#### D. Withholding tax on Dividend

- Pursuant to the provisions of the Finance Act 2018 effective July 1, 2018, the rate of deduction of income tax from dividend payments has been prescribed as follows:
  - i. Rate of tax deduction for filers of income tax return – 15%
  - ii. Rate of tax deduction for non-filers of income tax return 20%

Shareholders whose names are not entered into the Active Tax-payers List (ATL) available on the website of FBR, despite the fact that they are filers, are advised to immediately make sure that their names are entered in ATL, otherwise tax on their cash dividend will be deducted @ 20% instead of 15%.

- II) Withholding Tax exemption from the dividend income, shall only be allowed if copy of valid tax exemption certificate is made available to Company's Share Registrar by the first day of book closure.
- III) Further, according to clarification received from FBR, withholding tax will be determined separately on "Filer/Non-filer" status of principal shareholder as well as joint-holder(s) based on their shareholding proportions.

In this regard all shareholders who hold company's shares jointly are requested to provide shareholding proportions or principal shareholder and joint-holder(s) in respect of shares held by them (if not already provided) to Company's Share Registrar, in writing as follows:

|                 |                        |              | Principal S        | hareholder                                    | Joint Sha          | areholder                                     |

### STATEMENT OF MATERIAL FACTS UNDER SECTION 134 (3) OF THE COMPANIES ACT, 2017

#### Item 5

The Directors of the Company are of the view that the Company's financial position justifies issuance of bonus shares in the ratio of fifteen shares for every hundred shares held.

The Directors are interested in the business to the extent of the entitlement of bonus shares as shareholders.

#### Item 6

The approval is being sought for fixing the remuneration of Executive Director(s) including the Chief Executive Officer of the Company in accordance with their terms and conditions of service.

None of the Directors of the Company have any, direct or indirect, interest in the above said special business, except that mentioned therein.

#### Item 7

All transactions of the Company with the related parties were approved by the Chief Executive Officer on behalf of the Board. Transactions conducted with all related parties have to be approved by the Board of Directors duly recommended by the Audit Committee on quarterly basis pursuant to clause 15 of the Listed Companies (Code of Corporate Governance) Regulations, 2017. However, during the year since majority of the Company's Directors were interested in certain transactions due to their common directorships in the group companies, these transactions are being placed for the approval by shareholders in the Annual General Meeting:

The Company carries out transactions with its related parties on an arm's length basis as per the approved policy with respect to 'transactions with related parties' in the normal course of business. All transactions entered into with related parties require the approval of the Board of Audit Committee of the Company, which is chaired by an independent director of the Company. Upon the recommendation of the Board of Audit Committee, such transactions are placed before the board of directors for approval.

Transactions entered into with the related parties include, but are not limited to, sale of goods, dividends paid, (in accordance with the approval of shareholders and board where applicable) and salaries and other benefits paid to the key management personnel.

The nature of relationship with these related parties has also been indicated in the note 39 to the unconsolidated financial statements for the year ended June 30, 2018. The Directors are interested in the resolution only to the extent of their common directorships in such related parties.

#### Item 8

The Company shall be conducting transactions with its related parties during the year ending June 30, 2019 on an arm's length basis as per the approved policy with respect to 'transactions with related parties' in the normal course of business. The majority of Directors are interested in these transactions due to their common directorship in the holding / associated companies. In order to promote transparent business practices, the shareholders desire to authorize the Board of Directors to approve transactions with the related parties from time-to-time on case to case

basis for the year ending June 30, 2019, which transactions shall be deemed to be approved by the Shareholders. The nature and scope of such related party transactions is explained above. These transactions shall be placed before the shareholders in the next AGM for their formal approval/ratification.

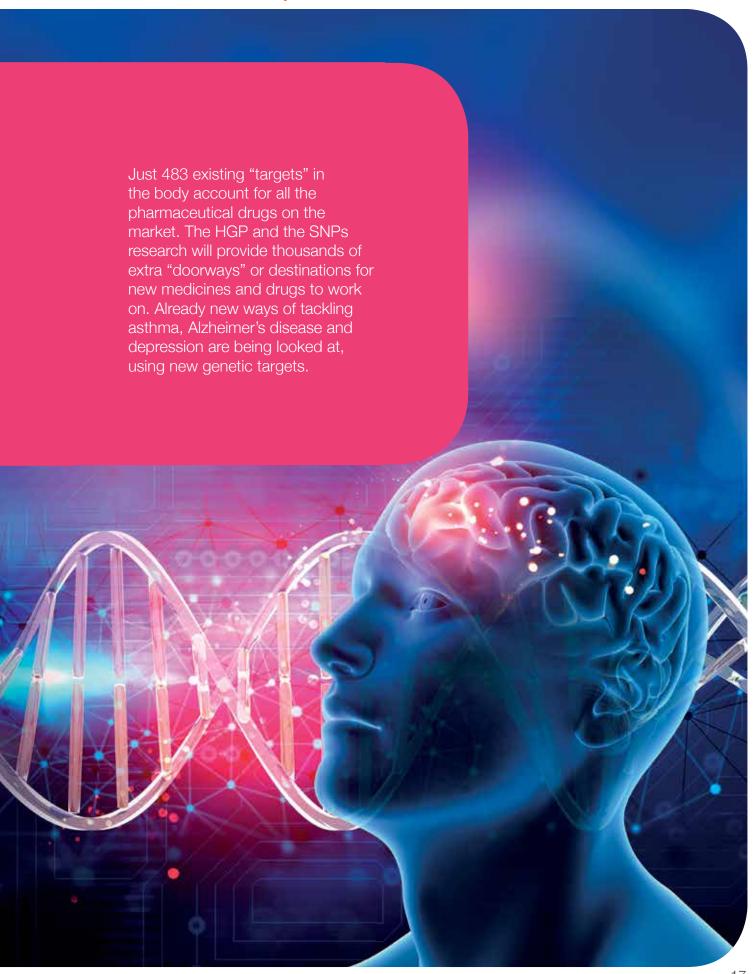

The Directors are interested in the resolution only to the extent of their common directorships in such related parties.

### CHAIRMAN'S REVIEW

For the year ended June 30, 2018

The year 2017-18 for The Searle Company Limited has been a prosperous year on multiple fronts. Being one of the most highly reputed pharmaceutical companies headquartered in Pakistan and despite of the challenging economic conditions, where foreign currency fluctuations impacted the industry as a whole, the Company still managed to achieve impressive revenue growth & profitability over the past few years and contributed significantly in improving the lives of millions of patients across the world.

#### **Industry and Business Overview**

The size of the pharmaceutical industry in Pakistan is currently approximately US\$3.1 billion, with an annual growth rate of approximately 15%. There are more than 700 pharmaceutical manufacturing units in Pakistan, exporting products worth over US\$200 million to more than 60 countries. The outlook for the industry remains positive, which is encouraging for the Company's future aspirations & growth.

The recent economic conditions have raised challenges on the industry as a whole. It is a fact hidden from none that the chemical industry of Pakistan has capacity constraints to develop the basic components required for the manufacturing of drugs. Therefore, the industry resorts to imports of raw materials. Due to this significant dependability, fluctuation in exchange rates coupled with stiff price regulations directly affects the product margins and consequent commercial feasibility. Pakistani rupee has recently experienced double-digit depreciation which has put pharma industry under immense pressure.

Further, due to overly regulated drug pricing mechanism, volatility in retail prices is a concern of paramount importance for us. Delays in new product approvals also poses key threats for the industry as a whole. However, with the change in recent political scenario, we will have to wait to assess the future economic trends and modify our strategies accordingly.

Searle has attained prominence in many therapeutic areas through its quality products and the dedication of its exceptional people. We have an established legacy of creating tremendous value for all our stakeholders and we continue to accelerate our efforts to make a lasting positive impact for them and the societies in which we operate.

#### **Review of Financial Performance**

Searle's financial performance has been outstanding over the past several years and the Company's

performance during the year ended June 30, 2018 has continued on this positive trajectory. The Company has created tremendous value for its shareholders through consistent double-digit growth and profitability.

The year ended June 30, 2018 has been an exciting one for Searle, building on the financial performance of the previous years. I am pleased to share the following financial highlights.

- Sales of the company grew to Rs. 12.91 billion, at a growth rate of 20.06%
- The gross profit margins in the current year dropped to 34.35% as compared with 38.86% of the preceding year, mainly on account of foreign currency fluctuation.
- The profit after tax of the company grew by 15.55% to Rs. 3.05 billion

#### **Key Initiatives**

Searle continues to advance its market share in the Pakistan domestic pharmaceutical market, particularly in the segments of Cardiovascular, Cold & cough, Diabetes, Infant formula, Probiotics and Antibiotics. Moving forward, we are focusing on enhancing our share of specialty generic branded portfolios and targeting differentiated products.

Quality of products is a concern of paramount importance to us; therefore, our key priority is to ensure continuous CGMP & Regulatory compliance while increasing our product volumes and portfolio. In the past years, Searle has invested in new manufacturing equipment and facility upgrades and is continuing to improve its processes and human capabilities to meet global regulatory standards at all manufacturing facilities.

As part of our continuous improvement initiatives, Searle has also implemented a robust enterprise resource planning system (SAP), which we expect will enable our Company to have increased control over inventories, facilitate agile financial decision-making and improve performance management.

### Review on Board's Performance u/s 192 of the Companies Act 2017

The Board is committed to operate at the highest standards of corporate governance. The work of the Board and its Committees during the year focused on

ensuring compliance with all statutory and regulatory requirements applicable upon the Company.

There were seven meetings of the Board of Directors held in year ended June 30, 2018. In addition, there were five meetings of the Audit Committee of the Board.

As required under the Code of Corporate Governance, an annual evaluation of the Board of Directors of the Searle Company Limited was carried out for the financial year ended 30 June 2018.

I am pleased to report that the overall performance of the Board was found satisfactory, based on an evaluation of the following components:

- Corporate governance structure and Compliance with regulations: The Company has a well-developed and transparent corporate governance system, with regular oversight by the Board.
- Board Composition: The Board comprises members with rich professional experience in various domains, having strong financial & analytical abilities and independent perspectives.
- Strategic planning: The Board actively engaged with the management to monitor the Company's performance against its established strategy, goals and targets. Further, the Board has a strategic view of how the organization will evolve over the next three to five years.
- Execution of duties: All Board members and members of Board Committees diligently performed their duties by thoroughly reviewing, discussing and approving business plans, financial statements and associated documents.
- Resource management: The Board provides appropriate direction and oversight on a timely basis to ensure optimal utilization of resources.

