank of the Punjab and Punjab Provincial Cooperative Bank Limited. An amount of Rs.4,900.000 million will be recovered from Bank of Punjab on issuance of right shares consequent to a capital injection of Rs.10,000.000

million by Government of the Punjab through a loan from State Bank of Pakistan and an amount of Rs.1,530.000 million will be repaid by Punjab Provincial Cooperative Bank Limited (PPCBL) on account of repayment of loan extended to PPCBL.

b) Permanent Debt - Account No. I

Direct debt and loans borrowed from or through the Federal Government i.e. domestic and foreign loans comprise the permanent debt of the provincial government. B.E. 2012-13 for the permanent debt-foreign has been estimated at Rs.8,742.434 million. During FY 2011-12, the inflow of Current Capital Receipts received a severe set back as releases to Punjab Government by ADB were made conditional to issuance of clearance letter by the International Monetary Fund. The table below clearly shows that during FY 2011-12, the Government only received budgetary support loan from World Bank under Punjab Education Sector Reforms Program.

c) Public Debt – Account No. II (Food Account)

Account No.II, like Account No.I, is also maintained with the State Bank of Pakistan. The distinction, however, is that this account is meant exclusively for transactions relating to state trading in food commodities by the Food Department. Finances for food commodity purchases are raised through what is known as 'Cash Credit Accommodation'. This is currently being carried out through a consortium of banks organised with the assistance of the Bank of Punjab. Under this arrangement wheat grain is procured directly from farmers by the Food Department, and financed by the banking consortium. Receipts from the sale of wheat are then deposited in Account No. II, from where they are utilised to retire the consortium loan. Noticeably, the RE 2011-12 of 'Recoveries of Investment-State Trading Schemes' was Rs.92,225.545 million compared to BE 2011-12 of Rs.153,588.970 million on account of lower than targeted sale of wheat during the financial year.

1.4 DEVELOPMENT CAPITAL RECEIPTS

Development Capital Receipts comprise loans borrowed from multilateral donor agencies through the Federal Government for specific foreign-assisted development projects. Combined with the Development Revenue Receipts and surpluses from the General Revenue Account and Capital Account, Development Capital Receipts finance the Annual Development Programme of the province. The Budget Estimates 2012-13 for Development Capital Receipts is Rs.11,487.514

million compared to Budget Estimates 2011-12 of Rs. 18,610.000 million and RE 2011-12 of Rs.11,397.000 million.

Chapter 2

ESTIMATES OF EXPENDITURE

2.1 FRAMEWORK

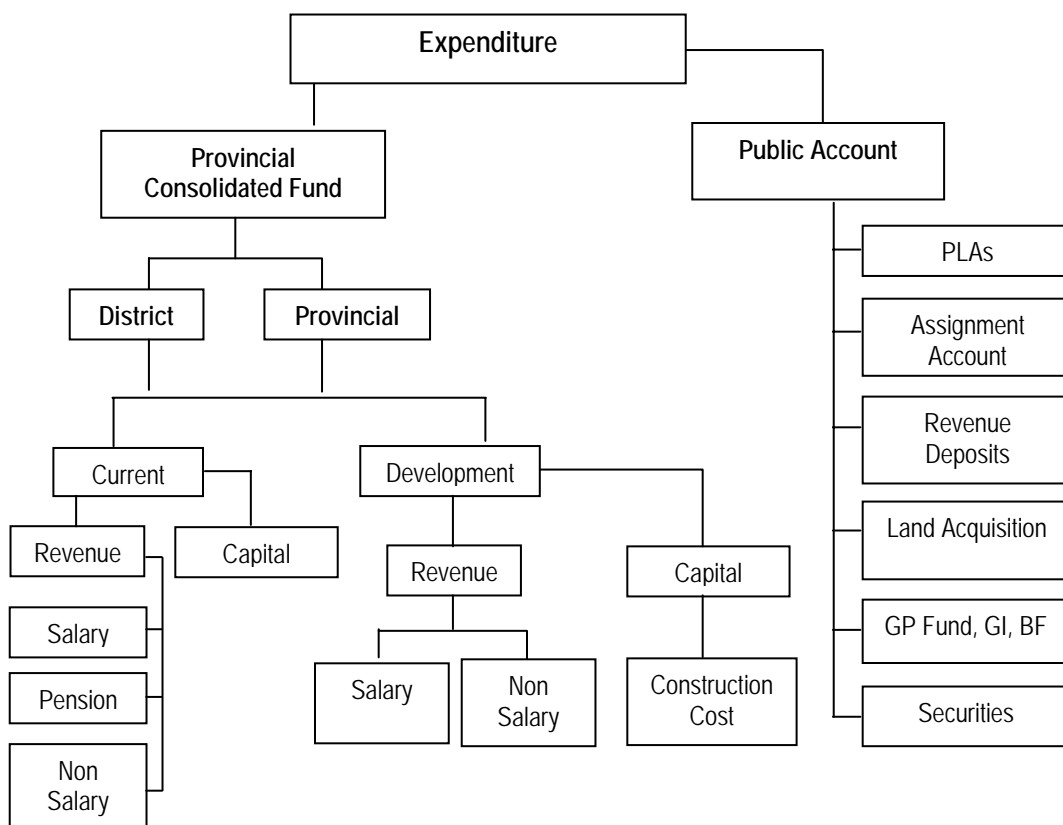

Before dilating upon the functional classification of the expenditures, it is appropriate that the framework in which the budget estimates are being formulated is also presented. Budgetary framework shown below reflects the components and the context in which the receipts and expenditures are derived while preparing the budget estimates.

Figure 2.1
Budgetary Framework

Overall expenditures of the government are classified under Provincial Consolidated Fund and Public Account of the province. Components and streams of financing items of Provincial Consolidated Fund and Public Account are represented in the Figure 2.2.

Figure 2.2
Expenditure Classification

Transactions on receipt and expenditure side which are not part of the Provincial Consolidated Fund are explained separately in the Chapter-3 of the White Paper on Public Account.

As regards the expenditures from the Provincial Consolidated Fund, the same are classified into following categories:

- a) **Current**
 - I. Current Revenue Expenditure
 - II. Current Capital Expenditure
- b) **Development**
 - III. Revenue Expenditure
 - IV. Capital Expenditure

I. Current Revenue Expenditure

Current Revenue Expenditure includes the expenditures on the regulatory functions of the government and provision of social and economic services. According to the Chart of Accounts under the New Accounting Model adopted in 2005-06, following are the main functional heads of expenditure in Current Revenue Expenditure:

- General Public Service
- Public Order and Safety Affairs
- Economic Affairs
- Environment Protection
- Housing and Community Amenities
- Health
- Recreational, Culture and Religion
- Education Affairs and Services
- Social Protection

II. Current Capital Expenditure

Current Capital Expenditure like current capital receipt figures both in the Account No. I and Account No. II of the Provincial Government maintained with the State Bank of Pakistan. Expenditure items under Current Capital Expenditure in Account No. I include the following:

- (i) Principal Repayment of Domestic, Foreign and Market Debt. Expenditure on repayment on account of Ways and Means Advances availed by the Government of the Punjab from the State Bank of Pakistan is also included in this category;
- (ii) Loans and advances to corporate bodies of the Government of Punjab or associated with the Government of Punjab.

Expenditure in Account No.II are mainly incurred on state trading operations of the government in food grains especially procurement of wheat and repayment of loans taken from the commercial banks for trading operations of Food Department.

III. Development Revenue Expenditure

Development revenue expenditure is classified under grant PC22036 (036) – Development– Revenue. The expenditure under this grant pertains to most of the expenses other than the brick and mortar expense. Employees related expense, purchase of transport, machinery and equipment, operating expenses, research and development, training etc. provided under the projects during the execution of the projects are all part of the development revenue expenditures.

IV. Development Capital Expenditure

Development capital expenditure is the capital investment under the development programs for roads, buildings, irrigation sectors etc.

2.1 OVERVIEW OF EXPENDITURE

In Financial Year 2012-13, total financial outlay of the government has been estimated at Rs.782,859.871 million. In FY 2012-13, size of the Annual Development Program has been pitched at Rs.250,000.000 million indicating an increase of Rs.30,000.000 million over ADP for FY2011-12. An allocation of Rs.532,859.871 million has been proposed for current expenditure in FY2012-13, against revised budget estimates of Rs. 467,993.236 million in FY 2011-12 representing an increase of approximately 14%. Despite persistent inflationary trends, increase in salary, allowances and pension of employees of the government, allocations of development expenditure have been protected by adopting a considerable increase in development budget in comparison with the Annual Development Program for FY 2011-12. This is in conformity with the development vision of the present government where allocations of development budget are protected through austerity measures, curbing wasteful expenditure, improving allocative efficiency, monitoring outcomes against budgetary allocations and bringing efficiency, effectiveness and economy in government operations.

Table 2.1 reflects the allocations for Current Revenue Expenditure and Development Expenditure of Punjab Government for the year 2011-12 and 2012-13.

TOTAL EXPENDITURE (A+B)	654,749.818	633,504.409	782,859.871

In the last few years, allocations for development budget have increased significantly which augurs well for socio-economic development of the province.

Table 2.2 shows the outlay of development budget of Punjab Government for last four years and allocation for FY2012-13.

2011-12	220.000	14%
2012-13	250.000	14%

In this regard, it would be pertinent to add that in last three years despite substantial increase in salary and allowances of government employees, allocations for development program of the province have either been protected or it has registered a significant increase.