### **Future Outlook**

Looking ahead to next year, the Company will continue to focus on developing the Searle brand, its products and people. The Company renews its pledge to remain committed to excellence, innovation and remain prepared to overcome any challenges. The Board firmly believes that the Company is well-placed to deliver on its short and long-term strategic objectives and continue sustainable growth. In order to enhance long-term shareholder value and to drive

future growth and profitability, Searle has embarked on multiple initiatives both locally & globally. We are strengthening with every passing day and are on our way to attain leadership position in key markets and business segments.

In Pakistan market, the therapeutic areas which Searle has over the years strengthened include cardiovascular, cold & cough, diabetes, infant formula, pro-biotic and antibiotics. Moving forward, we are focusing on enhancing the share of specialty generic branded portfolio and targeting differentiated products. For the longer run, Searle is focusing on emerging portfolios including, bio-similars, medical devices, nutraceuticals and genome sciences.

At Searle we all are emotionally motivated and willing to contribute enthusiastically on continuous basis. Same is the case with our partners, suppliers and customers, for which we are thankful and expect the same zeal and zest for future contribution. We assure Searle will continue to work hard to provide long term sustainable growth to everyone associated with us.

I would like to acknowledge and particularly thank our CEO, Mr. Nadeem Ahmed, his executive leadership team and all the employees of Searle for their hard work, commitment and leadership in steering the Company into a new era of growth & profitability.

Lastly, I would also like to thank the Board for its hard work and commitment to the Company, and to thank you, our valued shareholders, for your continuing trust in our Company.

Annual Report 2018

### **DIRECTORS' REPORT**

The Directors take pleasure in presenting the annual report together with the audited financial statements of the company for the year ended June 30, 2018.

The Directors' Report has been prepared in accordance with section 227 of the Companies Act, 2017 and Chapter XIII of the Code of Corporate Governance 2017.

This report is to be submitted to the members at the 53rd Annual General Meeting of the Company to be held on October 27, 2018.

#### Overview

The size of the pharmaceutical industry in Pakistan is currently approximately US\$3.1 billion, with an annual growth rate of approximately 15%. There are more than 700 pharmaceutical manufacturing units in Pakistan, exporting products worth over US\$200 million to more than 60 countries. The outlook for the industry remains positive, which is encouraging for the Company's future aspirations & growth.

The therapeutic areas in which Searle exists includes cardiovascular, cold & cough, diabetes, infant formula, pro-biotic and antibiotics.

Strong dependability on import of raw materials is resulting in declining product margins due to frequent foreign exchange fluctuations and is considered the principal risk facing the company and the industry as a whole.

#### Future outlook

In order to enhance long-term shareholder value and to drive future growth and profitability, Searle has embarked on multiple initiatives both, locally and globally. We are strengthening with every passing day and are on our way to attain leadership position in key markets and business segments.

In the local market, the therapeutic areas which Searle has over the years strengthened include cardiovascular, cold & cough, diabetes, infant formula, pro-biotic and antibiotics. Moving forward, we are focusing on enhancing the share of specialty generic branded portfolio and targeting differentiated products.

The recent economic conditions have raised challenges on the industry as a whole. It is a fact hidden from none that the chemical industry of Pakistan has capacity constraints to develop basic components

required for manufacturing drugs. Therefore, the industry resorts to import of raw materials. Due to this significant dependability, fluctuation in exchange rates coupled with stiff price regulations directly affect the product margins and consequent commercial feasibility. Pakistani rupee has recently experienced double-digit depreciation which has put the pharma industry under immense pressure.

Further, due to overly regulated drug pricing mechanism, volatility in retail prices is a concern of paramount importance for us. Delays in new product approvals also pose key threats for the industry as a whole. However, with the change in recent political scenario, we will have to wait to assess the future economic trends and modify our strategies accordingly.

For the longer run, Searle is focusing on emerging portfolios including, bio-similars, medical devices, nutraceuticals and genome sciences.

At Searle, we all are emotionally motivated and willing to contribute enthusiastically on continuous basis. Same is the case with our partners, suppliers and customers, for which we are thankful and expect the same zeal and zest for future contribution. We assure, Searle will continue to work hard to provide long term sustainable growth to everyone associated with us.

### مستقبل پر ایک نظر

طویل المدتی شیئر ہولڈر ویلیو میں اضافے اور مستقبل کی ترقی اور منافع جات کی غرض سے سرل مقامی اور عالمی دونوں سطح پر کثیر اقدامات انجام دے رہی ہے۔ ہم گزرتے ہوئے ہر دن کے ساتھ مضبوط ہورہے ہیں اور اہم مارکیٹوں اور کاروباری شعبوں میں سرکردہ یوزیشن کے حصول کی طرف گا مزن ہیں۔

پاکتانی مارکیٹ میں وہ بنیادی علاج معالجے کے شعبے جن میں سرل گزشتہ سالوں کے دوران مستخلم ہوئی ہے، کارڈیوویسکولر، کولڈوکف، ذیابطیس، شیرخوار بچوں کا فارمولا، پرو بائیوٹک اور ابنٹی بائیوٹک شامل ہیں۔ مستقبل میں ہم اسپیشلٹی جنیرک برانڈ کے پورٹ فولیومیں اپنا حصہ بڑھانے اور منفر د مصنوعات کی طرف اپنی تو جہ کو مرکوز کئے ہوئے ہیں۔

حالیہ اقتصادی صور تحال نے مجموعی طور پر صنعت کے لئے مزید چیلنجز کھڑے کردیئے ہیں۔ یہ حقیقت کسی سے پوشیدہ نہیں ہے کہ پاکستان کی کسیمیکل انڈسٹری ادویات کی تیاری کے لئے درکار بنیادی اجزاء کو تیار کرنے کے ضمن میں مقررہ گنجائش نہیں رکھتی، للبذا صنعت کو خام مال درآمد کرنا پڑتا ہے۔ غیر ملکی درآمدات پر

انحصار کے باعث اور زرمبادلہ کے نرخوں میں اتار چڑھاؤ سے قیمتیں بر قرار رکھنے میں دشواری کے باعث پروڈ کش کی شرح منافع اور کمرشل فیز سبلیٹی براہ راست متاثر ہوتی ہے۔ پاکستانی روپ کی گرتی قدر سے فارما انڈسٹری کو بے پناہ پریشر کا سامنا کرنا پڑا

مزیدبرال ادویات کے نرخول کے غیر منظم میکنزم کے باعث ریبل نرخول میں اتار چڑھاؤ بھی ہمارے لئے تشویش کا ایک بڑا موجب ہے۔ نئی پروڈکٹ کی منظوری میں تاخیر سے بھی مجموعی طور پر صنعت کے لئے کلیدی خطرات سامنے آتے ہیں۔ تاہم حالیہ سابی صور تحال کی تبدیلی کے ساتھ ہم آنے والے معاشی رجانات کا جائزہ لے رہے ہیں اور اس کے مطابق اپنی حکمت عملیوں میں تبدیلی لائیں گے۔

آنے والے سالوں میں سرل ابھرتے ہوئے پورٹ فولیو بشمول بائیو۔ سمیلرز، میڈیکل ڈیوائسز، نیوٹرا سیوٹیکلز اور جنیوم سائنسز پر خصوصی توجہ دے رہی ہے۔

سرل میں ہم سب جذباتی طور پر ملحوظ و متحرک ہیں اور مستقل بنیاد پر پرُ عزم شراکت کر رہے ہیں۔ یہی شیوہ ہمارے شراکت کار، سپلائرز اور صارفین، کا بھی ہے جس کیلئے ہم ان کے شکر گزار ہیں اور توقع کرتے ہیں کہ اسی لگن کے ساتھ وہ مستقبل میں بھی شریک کار رہیں گے۔ ہم یقین دلاتے ہیں کہ سرل اپنی کوششیں جاری رکھے گی اور ہم سے منسلک تمام شراکت کاروں کے لئے طویل المدتی ترقی فراہم کرے گی۔

Annual Report 2018

ساکھ، بھروسہ اور اعتماد وہ ضروری عناصر ہیں جن کی تو سیع اور تخفظ ہماری زمہ داری ہے تا کہ سب کو فا ئدہ پہنچ اور ہم بہتر یا ہمی تعلقات قائم کر سکیں۔ سمپنی اپنے صارفین کی ضروریات کو منجھتی ہے اور اس بات کو ملحوظ خاطر رکھتے ہوئے کاروباری سرگرمیوں کے تمام دائرہ کار میں مستقل بہتری کی خواہاں ہے۔

### پروڈ کٹ کا معیار

سرل کی مصنوعات پر صارفین کا بھروسہ اور اعمّاد ہمارا انتہائی قیمتی اثاثہ ہے۔ ہم اس امر کو تسلیم کرتے ہیں کہ دو اسازی کی صنعت میں کئی فطری خطرات بھی موجو د ہوتے ہیں اور پروڈکٹ کو ڈیزائن کرنے یا تیاری میں کوئی بھی غلطی نہ صرف مہلک بلکہ خطرناک بھی ہو سکتی ہے لہذا معیار کی دیکھ بھال اور مستقل بہتری ہماری اولین ترجیح اور اخلاقی ذمہ داری ہے۔

ہم مریضوں کی صحت کی بحالی و بہتری کے تحفظ کے ضمن میں اپنی ذمہ داری پوری کرنے پر کا ربند ہیں اور یقین دلاتے ہیں کہ طبی مصنوعات کی تیاری سے منسلک سر گر میوں پر سمجھوتہ نہیں کیا جاتا اور تمام سرگر میاں اس معیار کی ہوتی ہیں جو مریضوں کی توقعات کے مطابق ہوں۔

### كاربوريث اور ساجى ذمه دارى

ہمارے فرائض اور ذمہ داری کا دائر اوِ کار اپنے اسٹیک ہولڈرز کیلئے منافع بڑھانے پر ہی ختم نہیں ہوجاتا۔ سرل میں ہمارا مقصد اس معیشت کو مستکم بنانا بھی ہے جس میں ہم کاروبار کررہے ہیں۔ جن بنیادی شعبوں پر ہم خصوصی توجہ دیتے ہیں ان میں سے ایک روزگار کے لئے مواقع پیدا کرنا ہے تاکہ وسیع ترصنعتی اور سلز کی افراد کی قوت تیار کی جاسکے۔

سرل سابی طور پر بھی ذمے داری سے کام کر رہی ہے۔ سمپنی کا CSR پروگرام ایک وسیع پیانے پر مبنی ہے جس میں طبی دیکھ

بھال، تعلیم، بچوں کی فلاح اور دیگر ساجی بہبو د کی سر گر میوں سے منسلک اقدامات شامل ہیں۔

### آيوييشل هيلته، سيفتى اور اينوائر منك

ہم سرل میں تحفظ اور محفوظ ماحول کی اہمیت کو تسلیم کرتے ہیں اور سمجھتے ہیں کہ اس امر کو یقینی بنا نا ہماری ذمہ داری ہے کہ ایخ ملا زمین اور ان کے کام کرنے کے ماحول کو محفوظ بنانے کے ساتھ ان کی صحت کو در پیش خطرات کو بھی ختم کریں۔

### منافع منقسمه

بورڈ آف ڈائر کیٹرز نے 30 جون 2018 کو ختم ہونے والے سال کے لئے نقد اور اسٹاک منافع منقسمہ بالتر تیب 50 اور 15 فیصد کی سفارش کی ہے۔

30 جون 2017 کو ختم ہونے والے سال کے دوران کمپنی نے نقد اور اسٹاک منافع منقسمہ میں بالتر تیب 80 فیصد اور 20 فیصد کا اعلان کیا تھا۔ یہ دورانِ سال جا ری کر دہ نقد اور اسٹاک منافع منقسمہ بالتر تیب 20 فیصد اور 10 فیصد کے علا وہ تھا۔

### مالیاتی حسابات اور آڈیٹرز

موجودہ آڈیٹرز میسرز اے۔ایف۔فرگوس اینڈ ممپنی، چارٹرڈ اکاؤنٹینٹس سبکدوش ہورہے ہیں اور اہل ہونے کی بناء پر انہوں نے خود کو دوبارہ تقرری کیلئے پیش کیا ہے۔

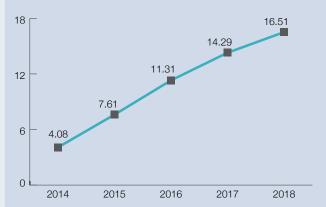

بورڈ آف ڈائر کیٹرز نے آڈٹ کمیٹی کی سفارشات پر 30 جون 2019 کو ختم ہونے والے مالی سال کیلئے باہمی طے شدہ معاوضے پر کمپنی کے آڈیٹرز کی حیثیت سے ان کی دوبارہ تقرری کی توثیق کردی ہے۔

ظاہر ہوئی۔ مزید برآل کمپنی کا منافع بعداز میکس بھی 15.55 فصد سے بڑھا۔ روال سال میں مجموعی مارجن کم ہوکر34.35 فصد ہوگیا جو گزشتہ سال38.86فیصد تھا جس کی بنیادی وجہ پہلے بیان کردہ غیر ملکی کرنسی کی قدر میں اضافہ ہے۔

یہ بہتر شرح، ڈاکٹرز کورت میں اضافہ، پروڈکٹ پورٹ فولیومیں پختگی، بلند مجم، شاندار پروڈکٹ مکس، برانڈنگ کی کوششوں اور طلب میں استحکام کی بدولت حاصل ہوئی۔ مزیدبر آن اخراجات پر سخت کنٹرول نے بھی ممپنی کی مالیاتی کارکردگی کو بہتر بنانے میں اپناکردار اداکیا۔

### آمدنی فی شیئر

بنیادی آمدنی فی شیئر بعداز شیکس 16.51روپ تھی (2017روپے: 2017)۔

کمپنی کی بنیادی آمدنی فی حصص پر ڈاکلیوشن کا کوئی اثر نہیں پڑا کیونکہ کمپنی کے 30 جون 2018 کو کوئی کنورٹبل ڈائیلیٹیو پوٹینشل آرڈیزی شیئرز باقی نہیں تھے۔

# REVIEW REPORT ON THE STATEMENT OF COMPLIANCE CONTAINED IN LISTED COMPANIES (CODE OF CORPORATE GOVERNANCE) REGULATIONS, 2017

We have reviewed the enclosed Statement of Compliance with the Listed Companies (Code of Corporate Governance) Regulations, 2017 (the Regulations) prepared by the Board of Directors of The Searle Company Limited for the year ended June 30, 2018 in accordance with the requirements of regulation 40 of the Regulations.

The responsibility for compliance with the Regulations is that of the Board of Directors of the Company. Our responsibility is to review whether the Statement of Compliance reflects the status of the Company's compliance with the provisions of the Regulations and report if it does not and to highlight any non-compliance with the requirements of the Regulations. A review is limited primarily to inquiries of the Company's personnel and review of various documents prepared by the Company to comply with the Regulations.

As a part of our audit of the financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board of Directors' statement on internal control covers all risks and controls or to form an opinion on the effectiveness of such internal controls, the Company's corporate governance procedures and risks.

The Regulations require the Company to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board of Directors for their review and approval, its related party transactions and also ensure compliance with the requirements of section 208 of the Companies Act, 2017. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board of Directors upon recommendation of the Audit Committee. We have not carried out procedures to assess and determine the Company's process for identification of related parties and that whether the related party transactions were undertaken at arm's length price or not.

Based on our review, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Company's compliance, in all material respects, with the requirements contained in the Regulations as applicable to the Company for the year ended June 30, 2018:

# INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF THE SEARLE COMPANY LIMITED

# Report on the Audit of the Unconsolidated Financial Statements

### **Opinion**

We have audited the annexed unconsolidated financial statements of The Searle Company Limited (the Company), which comprise the unconsolidated statement of financial position as at June 30, 2018, and the unconsolidated statement of profit or loss and other comprehensive income, the unconsolidated statement of changes in equity, the unconsolidated statement of cash flows for the year then ended, and notes to the unconsolidated financial statements, including a summary of significant accounting policies and other explanatory information, and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of the audit.

In our opinion and to the best of our information and according to the explanations given to us, the unconsolidated statement of financial position, the unconsolidated statement of profit or loss and other comprehensive income, the unconsolidated statement of changes in equity and the unconsolidated statement of cash flows together with the notes forming part thereof conform with the accounting and reporting standards as applicable in Pakistan and give the information required by the Companies Act, 2017 (XIX of 2017), in the manner so required and respectively give a true and fair view of the state of the Company's affairs as at June 30, 2018 and of the profit and other comprehensive income, the changes in equity and its cash flows for the year then ended.

### **Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Unconsolidated Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the unconsolidated financial statements of the current period. These matters were addressed in the context of our audit of the unconsolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

### Following are the Key audit matters:

### S. No. Key Audit Matter

### (i) Companies Act, 2017

# (Refer note 3.1.2 to the unconsolidated financial statements)

The fourth schedule to the Companies Act, 2017 became applicable to the Company for the first time for the preparation of these annexed unconsolidated financial statements.

The Act has also brought certain changes with regard to preparation and presentation of annual unconsolidated financial statements of the Company. These changes include recognition of surplus on revaluation of property, plant and equipment in equity and additional disclosures. Particularly, change in the requirement relating to surplus on revaluation of property, plant and equipment is accounted for as change in accounting policy that also required inclusion of an additional statement of financial position at the beginning of the earliest period presented as disclosed in note 4 to the unconsolidated financial statements.

In view of the various additional disclosures and change in accounting policy relating to surplus on revaluation of property, plant and equipment in the annexed unconsolidated financial statements due to first time application of the provisions of the Companies Act, 2017, for the preparation of financial statements, we considered this as a key audit matter.

### How the matter was addressed in our audit

We reviewed and understood the requirements of the Companies Act, 2017 for the preparation of the unconsolidated financial statements. Our audit procedures included the following:

- considered the management's process to identify the additional disclosures required in the Company's annexed unconsolidated financial statements.
- obtained relevant underlying supports for the additional disclosures and assessed their appropriateness for the sufficient audit evidence.
- engaged an auditor's expert to test the reasonableness of the assumptions used by the management's property, plant and equipment valuer.
- ensured appropriate accounting is carried out with respect to the surplus on revaluation of property, plant and equipment as per IAS 16 'Property Plant and Equipment'.
- ensured the presentation and disclosure requirements of accounting and reporting framework relating to change in accounting policy for surplus on revaluation of property, plant and equipment and other additional disclosures.

### S. No. Key Audit Matter

### (ii) Litigation matters

# (Refer notes 25 and 26.1 to the unconsolidated financial statements)

The Company has litigation cases in respect of product pricing, income tax and sales tax matters, which are pending at various forums including Honourable High Court of Sindh, Commissioner Inland Revenue (Appeals) (CIR(A)), Appellate Tribunal Inland Revenue (ATIR) and the Drug Regulatory Authority of Pakistan (DRAP).

Matters under litigation require management to make judgements and estimates in relation to the interpretation of laws, statutory rules, regulations, and the probability of outcome and financial impact, if any, on the Company for disclosure and recognition and measurement of any provisions that may be required against such litigation matters.

Due to significance of amounts involved, inherent uncertainties with respect to the outcome of matters and use of significant management judgement and estimates to assess the same including related financial impacts, we considered litigation matters relating to product pricing and taxation a key audit matter.

### How the matter was addressed in our audit

Our audit procedures amongst others, included:

- obtained and reviewed details of the pending litigations and discussed the same with the Company's management;
- reviewed correspondence of the Company with the relevant authorities including judgments or orders passed by the competent authorities/ courts of law in relation to the issues involved or matters which have similarities with the issues involved;
- obtained confirmations from the Company's external legal and tax counsels for their views on open tax assessments and legal cases;
- involved internal tax professionals to assess management's conclusions on contingent tax matters and to evaluate the consistency of such conclusions with the views of the management and external tax advisors engaged by the Company; and
- reviewed disclosures made in respect of litigations in the financial statements.

### (iii) Loan to subsidiary

# (Refer note 14 to the unconsolidated financial statements)

The Company has provided loan to its subsidiary – IBL Identity (Private) Limited amounting to Rs 2.9 billion as at 30 June 2018. Considering the accumulated loss of the subsidiary, the management has assessed the recoverability of the amount of loan to subsidiary. The management has determined based on the future projections that no impairment is required to be recognised in respect of the loan provided as sufficient cash flows will be generated by the subsidiary for repayment of the loan.