2.2.2 Salient Features of the Allocations for different Departments / Functions for FY 2012-13

Outlay of current expenditure for FY 2012-13 is estimated at Rs. 532,859.871 million against Revised Budget Estimates of Rs. 467,993.236 million for FY 2011-12 which shows an increase of approximately 14%. Broadly, allocations in the current budget for FY 2012-13 have been made on the following principles / parameters:

- 20% increase in pay and pension for civil employees of Government of Punjab.
- Recurring cost of transfer of development programs to non development budget after the completion of schemes.
- In the last few years, while new capital was being created through greater development expenditure, it was witnessed that due to inadequacy of M&R allocations, the existing stock of capital was not being properly maintained thereby reducing its productive life. A review of M&R spending in last few years suggested that squeezing of M&R expenditure would not be a desirable course of action. Accordingly, to ensure the maintenance of public infrastructure and to avoid massive capital investment thereafter, a reasonable increase in allocations of M&R for public infrastructure have been adopted in the budget estimates for financial year 2012-13.
- Allocation of Rs. 34.0 billion for pro-poor initiatives i.e. Ramzan package, public transport and wheat subsidy have been made in FY 2012-13.
- Owing to persistent inflationary trends, prices of POL and Utilities like electricity have been revised upwards frequently in last two years. To absorb this increase, allocations in FY 2012-13 have been made commensurate with this increase. Under electricity head, against a budget estimate of Rs.3.447 billion, a provision of Rs.4.443 billion have been made in FY 2012-13. Similarly, under POL, against an allocation of Rs.5.717 billion in FY 2011-12, an allocation of Rs.7.510 billion have been made in the budget estimates for FY2012-13. Increased provision on this account will not only improve the general efficiency of the government but will also help Police in performing its essential function of maintenance of Law & Order.
- While ascertaining the shares of Provincial Allocable and Retained, the effort has been made to protect the shares of local governments under PFC Award. However, pending the announcement of new PFC owing to completion of tenure of local governments, consideration of actual fiscal needs of local governments in financial year 2012-13 have also been taken into account in determining the shares of local governments under PFC award. It would also be pertinent to mention that in last few years, substantial investments have been made in development of public infrastructure, improvement in service delivery in Health sector through better coverage and creation of new facilities, investments in education, water & sanitation sector. As a consequence of increased capital investment in various strategically important sectors of economy, there has been increase in recurrent expenditure of

the government. In addition, double digit inflation prevailing for last few years has contributed to increase in cost of acquisition of goods and services by the government. Resultantly, district governments are also witnessing a period of sustained fiscal distress. To cater for essential needs of District Governments, an analysis of revenue and expenditure trends of these governments was undertaken in FY2011-12. On the basis of this analysis, allocations to District Governments have been increased substantially in budget estimates for FY 2012-13. Moreover, to inculcate a sense of greater fiscal discipline in District Governments, certain arrangements have been put in place to 'ring-fence' the allocations of development programs to ensure that these are expended specifically for the purpose for which amounts have been allocated. It is hoped that through these measures District Governments would be in a better position to correct their fiscal imbalances and to allocate a greater degree of resource for their development spending which will ensure greater productivity and growth in an equitable and inclusive manner throughout the province.

- Allocation of Rs. 5,845.764 million has been made in FY 2012-13 for provision of free medicines in public sector hospitals and Rs. 1,437.165 million for dietary charges for prisoners in the jails of Punjab.
- Under the Punjab Education Sector Reform Project, a provision of Rs. 6,250.000 million has been made for disbursement of stipend to girls, free textbooks and management of public sector schools through school councils.

In the succeeding paragraph, variance in the budgeted expenditure for financial year 2011-12 and FY 2012-13 under important functions / sectors is explained as under:-

Increase in allocations on this account have been made to absorb the impact of 20% increase in pensionery benefits for FY 2012-13 announced in the Federal Budget to be adopted by Provincial Government.
- vi) Expenditure on account of Public Order and Safety Affairs has been estimated at Rs. 81,864.264 million in FY 2012-13 against the budget estimate of Rs.69,244.576 million in FY 2011-12 showing an increase of 18% in comparison with the FY2011-12.

PUBLIC ACCOUNT

3.1 INTRODUCTION

Article 118 of the Constitution of the Islamic Republic of Pakistan defines Public Account as all moneys which do not form the part of the Provincial Consolidated Fund but are: (a) received by or on behalf of the Provincial Government or (b) received by or deposited with the High Court or any other Court established under the authority of the Province.

Chapter 4

REVIEW OF DEVELOPMENT PROGRAMME 2011-12 & ANNUAL DEVELOPMENT PROGRAMME 2012-13

Annual Development Programme (ADP) is composed of public investments made in different sectors of the economy in a given year by the Government. These investments are not only instrumental in accelerating economic growth and development but also define and open up economic opportunities for the private sector and other stakeholders. ADP with its sectoral composition reflects the development priorities of the Government and thus, has a pivotal role in guiding the strategic direction of the provincial economy.

Before outlining the contours of ADP 2012-13, it will be appropriate to take stock of ADP performance during the last fiscal year ending 30th June, 2012. The size of the provincial ADP was originally fixed at Rs.188.0billion at the beginning of the year. It was scaled down to Rs.182.7billion during the year due to transfer of some of the development schemes and their corresponding allocations to current side of the budget. The major impact was due to relocation of scheme for provision of yellow cabs to young men and women which was budgeted at Rs.4.5 billion. Compared to last year, resource availability for funding the development budget improved during 2011-12. However, it still fell short of projections for Divisible Pool receipts to Punjab under NFC at the time of formulation of budget estimates for FY 2011-12 leading to revision in the size of Development Program to the extent of Rs. 165.5 billion.

For fast execution of development schemes, contrary to the practice of quarterly release adopted in FY 2010-11, development funds were released in two biannual installments by P&D during FY 2011-12. This has not only contributed to timely execution of the schemes but would also ensure optimum utilization of development funds by the close of financial year 2011-12. As per the utilization status of development program during first 10 months of FY 2011-12, an expenditure of Rs.104.7 billion has been reported. Based on this utilization trend, end of year utilization is expected to be approximately Rs.130.0 billion representing a significant improvement in the overall expenditure of Annual Development Programme against reported expenditure of Rs.114.7 billion in FY2010-11.

The historical trend of the last five years revised ADP allocation and utilization is given in the following graph:

**Trend of ADP Allocation (Revised) and Utilization
2007-08 to 2011-12**

During the year 2011-12, a total of 3755 schemes were implemented which includes ongoing and new schemes included in the ADP 2011-12 and also the schemes initiated during the year. Out of these 3755 schemes, 2322 schemes were completed during the year which represent almost 62% completion rate. Amongst the completed schemes 606 were ongoing schemes from the previous years.

Sector-wise breakup of 2322 completed schemes is depicted in the following pie-chart:

Schemes Completed during 2011-12

Like the previous year, a concerted effort was again made to minimize throwforward of on-going ADP schemes by weeding out unfeasible and slow moving schemes. Resources have also been re-appropriated from slow moving to fast moving schemes for their expeditious completion, particularly in the last quarter. Provision of token allocation for new schemes has been discouraged. These interventions have helped to clean up the current ADP portfolio and curtail the throwforward. At the close of the fiscal year, expected throwforward has slightly increased from Rs.267.0 billion in 2010-11 to Rs.275.0 billion in 2011-12. However, in percentage terms throw forward has decreased significantly from 419% of revised size of ADP in 2009-10 to 201% in 2011-12.

The historical trend of revised allocation and throwforward over the last 5 years is given in the following graph:

**Trend of ADP Allocation (Revised) and Throwforward
2007-08 to 2011-12**

Despite the less than projected receipt from Divisible Pool transfer from Federal Government warranting rationalization of the size of ADP, many notable milestones were crossed during the year.

During the year, a special effort has been made to remove regional disparities by providing equal opportunities of growth to poor and less developed areas of the Punjab including Southern Punjab, Cholistan and the Barani Tract. This includes enhanced flow of development resources and sustainability of development momentum in the less privileged area for growth, creation of job opportunities and mitigation of poverty of low income groups. The two pronged strategy includes increasing the overall development allocations to 11 districts of South Punjab from Rs.22.0 billion in 2007-08 to Rs.70.0 billion in 2011-12 and secondly, launching of new south centered special development programs. During the past five years, the allocation for regional planning initiatives has accordingly been increased from Rs. 2.3 billion in 2007-08 to Rs.15.0 billion in 2011-12 which shows 6.4 times increase in resources in the past five years, overwhelmingly earmarked for the Southern Punjab areas.

Southern Punjab Development Programme launched in 2009 has continued to be implemented in 2011-12. Under the programme, 180 major schemes pertaining to roads, health, water supply, education, technical education and irrigation have been implemented during 2011-12. So far 169 schemes have been completed. Another programme "Punjab Economic Opportunities Programme (PEOP)" funded by Department for International Development (DFID) was initiated in the districts of Bahawalnagar, Bahawalpur, Lodhran and Muzaffargarh last year. Under this programme, 17,635 youth including 7000 female trainees have been provided skill training during the current financial year. This training has been provided through outsourcing the activity to private/public training providers including technical training institutions and NGOs through a transparent process. This initiative has not only been instrumental in creating employment opportunities for poorest segments of the project area by imparting specialized skill training to its youth but also in developing the capacity and interest of private sector training providers in South Punjab and rest of the province in this field. In addition, focus of skill development strategy on funding of trainees marks a departure from the traditional approach of investing in brick and mortar adopted by the public sector in the past. The project has a target of training 80,000 youth which will be met by 2014-15. This pioneering model/initiative is being considered for up scaling in other districts of Southern Punjab and rest of the province with the support of international development partners. The programme is also providing input to enhance milk and meat production through provision of animal health services in the four districts.

Implementation of ADB assisted Southern Punjab Basic Urban Services Programme (SPBUSP) for provision of urban municipal services in 21 TMAs of Six Districts has also been completed during the current financial year with an additional allocation of Rs.1.0 billion. This has resulted in completion of 166 schemes in the sectors of water supply & sewerage, roads and solid waste management which were left over from the previous years.

International Fund for Agriculture Development (IFAD) has joined the efforts of Government of the Punjab for maintaining regional balance and poverty alleviation by launching a new project "Southern Punjab Poverty Alleviation Project" in the districts of Bahawalnagar, Bahawalpur, Muzaffargarh and Rajanpur. The programme having a total cost of Rs. 4.1 billion will provide support to 80,000 poorest families through asset creation, vocational training, community projects and productivity enhancement in Agriculture and Livestock sectors. Its rolling out has started during the year with initiation of recruitment process for the staff. All these interventions have been / will be helpful in removing regional disparities and increasing employment / income generation opportunities for the poorest segments of the Punjab's population.

In strategy for Accelerating Economic Growth and Improving Service Delivery 2009, Government of Punjab undertook to develop the potential of cities as drivers of economic growth for the provincial economy side by side with the traditional sectors. This is immensely important as more than 40% of the Punjab's population now resides in urban areas. A number of large, intermediate and small cities across the province house this ever growing segment of population.

In 2011-12, a number of major projects in large cities have been completed in a record time such as Flyover at Kalma Chowk and Muslim Town in Lahore, and at Chandni Chowk in

Rawalpindi. Building projects for new medical colleges in D.G. Khan, Sahiwal and Gujranwala have been started. A waste water treatment plant in Multan has been completed alongwith a water supply scheme in Faisalabad and a water supply and sewerage schemes in D.G. Khan and Rahim Yar Khan. Urban roads and infrastructure in Bahawalpur, D.G. Khan, Sargodha, Sahiwal and Chiniot has been upgraded and an overhead bridge on railway line from GT Road Bahawalpur has been constructed. Besides 150 major projects pertaining to roads / water supply etc. costing around Rs. 10.3 billion were executed during 2011-12 in urban centers of Punjab.

In order to address transport problems of urban residents and reduce traffic congestion in large cities, a dedicated 'Bus Rapid Transit System' project has been launched in Lahore. Its first phase is under implementation. This project will serve as a path breaking effort for resolving traffic problems of other large cities of the Punjab in future. In addition, almost 400 new CNG buses have started operating in Lahore to ease the transport problem faced by the commuters.

During the current year, the special development packages being implemented in different districts and cities of the Punjab since 2009-10, have been continued with an allocation of Rs. 15.0 billion. With this allocation, a total number of 204 new and 70 ongoing schemes left over from the last two years packages were executed in the road, education, health, water and sanitation sectors. To facilitate quick implementation of these schemes within the current year, total earmarked funds were released in one installment. It is expected that almost 95% of these schemes will be completed by 30th June, 2012 which will create a visible impact and improvement in the urban infrastructure of the recipient cities.

Issues of health and education sectors have been effectively addressed in 2011-12 through a comprehensive approach including increased financial allocations, institutional strengthening and policy measures. Health Sector development programme has focused on improvement and upgradation of primary, secondary & tertiary health care and expansion of medical education in the public sector. Efforts have been made for optimal utilization of the existing health facilities.

For health care, total development outlay during 2011-12 was Rs. 17.3 billion. Total number of 56 schemes were completed. Four new medical colleges at Gujranwala, Sialkot, Sahiwal and D.G. Khan have been established in 2011-12. Classes of 1st year MBBS have commenced in current financial year. Funds amounting to Rs.1.7 billion were provided in ADP 2011-12 for developing infrastructure and labs in accordance with standard of PMDC. All these facilities are to be completed in 2012-13 for which funds have been provided in ADP 2012-13. Regarding mega projects, Rawalpindi Institute of Cardiology costing Rs.2.9 billion is nearing completion. Balance funds are being provided in ADP 2012-13 for its operation soon. In addition, 410-Bedded Civil Hospital, Bahawalpur is to start its operation soon as building works are completed on EPC mode and purchase of equipment is finalized. Furthermore provision of additional facilities in 42 existing hospitals, establishment of 3 new THQ Hospitals, establishment of 2 new RHCs, upgradation of 4 RHC to THQ Hospitals and upgradation of 2 BHU to RHC were also accomplished during the year.

Chief Minister's Health Initiative for Attainment of Realization of MDGs Programme was launched for provision of 24/7 emergency Obstetrics & Newborn Care services at selected RHC of flood affected districts namely Bhakkar, Mianwali, R.Y. Khan, Layyah, D.G. Khan, Muzaffargarh and Rajanpur. BHUs, where no more than one delivery was conducted every month, now boast of an average of over 40 verifiable deliveries per BHU. A strong referral system has also been established for referral of high risk and complicated pregnancies to comprehensive EmONC facilities (THQs and DHQs). Ambulances have been provided at the BHUs for pickup and referrals.

In order to ensure quality of health care delivery, developing clinical standards and licensing/registering/accrediting health care organizations, Punjab Health Care Commission has been established in October, 2011. Detailed technical spadework has been completed by development of minimum service delivery standards for Tertiary Care Hospitals, licensing protocol and governance mechanism with technical assistance from DFID. Health Care Commission is now hiring its management team and is well poised to start the actual work of licensing and regulating public and private health facilities in the province.

A draft new health sector strategy has been developed through a consultative process by Punjab Health Sector Reform Programme. The strategy addresses all major issues in health sector and suggests solutions. Focus is proposed to be reoriented towards primary health care under this strategy. World Bank & DFID have expressed interest to provide support in implementation of strategy through Punjab Health Sector Programme Project.

Priorities of education sector include 100% enrolments and retention at elementary education level, gender parity, child friendly environment coupled with provision of quality education. Various interventions have been made to attract the children to schools. Total development outlay during 2011-12 for School Education and Higher Education was Rs.17.5 billion and Rs.4.9 billion respectively. In School Education Sector following achievements were made:

- Facilities lacking in schools such as toilets, boundary walls, additional class rooms etc. were provided to 1613 schools.
- Works on 6 (six) Daanish Schools one each for boys and girls at D.G Khan, Piplan (Mianwali) and Jand (Attock) was initiated.
- 853 schools were upgraded to next level.
- Training was provided to 120,000 teachers and mangers.
- Merits scholarship amounting to Rs.99.9 million was provided to the talented students of schools.
- Capacity of 26,000 school councils was enhanced through provision of training.
- Punjab Education Foundation provided support to 800,000 students enrolled in 2200 private schools through Foundation assisted schools programme. In addition, education vouchers were provided to 60,000 children in age group of 4-17 years for enrolment to any pre-selected schools.

In addition, various measures have been taken to improve quality and governance which includes merit based teacher's recruitment, strengthening professional competence of teachers and establishment of Punjab Examination Commission to conduct Grade 5 & 8 examinations.

In Higher Education Sector, the following major achievements have been made:

- 15 new degree colleges were established.
- Missing/additional facilities were provided to 14 existing colleges.
- 10 intermediate colleges were upgraded to degree level.
- 12,500 scholarships were allocated through Punjab Education Endowment Funds and an amount of Rs.775.0 million was disbursed.
- 110,000 Laptops were provided to students free of cost purely on merit, with a view to complement Government policy of digitization and to bring parity in terms of possession of IT equipment between students belonging to different segments of society.

One of the key policy goals of ADP 2011-12 has been the strengthening and rehabilitation of irrigation network of barrages and canals in the Punjab. This has been a fundamental investment priority of the provincial government not only to address issue of water scarcity but also to mitigate potential threat to structural stability of century old water conveyance network. This is a serious concern emanating from the expected increase in frequency of super floods in the coming years due to climate changes. A total of 81 schemes, 42 ongoing and 39 new, included in the irrigation sector during 2011-12 covered wide-ranging water conservation, drainage and flood management, irrigation system rehabilitation and development, and institutional reforms programs within the overall sectoral allocation of Rs.11.2 billion.

Some of the significant development milestones in the irrigation sector during the financial year are:

- Launching of project implementation activities for the mega barrages rehabilitation & modernization projects at Jinnah over River Indus at a cost of Rs.12.7 billion, at Khanki over River Chenab at a cost of Rs.23.4 billion and at Balloki over River Ravi at a cost of Rs.2.4 billion;
- 90% completion of Lower Chenab Canal (Part – B) feeding vast canal command area of 1.67 million acre;
- Fast-paced progress of the Lower Bari Doab Canal Improvement Project (LBDCIP) and Punjab Irrigation System Improvement (PISIP) canal remodeling projects catering irrigation needs in 25% of irrigated areas in central and southern Punjab;
- Province-wide implementation of lining of distributaries and minors in a number of canal commands;

- Development of six (6) small dams serving for irrigation supplies to over 10,000 acre of rain-fed (barani) farmlands in Pothohar;
- Completion of two flood-cum-rain water storage ponds in greater Cholistan area, and
- 50% completion of flood dispersion and management structures to harness and channelize hill torrents in D.G. Khan and Rajanpur districts to avoid devastation in vast areas in Southern Punjab.

Alongwith a strong irrigation network, agriculture and livestock sectors have a paramount role in ensuring food security for the large population of the province. In ADP 2011-12, the major focus of strategy in this sector has been meeting the challenges of food security, productivity enhancement, developing direct linkages of agriculture and livestock farmers with the markets and quality improvements through accreditation and certification. A brief account of important development activities of 2011-12 in these sectors is as follows:

- Distribution of 1770 house-cum-garden plots on lease basis to poorest of the poor in southern Punjab. Out of 9 sites work on four sites has been completed and plots are ready for allotment.
- Germ plasm unit alongwith mother block has been completed and technology transfer through Farmers Field School under Fruit and Vegetable Development project has been accomplished and now consolidation phase will be taken up.
- 250,000 seed kits have been distributed for kitchen gardening in big towns to overcome high vegetable prices.
- Preliminary work on launching of Supply chain improvement project to provide three tier supports to farmers, processors and exporters to enhance export of fruit and vegetables Global GAP/IFC compliances parameters has been completed.
- Bio-Gas technology has been adopted to mitigate energy crisis
- Work on establishment of Rice Research Station at Bahawalnagar and Mango Research Institute, Multan has been initiated.
- Five Shadbad Cooperative Livestock Farms in Cholistan have been completed and companies for their operation and maintenance (O&M) have been registered.
- Under the project "Enhancing Beef Production" 10000 doses of exotic semen imported and fattening of 7,500 calves completed
- Preliminaries for enhancement of sheep/goat production in D.G Khan and Rajanpur completed.
- 70% of construction work at Para-veterinary School at Layyah completed.
- Project for strengthening of Buffalo Research Institute, Pattoki commenced and construction work taken in hand.

- 50% of construction work of female hostels at Ravi Campus, UVAS Pattoki accomplished.

The most important mid-term initiative in the agriculture sector for productivity enhancement of agricultural outputs i.e. "Irrigated Agriculture Productivity Enhancement Project" costing Rs. 36.0 billion has also been rolled out during the current year with the support of IDA and World Bank.

This project will be a landmark intervention in the farming sector encompassing improvement of water courses, laser land leveling, introduction of high efficiency drip and sprinkler farm irrigation systems, which will facilitate efficient and effective use of farm inputs leading to enhanced productivity level and greater economic returns to the farmers.

Given the paucity of resources available with the Provincial Government for undertaking new development projects, the need for mobilizing resources from the private sector in a transparent manner to aid the provincial development effort is pressing. The new PPP Cell set up in 2010-11 in the Planning & Development Department has gradually progressed in institutionalizing and popularizing this new mode of development funding in the province both with the government agencies / departments and the private sector.