The assessment of recoverability of loan to subsidiary requires application of significant judgement and assumptions in determining future profitability of the subsidiary.

In view of the materiality of the loan amount and that the determination of the recoverability of loan provided involved significant management judgement, we consider this as a key audit matter.

Our audit procedures included, among others:

- obtained the management's impairment assessment for the recoverability of the loan provided to subsidiary;
- evaluated the judgements and assumptions included in the cash flow projections by considering the historical accuracy of forecasts and comparing these to our understanding of the subsidiary's business model;
- performed sensitivity analyses on the key assumptions used including growth assumptions; and
- assessed the adequacy of disclosures in the company's unconsolidated financial statements.

### Information Other than the Unconsolidated Financial Statements and Auditors' Report thereon

Management is responsible for the other information. The other information comprises the information included in the annual report, but does not include the consolidated and unconsolidated financial statements and our auditor's reports thereon.

Our opinion on the unconsolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the unconsolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the unconsolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### Responsibilities of Management and Board of Directors for the Unconsolidated Financial Statements

Management is responsible for the preparation and fair presentation of the unconsolidated financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirements of Companies Act, 2017 (XIX of 2017) and for such internal control as management determines is necessary to enable the preparation of unconsolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the unconsolidated financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of directors are responsible for overseeing the Company's financial reporting process.

### Auditor's Responsibilities for the Audit of the Unconsolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the unconsolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these unconsolidated financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the unconsolidated financial statements, whether
  due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit
  evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a
  material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve
  collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions

that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the unconsolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

• Evaluate the overall presentation, structure and content of the unconsolidated financial statements, including the disclosures, and whether the unconsolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the board of directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the board of directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the board of directors, we determine those matters that were of most significance in the audit of the unconsolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

Based on our audit, we further report that in our opinion:

- (a) proper books of account have been kept by the Company as required by the Companies Act, 2017 (XIX of 2017);
- (b) the unconsolidated statement of financial position, the unconsolidated statement of profit or loss and other comprehensive income, the unconsolidated statement of changes in equity and the unconsolidated statement of cash flows together with the notes thereon have been drawn up in conformity with the Companies Act, 2017 (XIX of 2017) and are in agreement with the books of account and returns;

### 3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies applied in the preparation of these financial statements are set out below:

### 3.1 Basis of preparation

### 3.1.1 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRS Standards) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017; and
- Provisions of and directives issued under the Companies Act, 2017.

Where provisions of and directives issued under the Companies Act, 2017 differ from the IFRS Standards, the provisions of and directives issued under the Companies Act, 2017 have been followed.

SEARLE Annual Report 2018

# NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS

For the year ended June 30, 2018

**3.1.2** The Companies Act, 2017 (the Act) has also brought certain changes with regard to preparation and presentation of financial statements of the Company. These changes also include change in respect of surplus on revaluation of property, plant and equipment as fully explained in note 4, change in nomenclature of primary statements, etc.

Further, the disclosure requirements contained in the fourth schedule to the Act have been revised, resulting in the:

- elimination of duplicative disclosures with the IFRS disclosure requirements; and
- incorporation of significant additional disclosures.

Keeping in view of the above, the presentation of these unconsolidated financial statements has been realigned with the provisions contained in the Act along with the impact on the recognition and measurement of the revaluation surplus on property, plant and equipment in equity.

### 3.1.3 Use of critical accounting estimates and judgements

The preparation of financial statements in conformity with approved accounting and reporting standards requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Company's accounting policies.

The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the unconsolidated financial statements are as follows:

- a) Income tax note 3.4
- b) Revaluation of property, plant and equipment note 3.6

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Management believes that the change in outcome of estimates would not have a material impact on the amounts disclosed in the unconsolidated financial statements.

No critical judgement has been used in applying the accounting policies.

### 3.1.4 Changes in accounting standards, interpretations and pronouncements

# a) Standards, interpretations and amendments to published approved accounting standards that are effective in the current year and are relevant

IAS 7, 'Statement of Cash Flows' amendments introduce an additional disclosure that will enable users of financial statements to evaluate changes in liabilities arising from financing activities. The amendment is part of the IASB's Disclosure Initiative, which continues to explore how financial statement disclosure can be improved. In the first year of adoption, comparative information need not be provided.

The change has been disclosed in note 20 of these unconsolidated financial statements.

# b) Standards, interpretations and amendments to published approved accounting standards that are effective but not relevant

There are other new standards, amendments and interpretations that are mandatory for accounting periods beginning on or after July 1, 2017 are considered not to be relevant for the Company's unconsolidated financial statements and hence have not been detailed here.

# c) Standards, interpretations and amendments to published approved accounting standards that are not yet effective but relevant

The following are the new standards, amendments to existing approved accounting standards and new interpretations that will be effective for the periods beginning on or after July 1, 2018 that may have an impact on the financial statements of the Company.

IFRS 9 'Financial instruments' - This standard is effective for periods beginning from or after July 1, 2018. This standard replaces the guidance in IAS 39. It includes requirements on the classification and measurement of financial assets and liabilities; it also includes an expected credit losses model that replaces the current incurred loss impairment model.

IFRS 15 'Revenue from contracts with customers' - This standard is effective for periods beginning from or after July 1, 2018. IFRS 15 replaces the previous revenue standards: IAS 18 Revenue, IAS 11 Construction Contracts, and the related interpretations on revenue recognition.

IFRS 15 introduces a single five-step model for revenue recognition and establishes a comprehensive framework for recognition of revenue from contracts with customers based on a core principle that an entity should recognise revenue representing the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services.

IFRS 16 'Leases' - This standard is effective for periods beginning from or after January 1, 2019. IFRS 16 replaces the previous lease standard: IAS 17 Leases. It will result in almost all leases being recognised on the statement of financial position, as the distinction between operating and finance leases is removed. Under the new standard, an asset (the right to use the leased item) and a financial liability to pay rentals are recognised. The only exceptions are short term and low value leases.

The management is in the process of assessing the impact of changes laid down by these standards on its unconsolidated financial statements.

### 3.2 Overall valuation policy

These unconsolidated financial statements have been prepared under the historical cost convention except as otherwise disclosed in the accounting policy notes.

#### 3.3 Staff retirement benefits

### 3.3.1 Defined benefit plan

Defined benefit plans define an amount of pension or gratuity or medical benefit that an employee will receive on or after retirement, usually dependent on one or more factors such as age, years of service and compensation. A defined benefit plan is a plan that is not a defined contribution plan. The liability recognised in the unconsolidated statement of financial position in respect of defined benefit plans is

**SEARLE** Annual Report 2018

# NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS

For the year ended June 30, 2018

the present value of the defined benefit obligation at the end of the reporting period. The defined benefit obligation is calculated annually by an independent actuary using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows using interest rates of high-quality corporate bonds or the market rates on government bonds. These are denominated in the currency in which the benefits will be paid, and that have terms to maturity approximating the terms of the related benefit obligation.

The Company operates an unfunded gratuity scheme covering all unionised employees with five or more years of service with the Company. The provision has been made in accordance with actuarial valuations carried out as of June 30, 2018 using the projected unit credit method.

### 3.3.2 Defined contribution plan

The Company operates a recognised provident fund scheme for all employees. Equal monthly contributions are made, both by the Company and the employees, to the fund at the rate of 10% per annum of the basic salary. The contributions are recognised as employee benefit expense when they are due.

#### 3.4 Income tax

### 3.4.1 Current

The charge for current taxation is based on the taxable income for the year, determined in accordance with the prevailing law for taxation on income, using prevailing tax rates after taking into account tax credits and rebates available, if any.

### 3.4.2 Deferred

Deferred tax is accounted for using the liability method on all temporary differences arising between tax base of assets and liabilities and their carrying amounts in the unconsolidated financial statements. Deferred tax liability is generally recognised for all taxable temporary differences and deferred tax asset is recognised to the extent that it is probable that future taxable profits will be available against which the deductible temporary differences, unused tax losses and tax credits can be utilised. Deferred tax is charged or credited in the unconsolidated statement of profit or loss and other comprehensive income, except in the case of items credited or charged to equity in which case it is included in equity. Deferred tax is determined using tax rates and prevailing law for taxation on income that have been enacted or substantively enacted by the unconsolidated statement of financial position date and are expected to apply when the related deferred tax asset is realised or the deferred tax liability is settled.

### 3.5 Borrowings and their cost

Borrowings are initially recognised at cost being the fair value of the consideration received together with the associated transaction cost. Subsequently, these are recognised at amortised cost using the effective interest method. Borrowing costs are recognised as an expense in the period in which these are incurred except to the extent of borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset. Such borrowing costs are capitalised as part of the cost of that asset. Borrowings payable within next twelve months are classified as current liabilities.

### 3.6 Property, plant and equipment

These are stated at cost less accumulated depreciation / amortisation and impairment loss, if any, except leasehold land, building on leasehold land, plant and machinery, vehicles and airconditioning systems, which are stated at revalued amount less accumulated depreciation and impairment losses, if any, and capital work-in-progress which is stated at cost.

Depreciation is charged to unconsolidated statement of profit or loss and other comprehensive income applying the straight line method, whereby the depreciable amount of an asset is written off over its estimated useful life. The revalued amount of building on leasehold land, plant and machinery, vehicles and airconditioning systems is depreciated equally over the remaining life from the date of valuation. Depreciation is charged on additions from the month the asset is available for use and on disposals upto the month preceding the month of disposal.

Increases in the carrying amounts arising on revaluation of property, plant and equipment are recognised, net of tax, in other comprehensive income and accumulated in reserves in shareholders' equity. To the extent that the increase reverses a decrease previously recognised in unconsolidated statement of profit or loss and other comprehensive income, the increase is first recognised in profit or loss. Decreases that reverse previous increases of the same asset are first recognised in other comprehensive income to the extent of the remaining surplus attributable to the asset; all other decreases are charged to profit or loss. Each year, the difference between depreciation based on the revalued carrying amount of the asset charged to profit or loss and depreciation based on the asset's original cost, net of tax, is reclassified from the revaluation surplus on property, plant and equipment to retained earnings. The accumulated depreciation at the date of revaluation is eliminated against the gross carrying amount of the asset, and the net amount is restated to the revalued amount.

Gain or loss on disposal or retirement of property, plant and equipment is included in unconsolidated statement of profit or loss and other comprehensive income.