The projects approved by PPP Steering committee since 1st July 2011 are at various progress levels as described below:

- Punjab Grain Storage Project (Food Department) is ripe for bid submission by seven (07) prequalified consortiums (including international firms) for construction of wheat silos (350,000 MT capacity) involving private sector investment worth approximately Rs. 5700 million. This project would eventually lead to setting up a commodity exchange at Lahore
- Lahore Ring Road Project-Southern Loop (Communication & Works Department) is ready for bid submission by four prequalified firms involving construction of 50 Km southern loop through USD 550 million private sector investment
- Project for Vehicle Inspection and Certification System in Punjab (Transport Department) is ready for prequalification of firms, involving approximately Rs. 673 million of private sector investment.
- Project for construction of multimodal inter-city bus terminals at three (03) locations in Lahore is at option analysis stage, involving transaction advisory services, with private sector investment quantum of Rs. 5000 million
- The pipeline of projects involves highly bankable investment propositions through private sector investments in key projects like: Faisalabad Ring Road, Veterinary Research institute, Lahore, Establishment of entertainment city in Lahore, Establishment of modern slaughter house in Faisalabad, LED Energy Efficient Street Lighting System in Lahore, Establishment of Parking Plazas in (5 CDG's)

IFC and ADB have shown keen interest in capacity building of Public-Private Partnership Cell and Risk Management Unit. MOU between P&D Department and International Finance Corporation (IFC) for Provision of Transaction Advisory Services for Public-Private Partnership Projects is almost ready to be signed. Aid-memoire for Establishment of Punjab Infrastructure Fund is getting final shape, involving DFID, World Bank and ADB for technical and financial support of Public-Private Partnership initiatives in Punjab.

Punjab utilizes 68% of the total electricity generated in the country and is coping with severe energy shortfalls that have adversely hit its annual growth rates for the past many years. Since revision of the Punjab Power Policy in year 2009, the province has accelerated activities for development of the energy sector.

During the last year, implementation of the ADB-assisted "Renewable energy Development Sector Investment Program (REDSIP)" for construction of five (5) hydropower projects at Marala (Sialkot), Chianwali (Gujranwala), Deg Out Fall (Sheikhupura), Pakpattan (Pakpattan), Okara (Okara) with cumulative installed potential of 25 MW and annual generation of 140 GWh made a significant headway. Out of these execution contracts under International Contract Bidding (ICB) for Marala (7.64 MW) and Pakpattan (2.82 MW) have been awarded and the contracting Joint Ventures have started detailed designing to undertake these turnkey projects. Bids on Deg outfall (4.04 MW), Chianwali (5.38 MW) and Okara (4.16 MW) are presently under evaluation for award during June-July 2012.

Further, feasibility appraisals are in progress for development of five (5) additional hydropower sites at barrages and canal systems (Khanki and Qadirabad barrages and LCC, UCC and QB Link Canals) to have total installed capacity of 55 MW with annual energy generation potential of 206 GWh. Under a separate initiative, a detailed technical feasibility study has also been launched to investigate 120 MW power generation potential at the Taunsa Barrage. An allocation of Rs 9.0 billion was made for power sector in 2011-12. This allocation was to be utilized for equity sharing by Government of the Punjab in new private sector power projects. Due to non-resolution of circular debt issue by the Federal Government, private sector has however been hesitant to invest in power projects the allocation thus have not been fully utilized.

Punjab does not have a significant potential for hydel power generation. While addition of hydel generation capacity by installing plants on low head canals in the province will provide marginal relief, energy sector requires a lot more focus and investment in the next few years from Annual Development Programme to overcome the huge challenge. More important than new investments are institutional, regulatory and legal reforms to plug inefficiencies within the existing generation, transmission and distribution system in the country through collaborative effort amongst all the stakeholders.

ADP 2012-13

Annual Development Programme 2012-13 has been formulated within a Medium Term Development Framework (MTDF), a rolling plan providing development estimates for a three year period i.e. base year and the following two years. In framing the Development Programme for the current year, valuable input received from various Committees constituted by the Chief Minister and recommendations of the Parliamentarians have been given due consideration within the available resources.

In terms of budget estimates of development budget for FY 2011-12, it would be pertinent to add that an allocation for other development expenditure / financing items of ADP to the tune of Rs.32.0 billion was made as per details shown in the Table 4.1 above. In the revised estimates, the allocations have been shown as 'nil' as authorization and subsequent utilization of the said item is either being shown under the revised estimates of current or capital expenditure for FY2011-12 for accounting / financial reporting purposes. In essence, owing to developmental nature of these activities, these are classified as financing items of development program as shown in the budget estimates of development program for FY 2011-12. During financial year 2011-12, an amount of Rs.22.0 billion has been released by taking an equivalent surrender from financing items of ADP shown in the estimates at Table 4.1. Accordingly, in reality overall authorization will be to the tune of Rs.179.0 billion against an allocation of Rs.220.0 billion of development program for FY2011-12.

Chapter 5

OVERVIEW OF FISCAL MANAGEMENT REFORMS

Improving the level, composition and efficiency of public expenditures is the key for achieving fiscal sustainability. Moreover, to provide adequate resources for economic development and growth, it is important that the revenue generation capacity of the government is optimized. Both the policy objectives of the government are primarily achieved through:

- Integrating 'top down' strategic resource allocation with bottom up outcome / output based budgeting;
- Enhancing revenue generation capacity through better tax coverage, administrative simplifications and management reforms.

Presently, problems in existing taxation system are not only related to low coverage but to administrative bottlenecks and weaknesses in tax policy framework. Besides tax evasion, a wide regime of tax exemption is also prevalent. Notwithstanding the limitations of current economic distress, Punjab Government intends to initiate certain structural reforms in its tax management framework by introducing administrative simplifications and by creating the requisite institutional arrangements to address the capacity constraints in the current system of tax administration and management.

To achieve the policy objectives narrated above, three important fiscal management reforms have been planned in financial year 2012-13 as under:

- (i) Establishment of Punjab Revenue Authority;
- (ii) Designing and implementation of budget execution and monitoring framework for departments under Medium Term Budgetary Framework (MTBF);
- (iii) Automation of pension disbursement systems through use of Information Communication Technology (ICT) based applications.

5.1 ESTABLISHMENT OF PUNJAB REVENUE AUTHORITY

Revenue collection authority of the Government stems from Constitution of Islamic Republic of Pakistan, 1973. As per the constitutional arrangements in place, collection of more buoyant taxes such as Income Tax, Sales Tax on Goods, Custom Duties and Excise Duties is

assigned to the Federal Government. The taxes being administered by the Provincial Governments include the following:

- i. Tax on agricultural income;
- ii. Taxes on purchase and sale of services (excluding railway, sea or air transport);
- iii. Land revenue;
- iv. Motor vehicle tax;
- v. Stamp duties;
- vi. Tax on immoveable property;
- vii. Capital gains tax on immoveable property;
- viii. Excise duties on alcoholic liquors, opium and other narcotics;
- ix. Tax on professions, trades, callings or employment;
- x. Entertainment taxes.

Analysis of the taxes assigned to the provinces listed above reveals that primarily provinces have been given the mandate to collect taxes from services, land / property transactions and motor vehicles. These taxes help not only in generating resources for the Provincial Government but also contribute to overall tax to GDP ratio of the country. However, provincial tax collection is beset with corruption and inefficient process. Reforms in tax administration shall besides increasing the revenue base of the Provincial Government also help in reducing the dependence of the Provincial government on Federal transfers.

Presently, tax collection in the Provincial Government is being carried out by different departments/agencies i.e. Board of Revenue, Excise and Taxation Department and other entities in a fragmented manner. Board of Revenue is mainly collecting Agriculture Income Tax and taxes on property / land transactions. Excise and Taxation Department is entrusted with the collection of Motor Vehicle Taxes, Urban Immovable Property Tax and Excise Duty on liquors. General Sales Tax on Services has been assigned to Federal Board of Revenue temporarily as the Provincial Government does not have the capacity to collect this tax in an effective manner. Under the present tax collection system, lack of competent and professionally qualified manpower along with absence of effective governance structures in the Departments currently entrusted with the revenue collection function results in sub-optimal revenue collection by these entities / departments. In this scenario, any attempt to introduce new reforms aimed at improving tax collection and broadening the existing tax are bound to fail because of existing organizational culture steeped in rent seeking.

In view of the organizational weaknesses listed above, Finance Minister in his budget speech for the Financial Year 2011-12 announced the creation of Punjab Revenue Authority (PRA). It is believed that through the creation of a specialized agency, revenue potential of different taxes especially GST on Services would not only be fully tapped but this would also result in an efficient, transparent and effective collection. Besides streamlining and modernizing the function of tax administration, it is hoped that creation of Punjab Revenue Authority would improve tax

efficiency, promote accountability, prevent tax evasion and facilitate taxpayers thereby enhancing revenue collection. Further, the Authority would also be able to address the issue of tax compliance and broadening of the tax base.

Transferring of the existing taxes (along with the staff) to the proposed PRA would not achieve the desired results as all the problems associated with the tax collection culture today would be transferred to the new authority. Accordingly, it would be imperative in the first instance to complete "Business Process Re-engineering" (BPR) for each tax and once this exercise is completed, the tax with some screened staff of the original department (along with some essential new recruitment) is populated in the Provincial Revenue Authority.

The twin pillars of the 'BPR' would be to:

- (a) Minimise discretion of the government functionaries;
- (b) Reduce interaction between assessee and the assessor;

The above mentioned objectives would be achieved through effective use of Information Communication Technology (ICT) based applications. While conducting the Business Process Re-engineering, we must challenge ourselves to think beyond traditional solutions. For example, why is it not possible to collect Motor Vehicle Tax through scratch cards. These and other such initiatives would create ease for the assessor and eliminate corruption. Reiterating the proposal, the steps involved in this exercise would be:

- (a) Creation of an enabling legal framework for establishment of Punjab Revenue Authority with skeleton structure;
- (b) Identification and prioritization of taxes to be entrusted to PRA;
- (c) Undertaking comprehensive reform of the taxation system through BPR;
- (d) Shifting the tax to PRA.

In FY 2012-13, Government intends to collect GST on Services through its own Revenue Authority w.e.f. 01.07.2012. It is expected that creation of Punjab Revenue Authority (PRA) would not only harness the true potential of GST on Services in the province but would also be a major step in improving the tax collection, administration and management in the province.

As the PRA develops its capacity, in addition to entrusting the collection of GST on Services which is presently collected by FBR on behalf of provincial government, government shall also assign the collection of other taxes to this entity after business process re-engineering and prioritization and screening of existing taxes. For accomplishing the objective of establishment of Punjab Revenue Authority and allied taxation reforms, Government of Punjab intends to complete legal and procedural formalities by 30.06.2012 for functioning of the PRA with effect from 01.07.2012.

5.2 DESIGNING AND IMPLEMENTATION OF BUDGET EXECUTION AND MONITORING FRAMEWORK FOR DEPARTMENTS UNDER MEDIUM TERM BUDGETARY FRAMEWORK (MTBF)

Medium Implementation of Medium Term Budgetary Framework (MTBF) is at the heart of Public Financial Management Reform initiatives in Punjab. One of the aims of MTBF is to establish a link between outcomes, outputs and costs. Contrary to annual budgeting, MTBF is a multi-year approach to budgeting which links the spending plans of the government to its policy objectives set out in a fiscal framework. Multi-year horizon provides the line departments the requisite space and flexibility to formulate, plan and implement the policies focusing solely on service delivery and outputs. Given the fact that public policy decisions normally take more than one year for their implementation, it is important to keep the multi-year horizon in determining the resource allocation amongst the different functions of the Government.

MTBF is built on two components:

- (i) "Top down" implies strengthening of overall resource management framework along with aligning the budgetary resources with government's policies and priorities;
- (ii) "Bottom up" which aims to strengthen budgetary management processes within the line ministries.

In summary, MTBF intends to achieve the following:-

- Ensuring systematic use of rolling multi-year perspective to formulate annual budgets;
- Linking resources with Medium Term Fiscal Framework and fiscal/ policy indicators;
- Facilitating strategic prioritization of expenditures which synchronize with the departmental priorities.

How is MTBF different from Traditional Budgeting?

Traditional Budgeting	MTBF
Annual focus	Multi-year focus
Lack of resource indication to line departments	Clear resource indication to line departments
Incremental	Strategic orientation and result focused
Dominated by Finance and limited ownership by line departments	Joint ownership and based on departmental policy priorities
Reactive and unpredictable	Proactive and predictable

5.2.1 MTBF in Line Departments

Budget preparation exercise for Financial Year 2012-13 in MTBF Departments began with the issuance of MTBF Budget Call Circular and Guidelines in November 2011. These included a set of instructions which the MTBF Departments were required to follow in developing estimates.

Specially designed budget forms intended to encourage prioritization and to maximize the predictability in budgetary allocations were provided to these departments. Multi-year budgetary ceilings were issued to MTBF Departments to indicate a probable resource envelope in case of each department. This was deemed necessary to promote a culture of prioritization rather than need being the sole criteria for formulation of budget estimates for the ensuing year.

In conformity with the requirements of the MTBF Budget Call Circular, 'Budget and Priorities Committee' was established in MTBF Departments. Objective of this Committee was to create a forum within departments which can determine the overall budget priorities of the Department for the upcoming year. Once the priorities are crystallized, the departments may decide the distribution of budget ceilings provided by Finance Department to various functions / spending units / entities of the department. This in turn helped in creating an environment which will promote budget making in a fiscally prudent manner.

While enough work was undertaken for improving the 'top down' approach under MTBF framework, budget execution and monitoring framework remained relatively unattended area warranting interventions both at Finance and departmental level. To put in place necessary arrangements for better monitoring and execution of budgetary allocations, Financial Management Application (FMA) software was secured and customized to fulfil the needs of this endeavour. Fundamental objectives of proposed budget execution framework would be to:

- Monitor progress of expenditure against budgetary allocations;
- Monitor progress against budgetary outcomes / outputs;
- Serve as a financial management tool for senior management of the department;
- Assist Finance Department in its critical function of cash planning and management.

Cash plans and budget expenditure reports under this framework shall be an essential part of budget execution and monitoring system to be prepared on modified cash basis of accounting which is in practice under Project for Improvement and Financial Reporting. It would employ that the expenditure and cash will be reported as and when it is spent rather than when it is committed. Notwithstanding the fact that New Accounting Model (NAM) has envisaged the concept of commitment accounting, however, the same is not yet in practice fully or it has not been embedded in financial reports and systems of accounting. Moreover, the SAP (as it stands) does not fully conform to the requirements of the commitment control systems since it does not differentiate between recording (issuance of purchase order) and liquidating commitments (issuing cheques against invoices on receipts of goods and services).

Designed templates / managerial reports shall be divided into three key areas summarizing the progress:

- **Budgetary target / outputs:**
Progress achieved in meeting outputs targets showing progress for the month, cumulative progress and balance of targets and outputs to be achieved.

- **Expenditure by major object classification (economic classification):**

Against each major object classification, current status of budget appropriations (revised budget after adjustments relating to re-appropriations, supplementary and surrenders), expenditure for the month and cumulative expenditure.

- **Expenditure by detailed object classification (economic classification):**

Against each detailed object classification, current status of budget appropriations (revised budget after adjustments relating to re-appropriations, supplementary and surrenders), expenditure for the month and cumulative expenditure

At the end of each month (or quarter), Financial Management Reports shall be prepared by attached departments for consumption of Principal Accounting Officer i.e. Administrative Secretary of the department which will summarize the information relating to budget, expenditure and outputs.

Reports shall have following key sections:

- Summary of financial operations;
- Summary of financial operations – current & development budget (by object classification);
- Summary of financial operations – current & development budget (by functional classification);
- Summary of re-appropriations and supplementary grants;
- Summary of Output Progress Report – current budget;
- Summary of Output Progress Report – development budget;
- Summary of Annual Development Programme.

Title of the reports and different thematic areas of such reports are placed as Annex-I of the White Paper. One of the advantages of the proposed Budget Execution Management System is that its build upon the strengths of SAP R/3 system currently in place in terms of information being captured and processed in SAP. It does not attempt to create a parallel system of budget monitoring. In essence, it largely imbeds the reporting framework of SAP. Pilot implementation of the budgetary execution monitoring will be initiated in certain DDOs of selected line departments under MTBF framework. Once the intended system is actually put to practice, technical assistance would also be provided to line departments for which requisite budgetary provisions have also been made in the budget estimates for FY 2012-13.

5.3 AUTOMATION OF PENSION DISBURSEMENT SYSTEMS THROUGH USE OF INFORMATION COMMUNICATION TECHNOLOGY (ICT) BASED APPLICATIONS

5.3.1 Pension Scheme – An Overview

In terms of population, Punjab is the biggest province of the country. It employs a large workforce with approximately 436,995 pensioners and the number is growing continuously. As per actuarial assessment undertaken in 2010, total pension liability estimated at 30th June 2010 is to the tune of Rs. 687.0 billion. Amount of pension paid annually to the pensioners is around Rs.50.0 billion.

Government has an elaborate and well defined pension benefit scheme based on the last pay drawn and running on 'pay as you go' basis. The scheme entitles the pension to the employees who have either reached the age of superannuation or have retired early after serving for 25 years. Rule 4.6(ii)(b) of the Pension Rules also prescribes ten years as a minimum qualifying service for receipt of pensionary benefits. Gross Pension is determined on the basis of last drawn Pay multiplied with the number of years of service and factor 7/300. However, a pensioner has the option of commuting a part of his gross pension at the time of retirement. Net pension is paid for the life time of the employee. After his death, his family is entitled to family pension. The Government also increases pension periodically to mitigate the effects of inflation.

5.3.2 Need for Pension Reforms

In recent times, Pension Reforms have gained pace around the World. In conformity with the global trend, Government of Punjab also initiated number of pension reforms in last few years. To ascertain pension liabilities, an actuarial analysis was undertaken. Pursuant to this study and as an important reform agenda of Government of Punjab under its program for public sector financial management reforms, a dedicated corporate entity i.e. Punjab Pension Fund was established through enactment by Punjab Provincial Assembly. An elaborate structure for the management of Punjab Pension Fund was established with the induction of professional management. Moreover, number of committees such as management committee, investment committee, accounts and audit committee, HR committee etc. were also established to monitor and oversee the activities of the Fund. These committees are not only represented by public sector but also have an adequate representation of professionals from private sector. An elaborate oversight mechanism is also in place to review and oversee the investment policy, funding strategy and other such arrangements related to fund management. In line with the parameters laid down in the legal framework of Punjab Pension Fund, Central Depository Company (CDC) has been appointed as the trustee of the Fund.

While far reaching reforms were introduced not only to ascertain the pension liabilities but to formulate medium and long term funding / investment strategy of the Fund, it was also felt that there is a need to reform and improve the existing pension disbursement system focusing on facilitating existing and future pensioners. Accordingly, it has been found expedient to conceive, develop and implement a reformed pension disbursement system through the use of ICT based applications. It is hoped that in addition to ease of doing business, reformed pension disbursement

system will allow the pensioners to have access to additional instruments / products for receipt of pension. The system is intended to be piloted first in Lahore District which has the maximum number of existing pensioners. After the successful implementation of the pilot, the same will be up scaled and rolled out to other districts of Punjab Province.

5.3.3 Pension Payments – Current Dispensation

Pension papers with the formal sanction of Pension Sanction Authority are submitted to District Accounts Officer (DAO) / Accountant General Office (AG) for issuance of Pension Payment Order (PPO). DDO / AG Office issues PPO after due verification of pension papers. Pension is paid manually either by Treasury Officer or by National Bank. After disbursement, claim is lodged by Treasury Office / National Bank for reimbursement. In the current system, after issuance of the PPO there is disconnect between Accounting Office and Disbursing Authority. Pensioner or his representative visits NBP / Treasury Office for disbursement of pension. Appearance of the pensioner twice a year in the NBP / Treasury Office is mandatory as a proof of his / her life. Any change in pension on account of annual revision is posted manually by NBP/ Treasury Office. The current system for pension disbursement is cumbersome and lacks transparency.

5.3.4 Reformed Pension Disbursement System – Drawl through Bank Account

Assisting pensioners in receipt of pensions by providing an option of pension disbursement through scheduled commercial banks in addition to existing mechanism of pension disbursement only through National Bank / Treasury is an important part of reformed pension disbursement system. Under this system, it has been envisaged that there would be front loading of the pensionery benefits on the analogy of payroll through pension roll system in SAP R/3 system of PIFRA. Pensioners would be entitled to pension disbursement inside and outside the branches of scheduled banks by provision of various instruments such as ATM, Debit Card etc. Biometric enrolment, verification and authentication of biometric verices of pensioners shall be undertaken by NADRA. Electronic pension disbursement and revision in pensionery emoluments announced by the Government from time to time shall be made by respective Accounting Offices / Banks. For effective functioning of this system, technological integration of various offices/ entities involved in pension disbursement i.e. Accountant General / DAOs, PIFRA, NADRA and banks have also been envisaged. Moreover, for pensioners establishment of facilitation centre has also been visualised in office of Accountant General Punjab not only for submission and tracking of pensionery documents through one window operation but also for recording and addressing the complaints relating to pension.