### 3.7 Intangible assets

An intangible asset is recognised if it is probable that future economic benefits attributable to the asset will flow to the Company and that the cost of such asset can be measured reliably. These are stated at cost less accumulated amortisation and impairment, if any.

Distribution rights, brand name & logo and licenses have a finite useful life and are carried at cost less accumulated amortisation and accumulated impairment losses, if any.

Intangible assets having infinite life are carried at cost less impairment, if any.

Amortisation is calculated using the straight line method to allocate the cost of trademarks and licenses over the useful lives.

### 3.8 Investment property

The Company carries investment properties at their respective costs under the cost model in accordance with IAS 40 - 'Investment Property'. The fair values are determined by the independent valuation experts and such valuations are carried out every year to determine the recoverable amount.

Assets classified under investment properties are carried at their respective cost less accumulated depreciation and accumulated impairment losses, if any.

**SEARLE** Annual Report 2018

# NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS

For the year ended June 30, 2018

The Company carries investment property under work in progress at their respective costs less accumulated impairment losses, if any. Depreciation is charged on such property after it is completed as per IAS 40 - 'Investment Property'.

#### 3.9 Investments

### 3.9.1 Investment in subsidiary companies

Investments in subsidiary companies are initially recognised at cost. At subsequent reporting dates, the recoverable amounts are estimated to determine the extent of impairment losses, if any, and carrying amounts of investments are adjusted accordingly. Impairment losses are recognised as expense. Where impairment losses subsequently reverse, the carrying amounts of the investments are increased to the revised recoverable amounts but limited to the extent of initial cost of investments. A reversal of impairment loss is recognised in unconsolidated profit or loss and other comprehensive income.

### 3.9.2 Investment in associated companies

Associates are all entities over which the Company has significant influence but not control, generally accompanying a shareholding of between 20% and 50% of the voting rights or common directorship. Investments in associates are initially recognised at cost. At subsequent reporting dates, the recoverable amounts are estimated to determine the extent of impairment losses, if any, and carrying amounts of investments are adjusted accordingly. Impairment losses are recognised as expense in the unconsolidated statement of profit or loss and other comprehensive income. Where impairment losses subsequently reverse, the carrying amounts of the investments are increased to the revised recoverable amounts but limited to the extent of initial cost of investments. A reversal of impairment loss is recognised in unconsolidated statement of profit or loss and other comprehensive income. Investments in associates are accounted for using the equity method of accounting in the unconsolidated financial statements.

#### 3.10 Inventories

These are valued at the lower of cost and net realisable value except goods-in-transit which are valued at invoice value plus other charges incurred thereon. Cost signifies standard cost adjusted by variances.

Cost of raw and packing material comprises purchase price including directly related expenses less trade discounts. Cost of work-in-process and finished goods includes cost of raw material, direct labour and related production overheads.

Net realisable value is determined on the basis of estimated selling price of the product in the ordinary course of business less cost of completion and estimated cost necessarily to be incurred to make the sale.

Stores and spares are valued at lower of cost, determined using first-in-first-out method less provision for slow moving and obsolete stores and spares, if any. Items in transit are valued at invoice value plus other charges incurred thereon.

### 3.11 Trade and other receivables

Trade and other receivables are recognised and carried at original invoice amount less provision for impairment. A provision for impairment is established when there is objective evidence that the Company will not be able to collect all amounts due according to the original terms of receivables. Trade and other receivables considered irrecoverable are written-off.

### 3.12 Cash and cash equivalents

Cash and cash equivalents are carried in the unconsolidated statement of financial position at cost. For the purposes of statement of cash flows, cash and cash equivalents comprise cash, balances with banks on current and deposit accounts and finance under mark-up arrangements.

### 3.13 Foreign currencies

The financial statements are presented in Pak Rupees which is the Company's functional and presentation currency.

Transactions in foreign currencies are converted into Pak Rupees using the exchange rates prevailing on the dates of the transactions. All monetary assets and liabilities denominated in foreign currencies are translated into Pak Rupees using the exchange rates prevailing on the reporting date. Exchange differences are taken to unconsolidated profit or loss and other comprehensive income.

### 3.14 Revenue recognition

Revenue is recognised when it is probable that economic benefits will flow to the Company and the revenue can be measured reliably. Revenue is measured at the fair value of the consideration received or receivable on the following basis:

- Revenue from sale of goods is recognised on despatch of goods to customers, export sales are recorded when the goods are shipped i.e. when the significant risks and reward of ownership have been transferred to the customer.
- Income from toll manufacturing is recognised when services are rendered.
- Dividend income, other than those from investments measured using equity method, is recognised when the right to receive payment is established.
- Interest income and rental income is recognised on accrual basis.

### 3.15 Research and development cost

Research and development cost except to the extent that an intangible asset is recognised, is charged in the year in which it is incurred. Development costs previously charged to unconsolidated statement of profit or loss and other comprehensive income are not recognised as an asset in the subsequent period.

### 3.16 Leases

### Operating leases

Leases in which a significant portion of the risks and rewards of ownership is retained by the lessor are classified as operating leases. Payments made under operating leases are charged to unconsolidated statement of profit or loss and other comprehensive income on a straight-line basis over the period of the lease.

#### 3.17 Provisions

Provisions are recognised when the Company has a legal or constructive obligation as a result of past events, and it is probable that an outflow of resources embodying economic benefits will be required to

**SEARLE** Annual Report 2018

settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are reviewed at each unconsolidated statement of financial position date and adjusted to reflect the current best estimates.

### 3.18 Impairment

Carrying values of assets are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable. If any such indication exists, assets or cash-generating units are tested for impairment. Cash-generating units to which goodwill is allocated are tested for impairment annually. Where the carrying values of assets or cash-generating units exceed the estimated recoverable amount, these are written down to their recoverable amount and the resulting impairment is charged to unconsolidated statement of profit or loss and other comprehensive income.

#### 3.19 Financial assets and liabilities

All financial assets and liabilities are initially measured at cost, which is the fair value of the consideration given and received respectively. These financial assets and liabilities are subsequently measured at fair value, amortised cost or cost, as the case may be.

Financial assets and liabilities are off set and the net amount is reported in the unconsolidated statement of financial position if the Company has a legal right to set off the transaction and also intends either to settle on a net basis or to realise the asset and settle the liability simultaneously.

### 3.20 Dividend distribution

Dividend distribution to shareholders is recognised as liability in the financial statements in the period in which the dividend is declared / approved.

### 3.21 Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision-maker who is responsible for allocating resources and assessing performance of the operating segments.

### 4. CHANGE IN ACCOUNTING POLICY

The specific provision / section in the repealed Companies Ordinance, 1984 relating to the surplus on revaluation of property, plant and equipment has not been carried forward in the Companies Act, 2017. Previously, section 235 of the repealed Companies Ordinance, 1984 specified the accounting treatment and presentation of the surplus on revaluation of property, plant and equipment, which was not in accordance with the IFRS requirements. Accordingly, in accordance with the requirements of International Accounting Standard (IAS) 16, Property, Plant and Equipment, surplus on revaluation of property, plant and equipment would now be presented under equity.

Following the application of IAS 16, the Company's policy for surplus on revaluation of property, plant and equipment stands amended as follows:

- Increases in the carrying amounts arising on revaluation of property, plant and equipment are recognised, net of tax, in other comprehensive income and accumulated in reserves in shareholders' equity. To the extent that the increase reverses a decrease previously recognised in unconsolidated statement of profit or loss and other comprehensive income, the increase is first recognised in profit

or loss. Decreases that reverse previous increases of the same asset are first recognised in other comprehensive income to the extent of the remaining surplus attributable to the asset; all other decreases are charged to profit or loss. Each year, the difference between depreciation based on the revalued carrying amount of the asset charged to unconsolidated profit or loss and other comprehensive income and depreciation based on the asset's original cost, net of tax, is reclassified from the revaluation surplus on property, plant and equipment to retained earnings.

The change in accounting policy has been accounted for retrospectively in accordance with the requirements of IAS 8 'Accounting Policies, Changes in Accounting Estimates and Errors' and comparative figures have been restated.

The effect of change in accounting policy is summarised below:

- **9.1.1** During the current year, IBL HealthCare Limited announced issue of bonus shares in proportion of 10 shares for every 100 shares held (the Company was entitled to 3,647,840 shares).
- 9.1.2 Section 236M of the Income tax Ordinance, 2001 (inserted through Finance Act, 2014), specifies that every company, quoted on stock exchange, while issuing bonus shares shall withhold five percent of the bonus shares to be issued. Bonus shares withheld shall only be issued to a shareholder, if the Company collects tax equal to five percent of the value of the bonus shares issued including bonus share withheld, determined on the basis of day-end price on the first day of closure of books. The tax is to be collected within fifteen days of the first day of closure of books, after which the company is required to deposit shares withheld to Central Depository Company, in favour of the Federal Government.

Based on the requirement mentioned above, the Company is exposed to a tax liability of approximately Rs. 71.8 million (2017: Rs. 52.8 million), on account of bonus shares received from IBL HealthCare Limited from 2015 onwards. The Company has filed a petition in respect of tax on bonus shares in Honourable High Court of Sindh, and expects a favourable outcome, based on a legal advice. Further, pending decision of the Honourable High Court of Sindh, IBL HealthCare Limited has withheld 1,117,379 shares (2017: 853,869 shares) with Central Depository Company of Pakistan Limited.

**9.2** All investments in associated companies have been made in accordance with the requirements of the Companies Act, 2017.

# NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS

For the year ended June 30, 2018

## 21.1 Gratuity scheme - unfunded

## 21.1.1 General description

As stated in note 3.3.1, the Company operates unfunded gratuity scheme for eligible employees. The scheme defines an amount of gratuity benefit that an employee will receive on retirement subject to minimum service under the scheme. The latest actuarial valuation was carried out as at June 30, 2018 using the Project Unit Credit method.

Mortality was assumed to be SLIC (2001-05) for males and females, as the case may be, but rated down by one year.

**21.1.8** The sensitivity of the defined benefit obligation to changes in the weighted average principal assumption is:

|   | Impact on            | Impact on defined benefit obligation |                        |  |
|---|----------------------|--------------------------------------|------------------------|--|

- **21.1.9** If longevity increases by 1 year, the resultant increase in obligation is insignificant.
- 21.1.10 The above sensitivity analysis are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions, the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as and when calculating the gratuity liability recognised within the unconsolidated statement of financial position.
- **21.1.11** As per actuarial advice, the Company is expected to recognise a service cost of Rs. 6.2 million in 2019.
- **21.1.12** The weighted average service duration of employees is 9.4 years.