5.3.5 Financial inclusion Program through use of Information Communication Technology (ICT)

An automated pension disbursement has the potential to be an important milestone in the financial inclusion program being jointly pursued by State Bank and Government of Punjab. By accessing modern banking services through this program, pensioners will find drawl of pension

much easier in comparison with the erstwhile manual, cumbersome and non-transparent system. Greater number of pensioners to be brought in this system over a period of time will encourage banks to offer better services to hitherto uncovered population.

5.3.6 Uniqueness and impact of Innovation

Cash withdrawal by pensioners' through branchless banking outlets and bank-led model of mobile companies is unique in a sense that it even saves them from visiting the bank. The innovation will be of great convenience to pensioners'. Further, biometric verification of pensioners' including proof of their life through NADRA will allow the pensioners to get these particulars recorded without visiting to NBPs/Treasury Offices and waiting in queue for verification of their particulars manually. The pensioners will also be encouraged to save as withdrawal of the money will take place when it is actually needed by the pensioner. A host of banking disbursement modes e.g. Cheque, Debit Card, ATMs, branchless banking outlets like UBL Omni and bank-led model of mobile companies will facilitate pensioners as they can withdraw anytime from anywhere in Pakistan. The automated pension disbursement will bring greater transparency and accuracy into the whole system. It will also help in reducing the leakages in the system.

5.3.7 Seamless transition from a serving civil servant to a pension

Reformed pension disbursement system besides offering new avenues of withdrawal of pension would also focus on 'seamless transition' of a civil servant to a pensioner. The project has been designed in a manner where in collaboration with AG/DAOs and Administrative Departments, a data of retiring civil servants for year 2012 and 2013 has been retrieved from PIFRA system relating to Lahore district. Currently, data cleansing exercise aimed at verification of particulars of serving civil servants recorded in the automated data on payroll is being undertaken. It has been visualized that once this system is fully operational, shifting / transition of pensioners would be possible in a seamless manner. Moreover, while issuing the Pension Payment Order (PPO), retrieval and comparison of the corrected data of civil servants by AG / DAOs for allowing pensionary emoluments would be far easier than the current system of manual recording.

5.3.8 Institutional arrangements for Reformed / Automated Pension Disbursement System

In order to accomplish specific verification needs of particulars of pensioners, NADRA and PIFRA will chalk out an arrangement of technological integration of set of data being maintained by NADRA and accounting offices in automated SAP R/3 PIFRA system. This technological integration will be of great importance as its success will open new avenues for disbursement of other welfare payments by use of Information Technology tools to be implied under this system.

Commercial banks, office of the Accountant General Punjab, District Account Offices will be the key partners in reformed pension disbursement system. SAP R/3 system with its expected updated and improved version shall serve as a backbone of automated pension disbursement

system. Commercial banks will partner in this initiative as the government intends to broaden the scope of admissible pensionary benefits through commercial banks.

Key steps involved in the reformed pension disbursement system shall inter-alia include the following:

- (i) Creation of a dedicated project office in the Finance Department if warranted.
- (ii) Establishment of Facilitation Center at AG Punjab similar to one already functional with Project to Improve Financial Reporting & Auditing (PIFRA), Islamabad.
- (iii) Arrangements with NADRA for Biometric identification and verification of pensioners at the time of account opening and subsequent proof of life, and available of network of kiosks at banks and AG Office / DAOs.
- (iv) Capacity building of DAO's / Treasury Officers / AGs Office.
- (v) Retrieving of manual records of existing pensioners from NBP/Treasury Office and putting them into SAP R/3 after correction of anomalies in recorded data if any.
- (vi) Creating awareness of the new scheme through publicity of the scheme
- (vii) Establishing reliable network connectivity and end-user computing stations at DAOs/Treasury offices/AG office - only where necessary.
- (viii) Setting-up a proper data archival mechanism.

5.3.9 Planned Project Implementation and Up-scaling

Automated pension disbursement system is being piloted in Lahore district. Once all the project parameters are in place and transition from manual to automated pension disbursement is successfully achieved, the project will be up-scaled in other districts of the Province. Successful implementation of automated pension disbursement system will encourage the Government to implement automated disbursements in other departments. It is expected that transition from manual to automated pension disbursement will be accomplished in Lahore district in FY 2012-13.

Chapter 6

DEBT AND CONTINGENT LIABILITIES

Government has embarked upon a comprehensive reform package for strengthening provincial finances. Management of outstanding debt and contingent liabilities in a prudent manner is an integral part of this reform agenda. Effective management of debt and contingent liabilities is also expected to provide the requisite fiscal space, which can then be utilized for investments in social, economic and industrial sectors of the economy.

Review of overall fiscal position of the province would remain incomplete if future financial obligations of the government are not taken into account. Conventional fiscal management in the past focused only on the explicit liability of the Government without taking into consideration the growth in unfunded and deferred obligatory payments like Pension and General Provident Fund. Further, payments accruing due to issuance of Letters of Comfort by Government of Punjab to bail out certain financial institutions including banks working under the provincial ambit were not properly documented while ascertaining the debt liability for a particular financial year.

Accordingly, White Papers for FY 2010-11 and FY 2011-12 provided a summary of both the explicit and implicit liabilities. Following this practice, the reporting of such liabilities in a transparent, comprehensive and a predictable manner is being continued for FY 2012-13. Importance of such disclosures is also significant in the circumstances where provincial government intends to forge an equitable and transparent partnership with private sector for important infrastructure undertakings. Investment partners from the private sector or lenders would definitely feel confident by these statistics before making any investment or lending decision.

6.1 DEBT OUTSTANDING

The total outstanding debt stock of the Punjab Government (as of June 30, 2012) would stand at Rs.414.556 billion, which includes a domestic loan of Rs.59.844 billion and foreign debt to the tune of Rs.354.712 billion (Table 6.1). In percentage terms, the domestic debt constitutes 14.4% while foreign debt accounts for 85.6% of the total debt liability.

Table 6.1
Debt Stock of the Provincial Government as of 30.06.2012

	<i>(Rs. in Billion)</i>	
	Principal	Percentage
Total Domestic Debt	59.844	14.4%
Total Foreign Debt *	354.712	85.6%
Total Debt	414.556	100.0%

* Debt stock of foreign debt as on 30.06.2012 has been recorded in accordance with disbursement / likely disbursement of foreign loans.

The proportion of foreign loans in the total debt stock is high due to constitutional bar on provincial government to raise domestic debt. In case of foreign loans, the foreign currency in which the loan is negotiated is retained by the Federal Government to meet its foreign exchange needs and the share of the province is transferred in equivalent Pak Rupees. However, foreign exchange risk is picked up by the Provincial Government in most of the cases. On the basis of loan agreements of foreign loans, total debt 'commitment' of foreign loans was to the tune of Rs.416.065 billion as recorded in White Paper 2011-12. However, debt stock of foreign loans as on 30th June, 2011 was to the tune of Rs. 344.514 billion in accordance with the 'disbursement' of foreign loans on that date. During financial year 2011-12, new foreign loans equivalent to Rs.13.590 billion were received. Moreover, Government also retired Rs.14.788 billion during this financial year. Depreciation of Pak Rupee has contributed an amount of Rs. 11.396 billion to the increase in the size of foreign debt stock. Consequently, total foreign debt stock of the Government as of June 30th, 2012 works out to Rs. 354.712 billion. Details of debt stock of Punjab Government as on 30.06.2012 is at Annex-II of the White Paper.

As per universally acclaimed principles of determining the admissible debt for a particular government, tax to GDP ratio in the context of Federal Government and tax to GRP ratio in case of sub national / provincial governments is a better indicator as compared to the total debt stock on a particular date. In this regard, it would be pertinent to add that debt to GDP ratio of Punjab Government was 5% as on 30.06.2008 whereas the said ratio was 4.5% as on 30.06.2011. In terms of total outstanding debt to the tune of Rs.414.556 billion, as on 30.06.2012, debt to GRP ratio of Punjab province has further reduced to 3.28%. Pattern of tax to GRP ratio from 2007-08 onwards is shown in the graph below:

Outstanding domestic debt stock of the Government of the Punjab as of 30th June, 2011 was Rs.76.147 billion. An amount of Rs. 16.303 billion was repaid by the Government. In this way the total liability of the Government on account of domestic loan liability stands at Rs.59.844 billion.

Different components of this liability have been shown in Table 6.2 below:

Table 6.2
Domestic Debt

(Rs. in Billion)

Type of Loan	Principal
CDL Normal	24.123
CDL SCARP	10.244
Blocked Account	18.027
Loan from SBP for Capitalization of BOP	7.450
TOTAL	59.844

Debt servicing cost of both the Foreign and Domestic loans has been shown in the table below:

Table 6.3
Budgeted Estimates for Debt Servicing both Domestic and Foreign Debt for the FY 2012-13

(Rs. in Billion)

	Principal	Interest	Total Debt Servicing
Domestic Debt	22.992	11.857	34.849
Foreign Debt	12.473	4.327	16.800
Total Debt	35.465	16.184	51.649

It is important to point out that the repayment of domestic loan will be relatively high during FY 2012-13 due to the following:

- i. Repayment of Rs.12.72 billion pertaining to blocked account;
- ii. Repayment of Rs.4.9 billion pertaining to liability of Rs.10.0 billion borrowed from State Bank of Pakistan for Advance Subscription Money to Bank of Punjab.

The repayment of liability at Sr. No. i will end in FY 2013-14 whereas repayment at Sr. No.ii is for FY 2012-13 as the amount of Rs.4.9 billion is to be repaid to State Bank of Pakistan after issuance of right shares by Bank of Punjab. Therefore, from year i.e. 2013-14, the repayment of domestic debt is likely to go down from the current level.

6.2 PENSION AND GENERAL PROVIDENT FUND LIABILITIES

Government has a Defined-Benefit Pension Scheme for its permanent employees. Traditionally the Pension Scheme was being managed on 'pay-as-you-go' basis i.e. pension payment during a year was made out of that year's revenues regardless of point of accrual of a particular liability. Considering the rising burden of pension payments, Government has, over the last few years, been following a more systematic approach towards assessment, reporting & funding of these liabilities.