26.1 In respect of pricing of pharmaceutical products, the Company has instituted legal proceedings against the Drug Regulatory Authority of Pakistan (DRAP) relating to the upward revision of the maximum retail prices of certain products. These legal proceedings are presently pending before the High Court of Sindh and the Court had issued orders that no adverse action shall be taken against the Company until disposal of the matters. Subsequent to the year end, the Supreme Court of Pakistan has issued a judgement vide its order 4480/2018 dated August 3, 2018 wherein the Maximum Retail Price (MRP) of products under hardship cases shall be frozen till the decision of DRAP regarding pricing matters.

For the year ended June 30, 2018

33.3

- **33.2.1** The difference between tax assessed and provision as per accounts for the tax year 2017 is mainly due to certain disallowances, tax on inter corporate dividend and impact of super tax amounting to Rs. 107.94 million, Rs. 268.3 million and Rs. 105.6 million respectively. These have also been disclosed in notes 25.7, 33.1 and 33.4 to these unconsolidated financial statements. Further, the difference in tax year 2015 mainly pertains to tax on bonus shares not witheld amounting to Rs. 156.8 million.
  - \* The tax assessment amount is based on tax return filed by the Company for tax year 2016, which is deemed assessed.

#### 33.4 Current status of tax assessments

#### Tax Years 2009 to 2013 and 2017

Deemed order under Section 120 of the Income Tax Ordinance, 2001 for the above tax years were amended, where certain expenses / benefits were disallowed which mainly includes disallowance due to non-deduction of tax on Distributors margin, eligibility of claim made for Group Relief, finance cost on long-term loan as not being related to business income, advertisement expenses, salesman bonuses, discount given to group company, deemed interest income on interest-free loan given to group company and other expenses meeting the criteria of Section 21(c) of the Income Tax Ordinance, 2001 with reference to deduction of tax.

Appeals against the above orders are pending before Appellate Tribunal Inland Revenue (ATIR) except for tax year 2008 which is decided and the tax year 2017 which is pending before Commissioner Appeals.

Out of the above, majority of the issues have been decided in favour of the Company either by Commissioner Appeals or by ATIR in its decision for tax year 2008. Considering this position and in consultation with its tax advisors, the management is of the view that above issues will also be decided in favour of the Company. The impact of the above mentioned orders pending resolution amounts to approximately Rs. 313.8 million.

#### 37. SEGMENT INFORMATION

Management has determined the operating segments based on the information that is presented to the chief operation decision-maker of the Company for allocation of resources and assessment of performance. Based on internal management reporting structure, the Company is organised into the following two operating segments:

- Pharmaceutical
- Consumer

Management monitors the operating results of above mentioned segments separately for the purpose of making decisions about resources to be allocated and for assessing performance.

Segment results and assets include items directly attributable to a segment as well as those that can be allocated on a reasonable basis.

**37.1** The financial information regarding operating segments is as follows:

### a) Market Risk

## (i) Interest rate risk

Interest rate risk is the risk that the value of a financial instrument will fluctuate due to changes in the market interest rates. As per market practices, Company's borrowings are on variable interest rate exposing the Company to interest rate risk.

At June 30, 2018, the Company has variable interest bearing financial liabilities of Rs. 2.54 billion (2017: Rs. 1.65 billion), and had the interest rate varied by 200 basis points with all the other variables held constant, profit before income tax for the year would have been approximately Rs. 50.8 million (2017: Rs. 33 million) higher / lower, mainly as a result of higher / lower interest expense on floating rate borrowings.

### (ii) Foreign exchange risk

Foreign currency risk arises mainly where payables and receivables exist due to transactions in foreign currencies. The Company's exposure to exchange risk comprise mainly due to receivable, payable and bank balance maintained in foreign currency account. At June 30, 2018, trade and other payables of Rs. 677.6 million (2017: Rs. 314.54 million), trade receivables of Rs. 182.89 million (2017: Rs. 135.85 million) and bank balance of Rs. 0.35 million (2017: Rs. 0.35 million) are exposed to foreign currency risk.

As at June 30, 2018, if the Pakistan Rupee had weakened / strengthened by 2% against US Dollar with all other variables held constant, profit before income tax for the year would have been lower / higher by Rs. 9.88 million (2017: Rs. 3.56 million), as a result of foreign exchange gains / losses on translation of US Dollar denominated trade and other payables, and trade receivables.

The sensitivity of foreign exchange rates looks at the outstanding foreign exchange balances of the Company only as at the unconsolidated statement of financial position date and assumes this is the position for a full twelve-month period. The volatility percentages for movement in foreign exchange rates have been used due to the fact that historically (five years) rates have moved on average basis by the mentioned percentages per annum.

### (iii) Price risk

Price risk is the risk that the value of a financial instrument will fluctuate as a result of changes in market prices, whether those changes are caused by factors specific to individual financial instruments company, its issuer, or factors affecting all similar financial instrument traded in the market. The Company has no investment as at June 30, 2018 which is subject to a change in market price.

#### b) Credit Risk

Credit risk represents the accounting loss that would be recognised at the reporting date if counterparties failed to perform as contracted. The maximum exposure to credit risk is equal to the carrying amount of financial assets. Out of the total financial assets of Rs. 10,159 million (2017: Rs. 7,934 million) the financial assets exposed to credit risk amounts to Rs. 8,670 million (2017: Rs. 5,845 million). **SEARLE** Annual Report 2018

# NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS

For the year ended June 30, 2018

Trade receivables of the Company are not exposed to significant credit risk as the major amount is due from IBL Operations (Private) Limited - an associated company. However, the Company has established policies and procedures for timely recovery of trade receivables. With respect to parties other than affiliates, the Company mitigates its exposure and credit risk by applying credit limits to its customers.

Deposits, loans, advances and other receivables are not exposed to any material credit risk as loans and advances mainly relates to subsidiary companies amounting to Rs. 3,917.46 million (2017: Rs. 2,095.83 million) and other receivables mainly pertains to related parties amounting to Rs. 967.16 million (2017: Rs. 464.54 million).

Bank balance represent low credit risk as major balances are placed with banks having credit ratings of A or above as assigned by PACRA or JCR-VIS.

### c) Liquidity risk

Liquidity risk is the risk that an entity will encounter difficulties in meeting obligations associated with financial liabilities. Prudent liquidity risk management implies maintaining sufficient cash, the availability of funding through an adequate amount of committed credit facilities and the ability to close out market positions. The management believes that it will be able to fulfill its financial obligations.

#### d) Fair values of the financial instruments

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions (i.e. an exit price) regardless of whether that price is directly observable or estimated using another valuation technique.

The carrying values of all financial assets and liabilities reflected in the financial statements approximate their fair value.

### 41.3 Capital risk management

The Company's objectives when managing capital are to safeguard Company's ability to continue as a going concern in order to provide returns for shareholders and benefit for other stakeholders and to maintain an optimal capital structure to reduce the cost of capital.

The Company finances its operations through equity, borrowings and management of working capital with a view to maintain an appropriate mix between various sources of finance to minimise risk.

## **DIRECTORS' REPORT**

The Directors take pleasure in presenting the annual report together with the audited consolidated financial statements of the holding company for the year ended June 30, 2018.

The Directors' Report has been prepared in accordance with section 227 of the Companies Act, 2017 and Chapter XIII of the Code of Corporate Governance 2017.

This report is to be submitted to the members at the 53rd Annual General Meeting of the Company to be held on October 27, 2018.

### Overview

The size of the pharmaceutical industry in Pakistan is currently approximately US\$3.1 billion, with an annual growth rate of approximately 15%. There are more than 700 pharmaceutical manufacturing units in Pakistan, exporting products worth over US\$200 million to more than 60 countries. The outlook for the industry remains positive, which is encouraging for the Company's future aspirations & growth.

The therapeutic areas in which Searle group mainly exists includes cardiovascular, cold & cough, diabetes, infant formula, pro-biotic and antibiotics.

Strong dependability on import of raw materials is resulting in declining product margins due to frequent foreign exchange fluctuations and is considered the principal risk facing the holding company and the industry as a whole.

### Operating results

Searle group has always focused on improving the lives of patients by offering quality healthcare solutions. We operate on the philosophy that what has already been done is past and what was good before is not good enough now. We monitor the changing business environment on continuous basis and are always ready to broaden our business horizon and diversify our operations to optimize shareholders value.

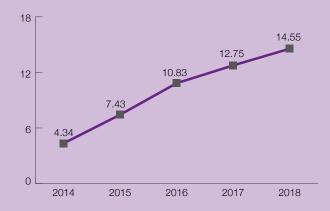

In pursuance of the above philosophy, we have penetrated further, by stepping into biosimilar medicines and emerging nutritional range. We have also started making our presence prominent in the growing textile sector.

Though our conventional business scaled new heights, the consolidated results were diluted after incorporating the financial results of the pre-mature portfolio textile business. However, with every passing day, we are strengthening our footprints and our product market is maturing. We are hopeful that the new product portfolio will start generating value in short time.

Nevertheless, the holding company reported revenue of 16.39 billion, registering a growth of 23.19% as compared with the preceding year, further, profit after tax of the holding company also increased substantially by 13.52% as compared with prior year.

#### Earnings per share

Basic earnings per share after taxation were Rs. 14.55 (2017: Rs. 12.75).

There is no dilution effect on the basic earnings per share of the Company, as the Company has no convertible dilutive potential ordinary shares outstanding as at June 30, 2018.

#### Dividend

The Board of Directors has recommended cash and stock dividend of 50% & 15% respectively, for the year ended June 30, 2018.

During the year ended June 30, 2017, the holding company declared cash and stock dividend of 80% & 20% respectively. This was in addition to the interim cash and stock dividend of 20% and 10%, respectively.

#### Financial statements and auditors

The present auditors, Messrs. A.F. Ferguson & Co. Chartered Accountants, retire and being eligible, have offered themselves for re-appointment.

The Board of Directors endorses recommendation of the Audit Committee for their re-appointment as the Auditors of the Company for the financial year

ending June 30, 2019, at a mutually agreed fee.

#### Future outlook

In order to enhance long-term shareholder value and to drive future growth and profitability, Searle group has embarked on multiple initiatives both, locally and globally. We are strengthening with every passing day and are on our way to attain leadership position in key markets and business segments.