In addition to the Pension Scheme, Government requires its permanent employees to subscribe to the General Provident Fund which is a Defined Contribution Scheme. General Provident Fund contributions are deducted from salaries of Government employees and credited to GP Fund Account which is a part of the Public Account of the province. The Government has a fiduciary responsibility for these contributions. However, to avert the possibility of using Public Account balances as a borrowing window for Government expenditures, there was a need to create a separate GP Fund. Further, there was also a need to replenish the amounts earlier utilized from GP Fund Account due to the fact that the Government maintained a common cash balance for both Provincial Consolidated Fund and Public Account.

Following major steps have been taken by the Government for improving the management of its contingent liabilities:

- Actuarial Assessment of Pension and General Provident Fund liability of Government is being made on a regular basis;
- Funding strategies for meeting the Pension and General Provident Fund liabilities have been adopted and are regularly reviewed and updated in the Medium Term Budgetary Framework (MTBF); and
- Punjab Pension Fund and Punjab General Provident Investment Fund have been created to invest the funds (set aside by the Government for meeting, at least partially, its future Pension and General Provident Fund liabilities) in accordance with the investment policies approved by the Management Committee of the Fund.

During last two financial years, to cater for its infrastructure development needs and to absorb the impact of increase in salary and pension of government employees in financial year 2010-11 and 2011-12, Punjab Government could not provide the amounts budgeted for capitalization of the GP Fund and Pension Fund. However during FY 2012-13, Punjab Government intends to provide an amount of Rs.3.0 billion for capitalization of the GP Fund and Rs.5.5 billion for Pension Fund which covers in part arrears of prior years.

6.2.1 Pension Liability

The estimated accrued pension liability of active employees and pensioners (combined) as of 30th June 2010 is Rs. 687.7 billion detailed below:-

Table 6.4

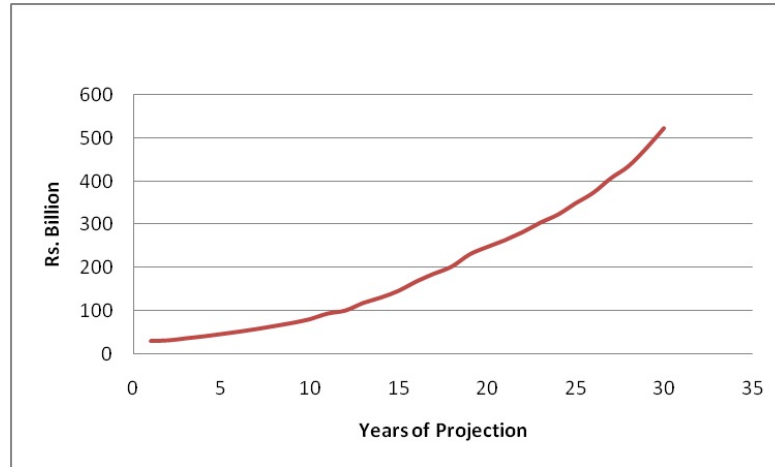

(Rs. in billion)

	No of employees/pensioners	Accrued Liability
Active Employees	938,511	401.9
Pensioners	436,995	285.8
Total	1,375,506	687.7

Increase in pension payments over 30 years time scale is illustrated in Annex-III:

Graphical representation of expected pension payments over the next 30 years is as under:

Figure6.1
Expected Pension Benefit Payments

It may, however, be noted that despite increase in pension liability, the liability as percentage of total Government revenue is expected to remain within 8% of the total revenue as shown below:-

Figure 6.2
Pension Expenses as Percentage of Revenue

6.2.2 General Provident Fund Liability

The amount of GP Fund payment of a Government employee is the accumulated contribution deducted from his/her salary during service plus interest announced by the Government on such contributions on annual basis. As per the Actuarial Assessment, the accrued GP Fund liability of in service employees as of 30th June, 2010 is Rs. 86.9 billion.

Increase in GP Fund payments over 30 years time scale is illustrated in Annex-IV.

Graphical representation of expected GP Fund payments over the next 30 years is as under:

Figure 6.3
Expected GP Fund Payments

The growth in GP Fund balances (i.e. liability), assuming interest credited to GP Fund balances at rate of 12% per annum, for the next 30 years, is illustrated in Annex-V.

6.2.3 Assumptions underlying actuarial assessment of contingent liability

For the purpose of actuarial valuation of Punjab Government pension and GP Fund schemes, the following assumptions have been used:

- Rate of inflation 10% p.a.
- Rate of return of Fund 12% p.a. (Real return 2% p.a.)
- Employees' Salary growth 11% p.a. (Real growth 1% p.a.)
- Pension growth rate 8% p.a. (Real growth -2% p.a.)
- GP Fund subscriptions growth rate 8% p.a.
- Govt. Revenue growth rate 10% p.a.
- Increase in employees 1% of total active employees at beginning of the year

6.2.4 Funding Strategy

Funding strategy 2010-40 aims at:

- (i) Building up reasonable pension assets during the next 5-10 years with a view not only to discharge a major of pension expense as an off-budget item but also to cater for any expected or unexpected spikes in pension expenditures through the earnings of the Punjab Pension Fund. This in turn will create fiscal space to meet partial pension outgo, if needed. The funding would be made available from provincial resources.

- (ii) The Government would transfer equivalent amount from the Provincial Consolidated Fund to the annual employees GP Fund contributions every year and in addition would amortize past arrears of GP Fund annually from the Provincial Consolidated Fund for the next 30 years.

During the initial 5 years, contributions will be relatively limited, owing to the continuing economic downturn which has a direct correlation with the tax collection effort. Thereafter, it is expected that greater resources would be spared for funding the Pension and GP Fund liabilities once the economic situation stabilises. The table below illustrates the funding strategy for the next five 5 years:

Table 6.5
Funding Strategy 2012-17

(Rs. in billion)

Financial Year	Annual Regular Contribution deducted from Salaries	Past GP Fund Liability Amortization Instalment	Total Amount of Pension Fund Contribution	Total Contribution
2012-13	6.7	3.0	3.0	12.7
2013-14	7.4	3.0	3.0	13.4
2014-15	8.1	4.0	4.0	16.1
2015-16	8.9	5.1	6.0	20.0
2016-17	9.8	6.2	6.6	22.6

After accumulation period, 5% of the basic pay budgeted for the provincial employees will be contributed to the Punjab Pension Fund.

*Other assets include prepaid expenses for management and book value of fixed assets of the Fund

- Long-term investments consist of PIBs and TFCs whereas short-term investments consist of T-bills and bank deposits.
- The Fund has been switching short-term exposure between T-bills & short-term bank placements in pursuit of higher rates of return.

Fund's Performance

- Time Weighted Return (TWR) earned by the Fund is summarized as under:

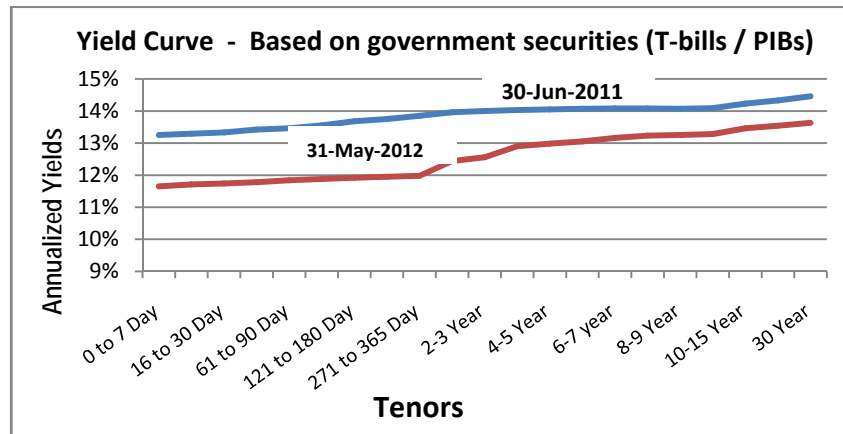

Period	Annualized Return for the period		CPI Inflation	Long-term Benchmark
	Gross Return	Net Return*		CPI Inflation + 3%
FY 2008-09	15.21%	15.00%	13.14%	16.14%
FY 2009-10	13.79%	13.61%	12.69%	15.69%
FY 2010-11	13.48%	13.32%	13.13%	16.13%
Jul 2008-Jun 2011 (CAGR) **	14.16%	13.97%	12.99%	15.99%
Jul 2011 – May 12	13.98%	13.81%		

*Net Return means the return after deducting expenses incurred on management of PPF

** CAGR means Compound Annualized Growth Rate

- Inflation rates over the last 3-4 years have been much higher than our long-term inflation expectations of 9%-10% p.a. Interest rates have also been higher than our long-term expectations.
- The Fund plans to gradually increase its investment in long-term fixed-rate instruments consisting mainly of PIBs. The Fund's investment in long-term PIBs stands at 57.6% of Fund size at the end of May 2012.

- During the eleven months of the current financial year, inflation and interest rates have declined considerably. Despite that, PPF is set to earn a stable (net) rate of return in the range of 13.8% during the FY 2011-12 due to its large PIB portfolio and timely placement of a sizeable amount in TDRs at attractive rates. The following chart shows the downward shift in yield curve since Jun 2011:

Growth in Assets vs. Liabilities and Funding Ratio

- As per the last Actuarial Assessment Report, the present value of pension liabilities of the Government of the Punjab stood at Rs. 687.7 billion as on 30th June, 2010.
- The actual assets of PPF stood at Rs. 15.4 billion as on 31st May, 2012.
- If PPF was envisaged as a fully funded pension plan, the value of its assets would match the value of the total pension liability of the Government of the Punjab, and the funding ratio (the ratio of its assets to its liabilities) would equal one (or 100%). This would mean that for the accrued pension liabilities, the Government of the Punjab would not have to earmark any budgetary resources because these would be met by PPF from the return on its assets.
- Currently the Government of the Punjab does not have an explicit target for the Funding Ratio. The desired Funding Ratio can be inferred from the projected injections of funds in PPF by the government as stated in the Medium Term Budgetary Framework 2009-12 announced by Government of the Punjab. If the injections of funds were to stay on course and there were no withdrawals then at the current average rate of return on PPF funds, the projected funding ratio in the foreseeable future is expected to stay in the range of 2%-2.5%.
- When interest rates go down the rate of return on assets can also dip. Consequently, pension plan would require more assets to pay the pension liabilities promised to the employees. Thus a decline in interest rates can lower the Funding Ratio of a pension plan further.