In the local market, the therapeutic areas which Searle group has over the years strengthened include cardiovascular, cold & cough, diabetes, infant formula, pro-biotic and antibiotics. Moving forward, we are focusing on enhancing the share of specialty generic branded portfolio and targeting differentiated products.

The recent economic conditions have raised challenges on the industry as a whole. It is a fact hidden from none that the chemical industry of Pakistan has capacity constraints to develop basic components required for manufacturing drugs. Therefore, the industry resorts to import of raw materials. Due to

this significant dependability, fluctuation in exchange rates coupled with stiff price regulations directly affect the product margins and consequent commercial feasibility. Pakistani rupee has recently experienced double-digit depreciation which has put the pharma industry under immense pressure.

Further, due to overly regulated drug pricing mechanism, volatility in retail prices is a concern of paramount importance for us. Delays in new product approvals also pose key threats for the industry as a whole. However, with the change in recent political scenario, we will have to wait to assess the future economic trends and modify our strategies accordingly.

For the longer run, Searle group is focusing on emerging portfolios including, bio-similar, medical devices, nutraceuticals and genome sciences.

At Searle group, we all are emotionally motivated and willing to contribute enthusiastically on continuous basis. Same is the case with our partners, suppliers and customers, for which we are thankful and expect the same zeal and zest for future contribution. We assure, Searle will continue to work hard to provide long term sustainable growth to everyone associated with us.

مستقبل پر ایک نظر

طویل المدتی شیئر ہولڈر ویلیو میں اضافے اور مستقبل کی ترقی اور منافع جات کی غرض سے سرل گروپ مقامی اور عالمی دونوں سطح پر کثیر اقدامات انجام دے رہا ہے۔ ہم گزرتے ہوئے ہر دن کے ساتھ مضبوط ہورہے ہیں اور اہم مارکیٹوں اور کاروباری شعبوں میں سرکردہ پوزیشن کے حصول کی طرف گا مزن ہیں۔

پاکستانی مارکیٹ میں وہ بنیادی علاج معالجے کے شعبے جن میں سرل گروپ گزشتہ سالوں کے دوران مستکم ہوا ہے، کارڈیوویسکولر، کولڈوکف، ذیابطبیس، شیرخوار بچوں کا فارمولا، پرو بائیوٹک اور اپنی بائیوٹک شامل ہیں۔ مستقبل میں ہم اسپیشلٹی جنیرک برانڈ کے پورٹ فولیومیں اپنا حصہ بڑھانے اور منفرد مصنوعات کی طرف اپنی تو جہ کو مرکوز کئے ہوئے ہیں۔

حالیہ اقتصادی صور تحال نے مجموعی طور پر صنعت کے لئے مزید چیلنجز کھڑے کردیئے ہیں۔ یہ حقیقت کسی سے پوشیدہ نہیں ہے کہ پاکتان کی کیمیکل انڈسٹری ادویات کی تیاری کے لئے درکار بنیادی اجزاء کو تیار کرنے کے ضمن میں مقررہ گنجائش نہیں رکھتی، لہٰذا صنعت کو خام مال درآ مد کرنا پڑتا ہے۔ غیر مکلی درآ مدات پر لہٰذا صنعت کو خام مال درآ مد کرنا پڑتا ہے۔ غیر مکلی درآ مدات پر

انحصار کے باعث اور زرمبادلہ کے نرخوں میں اتار چڑھاؤ سے قیمتیں بر قرار رکھنے میں دشواری کے باعث پروڈ کٹس کی شرح منافع اور کمرشل فیز سبلیٹی براہ راست متاثر ہوتی ہے۔ پاکتانی روپے کی گرتی قدر سے فارما انڈسٹری کو بے پناہ پریشر کا سامنا کرنا پڑا

مزیدبرآل ادویات کے نرخول کے غیر منظم میکنزم کے باعث ریٹیل نرخول میں اتار چڑھاؤ بھی ہمارے لئے تثویش کا ایک بڑا موجب ہے۔ نئی پروڈکٹ کی منظوری میں تاخیر سے بھی مجموعی طور پر صنعت کے لئے کلیدی خطرات سامنے آتے ہیں۔ تاہم حالیہ ساسی صور تحال کی تبدیلی کے ساتھ ہم آنے والے معاشی رجانات کا جائزہ لے رہے ہیں اور اس کے مطابق اپنی حکمت مکلیوں میں تبدیلی لائیں گے۔

آنے والے سالوں میں سرل گروپ ابھرتے ہوئے بورٹ فولیو بشمول بائیوسمیلرز، میڈیکل ڈیوائسز، نیوٹرا سیوٹیکلز اور جنیوم سائنسز پر خصوصی توجہ دے رہا ہے۔

سرل گروپ میں ہم سب جذباتی طور پر ملحوظ و متحرک ہیں اور مستقل بنیاد پر پرُ عزم شراکت کر رہے ہیں۔ یہی شیوہ ہمارے شراکت کار، سپلائرز اور صارفین، کا بھی ہے جس کیلئے ہم ان کے شکر گزار ہیں اور توقع کرتے ہیں کہ اس گئن کے ساتھ وہ مستقبل میں بھی شریک کار رہیں گے۔ ہم یقین دلاتے ہیں کہ سرل گروپ اپنی کوششیں جاری رکھے گا اور ہم سے منسلک تمام شراکت کاروں کے لئے طویل المدتی ترقی فراہم کرے گا۔

غیر ملکی کر نبی کے تبادلے میں مسلسل اُتار چڑھاؤ اور خام مال کی درامدات پر انحصار ، پروڈکٹ کے منافع کی شرح میں کمی کا باعث بن رہا ہے اور یہ خطرہ ہولڈنگ کمپنی اور صنعت کو لاحق خطرات کی بنیا دی وجہ ہے۔

### INDEPENDENT AUDITORS' REPORT TO THE MEMBERS

### **Opinion**

We have audited the annexed consolidated financial statements of The Searle Company Limited and its subsidiaries (the Group), which comprise the consolidated statement of financial position as at June 30, 2018, and the consolidated statement of profit or loss, the consolidated statement of profit or loss and other comprehensive income, the consolidated statement of changes in equity and the consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion, consolidated financial statements give a true and fair view of the consolidated financial position of the Group as at June 30, 2018, and of its consolidated financial performance and its consolidated cash flows for the year then ended in accordance with the accounting and reporting standards as applicable in Pakistan.

### **Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following are the Key Audit Matters:

### S. No. Key Audit Matter

### (i) Companies Act, 2017

## (Refer note 3.1.2 to the consolidated financial statements)

The fourth schedule to the Companies Act, 2017 became applicable to the Group for the first time for the preparation of these annexed consolidated financial statements.

The Act has also brought certain changes with regard to preparation and presentation of annual consolidated financial statements of the Company. These changes include recognition of surplus on revaluation of property, plant and equipment in equity and additional disclosures. Particularly, change in the requirement relating to surplus on revaluation of property, plant and equipment is accounted for as change in accounting policy that also required inclusion of an additional statement of financial position at the beginning of the earliest period presented as disclosed in note 4 to the consolidated financial statements.

In view of the various additional disclosures and change in accounting policy relating to surplus on revaluation of property, plant and equipment in the annexed consolidated financial statements due to first time application of the provisions of the Companies Act, 2017, for the preparation of financial statements, we considered this as a key audit matter.

### How the matter was addressed in our audit

We reviewed and understood the requirements of the Companies Act, 2017 for the preparation of the consolidated financial statements. Our audit procedures included the following:

- considered the management's process to identify the additional disclosures required in the Group's annexed consolidated financial statements.
- obtained relevant underlying supports for the additional disclosures and assessed their appropriateness for the sufficient audit evidence.
- engaged an auditor's expert to test the reasonableness of the assumptions used by the Group management's property, plant and equipment valuer.
- ensured appropriate accounting is carried out with respect to the surplus on revaluation of property, plant and equipment as per IAS 16 "Property, Plant and Equipment".
- ensured the presentation and disclosure requirements of accounting and reporting framework relating to change in accounting policy for surplus on revaluation of property, plant and equipment and other additional disclosures.

### S. No. Key Audit Matter

### (ii) Litigation matters

## (Refer notes 24 and 25.1 to the consolidated financial statements)

The Group has litigation cases in respect of product pricing, income tax and sales tax matters, which are pending at various forums including Honourable High Court of Sindh, Commissioner Inland Revenue (Appeals) (CIR(A)), Appellate Tribunal Inland Revenue (ATIR) and the Drug Regulatory Authority of Pakistan (DRAP).

Matters under litigation require management to make judgements and estimates in relation to the interpretation of laws, statutory rules, regulations, and the probability of outcome and financial impact, if any, on the Group for disclosure and recognition and measurement of any provisions that may be required against such litigation matters.

Due to significance of amounts involved, inherent uncertainties with respect to the outcome of matters and use of significant management judgement and estimates to assess the same including related financial impacts, we considered litigation matters relating to product pricing and taxation a key audit matter.

### How the matter was addressed in our audit

Our audit procedures amongst others, included:

- obtained and reviewed details of the pending litigations and discussed the same with the Group's management;
- reviewed correspondence of the Group with the relevant authorities including judgments or orders passed by the competent authorities/ courts of law in relation to the issues involved or matters which have similarities with the issues involved;
- obtained confirmations from the Group's external legal and tax counsels for their views on open tax assessments and legal cases;
- involved internal tax professionals to assess management's conclusions on contingent tax matters and to evaluate the consistency of such conclusions with the views of the management and external tax advisors engaged by the Group; and
- reviewed disclosures made in respect of litigations in the financial statements.

### Information Other than the Financial Statements and Auditor's Report Thereon

Management is responsible for the other information. The other information comprises the information included in the annual report, but does not include the consolidated and unconsolidated financial statements and our auditor's reports thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### Responsibilities of Management and Board of Directors for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting and reporting standards as applicable in Pakistan and Companies Act, 2017 and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Group's financial reporting process.

### Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether
  due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit
  evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a
  material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve
  collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with the Board of Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Board of Directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the Board of Directors, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partner on the audit resulting in this independent auditor's report is Farrukh Rehman.

## 2. SUMMARY OF SIGNIFICANT TRANSACTIONS AND EVENTS IN THE CURRENT REPORTING YEAR

The Group's financial position and performance was particularly affected by the following events and transactions during the reporting year:

- a) Incurred corporate service charges and corporate restructuring charges amounting to Rs. 182.4 million and Rs. 88.95 million respectively refer notes 28 & 28.1;
- b) Obtained running finance facilities refer note 22.1;
- c) Gained revaluation surplus on property, plant and equipment amounting to Rs. 214.95 million refer note 5.1;
- d) IBLHC purchased land measuring 1,004 square yards in D.M.C.H.S., Karachi which has been classified as investment property refer note 6.1;
- e) IBLIPL increased its market penetration by launching nine new outlets during the year resulting in increased revenue by Rs. 153 million from the new outlets; and
- f) Due to applicability of the Companies Act, 2017, amounts reported for the previous years are restated. For detailed information please refer notes 3.1.2 & 4.

### 3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies applied in the preparation of these consolidated financial statements are set out below.

#### 3.1 Basis of preparation

### 3.1.1 Statement of Compliance

These consolidated financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRS Standards) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017; and
- Provisions of and directives issued under the Companies Act, 2017.

Where provisions of and directives issued under the Companies Act, 2017 differ from the IFRS Standards, the provisions of and directives issued under the Companies Act, 2017 have been followed.

**3.1.2** The Companies Act, 2017 (the Act) has also brought certain changes with regard to preparation and presentation of the consolidated financial statements of the Holding Company. These changes also include change in respect of revaluation surplus on property, plant and equipment as more carefully explained in note 4, change in nomenclature of primary statements, etc.

Further, the disclosure requirements contained in the Fourth Schedule to the Act have been revised, resulting in the:

- elimination of duplicative disclosures with the IFRS disclosure requirements; and
- incorporation of significant additional disclosures.

Keeping in view of the above, the presentation of these consolidated financial statements has been realigned with the provisions contained in the Act along with the impact on the recognition and measurement of the revaluation surplus on property, plant and equipment in equity.

### 3.2 Use of critical accounting estimates and judgements

The preparation of consolidated financial statements in conformity with the approved accounting and reporting standards require the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Group's accounting policies.

The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the consolidated financial statements are as follows:

- a) Income tax note 3.17
- b) Revaluation of property, plant and equipment note 3.6

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Management believes that the change in outcome of estimates would not have a material impact on the amounts disclosed in the consolidated financial statements.

No critical judgement has been used in applying the accounting policies.

### 3.3 Changes in accounting standards, interpretations and pronouncements

## a) Standards, interpretations and amendments to published approved accounting standards that are effective in the current year and are relevant

'IAS 7, 'Statement of Cash Flows' amendments introduce an additional disclosure that will enable users of financial statements to evaluate changes in liabilities arising from financing activities. The amendment is part of the IASB's Disclosure Initiative, which continues to explore how financial statement disclosure can be improved. In the first year of adoption, comparative information need not be provided.

The change has been disclosed in note 18 of these consolidated financial statements.

## b) Standards, interpretations and amendments to published approved accounting standards that are effective but not relevant

There are other new standards, amendments and interpretations that are mandatory for accounting periods beginning on or after July 1, 2017 but are considered not to be relevant for the Holding Company's consolidated financial statements and hence have not been detailed here.

**SEARLE** Annual Report 2018

## NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

For the year ended June 30, 2018

## c) Standards, interpretations and amendments to published approved accounting standards that are not yet effective but relevant

The following are the new standards, amendments to existing approved accounting standards and new interpretations that will be effective for the periods beginning on or after July 1, 2018, that may have an impact on the financial statements of the Company.

IFRS 9 'Financial instruments' - This standard replaces the guidance in IAS 39. It includes requirements on the classification and measurement of financial assets and liabilities; it also includes an expected credit losses model that replaces the current incurred loss impairment model.

IFRS 15 'Revenue from contracts with customers' - IFRS 15 replaces the previous revenue standards: IAS 18 'Revenue', IAS 11 'Construction Contracts', and the related interpretations on revenue recognition.

IFRS 15 introduces a single five-step model for revenue recognition and establishes a comprehensive framework for recognition of revenue from contracts with customers based on a core principle that an entity should recognise revenue representing the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services.

IFRS 16 'Leases' - IFRS 16 replaces the previous lease standard: IAS 17 'Leases'. It will result in almost all leases being recognised on the statement of financial position, as the distinction between operating and finance leases is removed. Under the new standard, an asset (the right to use the leased item) and a financial liability to pay rentals are recognised. The only exceptions are short term and low value leases.

The management is in the process of assessing the impact of changes laid down by these standards on its consolidated financial statements.

### 3.4 Overall valuation policy

These consolidated financial statements have been prepared under the historical cost convention except as otherwise stated below in the respective accounting policy notes.

#### 3.5 Basis of consolidation

#### i. Subsidiaries

Subsidiaries are all entities over which the Group has the power to govern the financial and operating policies generally accompanying a shareholding of more than 50% of the voting rights. The existence and effect of potential voting rights that are currently exercisable or convertible are considered when assessing whether the Group controls another entity. Further, the Group also considers whether:

- it has power to direct the relevant activities of the subsidiaries;
- is exposed to variable returns from the subsidiaries; and
- decision making power allows the Group to affect its variable returns from the subsidiaries.

Subsidiaries are fully consolidated from the date on which control is transferred to the Group. They are derecognised from the date the control ceases. These consolidated financial statements include The

Searle Company Limited (the Holding Company) and all companies in which it directly or indirectly controls, beneficially owns or holds more than 50% of the voting securities or otherwise has power to elect and appoint more than 50% of its directors (the Subsidiaries).

The Group uses the acquisition method of accounting to account for business combinations. The consideration transferred for the acquisition of a subsidiary is the fair values of the assets transferred, the liabilities incurred and the equity interests issued by the Group. The consideration transferred includes the fair value of any asset or liability resulting from a contingent consideration arrangement. Acquisition-related costs are expensed as incurred. Identifiable assets acquired and liabilities (including contingent liabilities) assumed in a business combination are measured initially at their fair values at the acquisition date. On an acquisition-by-acquisition basis, the Group recognises any non-controlling interest in the acquiree at the non-controlling interest's proportionate share of the acquiree's identifiable net assets.

If the business combination is achieved in stages, the acquisition date carrying value of the acquirer's previously held equity interest in the acquiree is re-measured to fair value at the acquisition date. Any gains or losses arising from such re-measurement are recognised in consolidated statement of profit or loss.

Goodwill is initially measured as the excess of the aggregate of the consideration transferred over the proportionate net identifiable assets acquired and liabilities assumed. If this is less than the fair value of the net assets of the subsidiary acquired, in the case of a bargain purchase, the difference is recognised in consolidated statement of profit or loss.

The financial statements of the subsidiaries have been consolidated on a line by line basis. Intercompany transactions, balances, income and expenses on transactions between group companies are eliminated. Profits and losses (unrealised) are also eliminated. Accounting policies of subsidiaries are consistent with the policies adopted by the Group.

#### ii. Transactions and non-controlling interests

The Group treats transactions with non-controlling interests that do not result in loss of control as transactions with equity owners of the Group. The difference between fair value of any consideration paid and the relevant share acquired of the carrying value of net assets of the subsidiary is recorded in equity. Gains or losses on disposals to non-controlling interests are also recorded in equity.

### 3.6 Property, plant and equipment

These are stated at cost less accumulated depreciation / amortisation and impairment loss, if any, except leasehold land, building on leasehold land, plant and machinery, vehicles and air-conditioning systems, which are stated at revalued amount less accumulated depreciation and impairment losses, if any, and capital work-in-progress which is stated at cost.

Depreciation is charged to the consolidated statement of profit or loss applying the straight line method, whereby the depreciable amount of an asset is written off over its estimated useful life. The revalued amount of building on leasehold land, plant and machinery, vehicles and air-conditioning systems is depreciated equally over the remaining life from the date of valuation. Depreciation is charged on additions from the month the asset is available for use and on disposals upto the month preceding the month of disposal.

Increases in the carrying amounts arising on revaluation of property, plant and equipment are recognised,

**SEARLE** Annual Report 2018

## NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

For the year ended June 30, 2018

net of tax, in the consolidated statement of profit or loss and comprehensive income and accumulated in reserves in shareholders' equity. To the extent that the increase reverses a decrease previously recognised in consolidated statement of profit or loss, the increase is first recognised in consolidated statement of profit or loss. Decreases that reverse previous increases of the same asset are first recognised in consolidated statement of profit or loss and other comprehensive income to the extent of the remaining surplus attributable to the asset; all other decreases are charged to profit or loss. Each year, the difference between depreciation based on the revalued carrying amount of the asset charged to consolidated statement of profit or loss and depreciation based on the asset's original cost, net of tax, is reclassified from the revaluation surplus on property, plant and equipment to retained earnings. The accumulated depreciation at the date of revaluation is eliminated against the gross carrying amount of the asset, and the net amount is restated to the revalued amount.

Disposal of asset is recognised when significant risk and rewards incidental to ownership have been transferred to buyers. Gains and losses on disposals are determined by comparing the proceeds with the carrying amount and are recognised within 'Other operating expense / income' in the consolidated statement of profit or loss.

Gain or loss on disposal or retirement of property, plant and equipment is included in the consolidated statement of profit or loss.

The Group reviews appropriateness of the rate of depreciation, useful life and residual value used in the calculation of depreciation.

### 3.7 Intangible assets

An intangible asset is recognised if it is probable that future economic benefits attributable to the asset will flow to the Group and that the cost of such asset can be measured reliably. These are stated at cost less accumulated amortisation and impairment, if any.

Distribution rights, brand name & logo and licenses have a finite useful life and are carried at cost less accumulated amortisation and accumulated impairment losses, if any.

Intangibles having infinite life are carried at cost less impairment, if any.

Amortisation is calculated using the straight line method to allocate the cost of trademarks and licenses over the useful lives.

Goodwill represents the difference between the consideration paid, for acquiring interests in a company and the value of the Group's share of its net assets at the date of acquisition.

### 3.8 Impairment of non-financial assets

The carrying amounts of the Group's assets are reviewed at each reporting date to determine whether there is any indication of impairment. If such indication exists the assets' recoverable amount is estimated. An impairment loss is recognised wherever the carrying amount of the asset exceeds its recoverable amount. Impairment losses are recognised in consolidated statement of profit or loss.

### 3.9 Investments in associates

Associates are all entities over which the