- In order to properly manage a pension plan, two things are important.
 - Firstly, the Funding Ratio of the pension plan should be high so that sufficient assets vis-à-vis the liabilities are available. A Funding Ratio of 100% is ideal.
 - Currently, the Funding Ratio of the pension plan is in the range of 2% which means that the current level of assets is sufficient to meet only 2% of accrued pension liabilities of the Government of the Punjab. This Funding Ratio is clearly quite low and the government may consider increasing this ratio which would require a long-term and sustainable plan of gradual injection of funds into the pension plan.
 - Secondly, the Fund should preferably make long-term fixed-rate investments whose maturity is as close as possible to the maturity of pension liabilities. With fixed-rate investments, the rate of return on the assets of the Fund will be less vulnerable to the fluctuations in the market rate of interest.
 - Considering the importance of long-term fixed-rate investments, PPF has invested 57.6% of its assets in long-term fixed-rate bonds at 31st May, 2012 and remains ready to invest further as opportunities to invest long-term at attractive fixed rates arise.

6.2.6 Reporting of Pension and GP Fund Liabilities as per IPSAS 25:

Pension and GP Fund liabilities of Government as on 30th June, 2010 as per IPSAS 25 reported in the Actuarial Report has been summarized at Annex-VI of White Paper.

Chapter 7

LOCAL GOVERNMENT FINANCE

Provincial Finance Commission (PFC) Award was decreed in July 2006 as the Punjab Specification and Distribution of Provincial Resources Order 2006. The award replaced the interim PFC arrangement of 2002-03 which only permitted incremental increase on the basis of historical expenditures of local governments. PFC Award of 2006 factored in fiscal capacity of all levels of local governments; passed on UIP tax proceeds to the TMAs; provided funds to Union Administrations on population/delimitation basis; distributed development grants to the districts 50% on the basis of population and 50% based on development index; and allowed additional resources to the City District Governments to perform municipal functions.

PFC Award 2006 laid down a more structured, transparent, and equitable mechanism for resource allocation to the local governments. The award also apportioned risks amongst the provincial and local governments by offering a more transparent and predictable inter-governmental fiscal transfer system to the local governments. After the expiry of the term of PFC Award on June 30, 2009, the resource transfers to local governments are being made in terms of Section 120(F)(5) of Punjab Local Government Ordinance 2001 which allows the order to remain in force till such time that the new award is announced. Since the tenure of local governments have expired, new PFC has not yet been constituted. Once the functional distribution between the provincial and local governments is finalized and enabling legal framework is approved by the Provincial Assembly, constitution of new PFC would be announced to determine the shares of Provincial Allocable and Provincial Retained Amounts. Pending the constitution of new PFC, resource distribution on interim basis is being made on the principles / parameters prescribed in Specification and Distribution of Provincial Resources Order 2006.

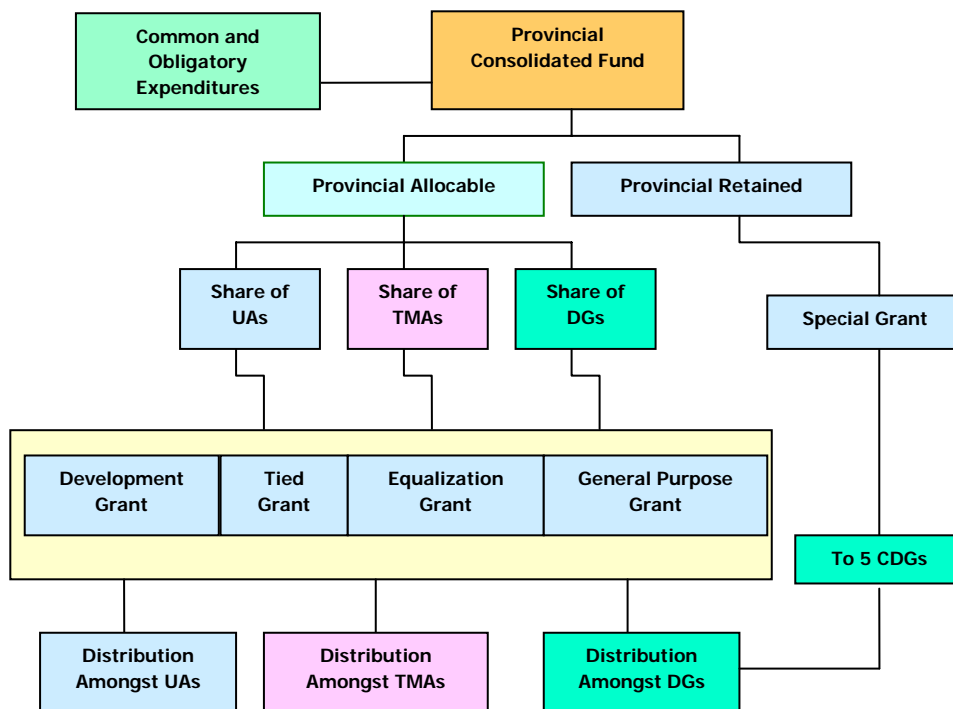

Given the inherent inelasticity of current expenditure and substantial increase in salary and allowances of civil employees of the government announced in last two years, most of the District Governments are finding it extremely challenging to finance their obligatory expenses. Coupled with abysmal revenue generation effort, most of the local governments are experiencing periods of profound fiscal distress. Recognizing the negative implication of these constraints, an objective analysis for ascertaining the actual fiscal needs of District Governments has also been

undertaken. Findings of this analysis suggest that in addition to genuine fiscal constraints, this distress in few cases is also attributable to imprudent financial management practices i.e. creation of certain posts without availability of corresponding finances. To help fiscally distressed local governments, in FY2011-12, Provincial Government has provided additional resources to the tune of Rs.1,681.661 million to these District Governments. Simultaneously, local governments have also been urged to observe better fiscal discipline and improve their own source revenue.

Provincial government is also fully cognizant of the fact that empowering and strengthening of local government system is a key for ensuring equitable development throughout the province. Identification of development priorities by local representatives and execution of development initiatives by local governments with community involvement and participation shall remain as a preferred option to foster economic development and growth throughout the province.

In line with the principles envisaged under the Provincial Finance Commission, 2006, the funds to the local governments are being allocated for financial year 2012-13. The Figure below reflects the components of resource transfer from the Provincial Consolidated Fund to the local governments under the PFC Award

Figure 7.1

The pattern of resource distribution to the local governments since 2006 onwards and the budget estimates of 2012-13 are summarized in the Table 7.1:-

Table 7.1
Allocation to Local Governments under the PFC Award 2006

(Rs. in Million)

Year	District Governments	Tehsil Municipal Administrations	Union Administrations	Total
2006-07	106,189.631	7,381.457	4,008.780	117,579.868
2007-08	106,321.834	18,531.551	4,630.732	129,484.117
2008-09	109,129.910	18,780.695	4,807.658	132,718.263
2009-10	107,351.472	15,208.800	4,818.730	127,379.002
2010-11	131,653.000	13,800.000	5,018.730	150,471.730
2011-12(RE)	165,050.660	15,151.000	5,247.837	185,449.497
2012-13	186,783.105	17,000.000	6,000.000	209,783.105

Note: Total resource transfer to local governments includes the amounts allocated / transferred under current, development, grant-in-aid and other miscellaneous grants as envisaged in PFC.

Note: District wise detail of the allocations of the District Government for the FY 2011-12 and FY 2012-13 are appended as Annex-VII of the White Paper.

Analysis of the figures tabulated above show that there is an incremental increase in the PFC share of District Governments from 2006-07 to 2008-09 except in FY 2009-10 when there were less allocations than FY 2008-09. Due to economic downturn in that particular year, there was a shortfall in the revenue realization both under Federal Transfers and Provincial Receipts resulting in less resource transfer to the local governments. From 2010-11 onwards, resource transfers to local governments has increased as a consequence of higher Provincial Receipts. Moreover, in current financial year, budget estimates under PFC have been revised upwards to absorb the impact of increases in salary and allowances, greater recurring expenditure needs as a result of more development spending and to cater for increasing cost of acquisition of goods and services as a result of high inflation.

7.1 ESTIMATES OF RESOURCE DISTRIBUTION TO LOCAL GOVERNMENTS UNDER PFC 2006

Table 7.2 shows the horizontal distribution of resource between different tiers of local governments for FY 2011-12 and FY 2012-13 under the PFC Award, 2006.

Table 7.2

Total Resource Transfer to Local Governments

(Rs. in Million)

Local Governments	PFC Transfers 2011- 12(BE)(Excluding Tied Grants)	PFC Transfers 2012- 13(Excluding Tied Grants)	Percentage change
District Governments	148,000.000	186,783.105	26.2%
Tehsil Municipal Administrations	15,570.000	17,000.000	9.2%
Union Administrations	5,018.730	6,000.000	19.6%
Cantonment Boards	1,200.000	1,200.000	--
Total	169,788.730	210,983.105	24.3%

In terms of overall resources to be made available to local governments in FY 2012-13, an increase of 24.3% is being adopted in the budget estimates for FY 2012-13 against the budget estimate of FY 2011-12. Projected resource allocation to local governments in FY 2012-13 shows an increase of 26.2% to District Governments, 9.2% in respect of TMAs and 19.6% for Union Administrations against budget estimate of FY 2011-12.

While determining the expenditure needs of local governments, it has however been observed that most of the local governments have failed to tap the potential avenues of revenue within the local government taxation system. Resultantly, in comparison to increase in current / recurring expenditure of these governments, the revenue realization has either remained stagnant or had actually plummeted over a period of time. It is apprehended that the sustenance of local government system may be jeopardized if these governments continue to look towards provincial government for easing their fiscal distress without focusing on improving their revenue generation.

General Provident Fund

The Punjab Government is not a contributor to General Provident Fund. Employee is the sole contributor to this benefit. The money paid to the employees at the end of their service is the accumulated contributions with announced interest rates for various years.

As per IPSAS25:

- definitions given in **paragraph 10** of the Standard, Employee Benefits are all forms of consideration given by an entity in exchange for service rendered by employees;
- introduction note **IN1** of the Standard, benefits that are not consideration in exchange for service rendered by employees or past employees of reporting entities are not within the scope of this Standard; and
- **paragraph 28** of the Standard, for a post retirement benefit plan to be classified as a defined contribution plan, the entity must pay fixed contributions into a **separate entity**.

Keeping in view the above paragraphs and the nature of the GP Fund benefit, it is interpreted that reporting of this scheme does not fall under this Standard. However, if disclosures are prepared as per IPSAS25, they would be as follows:
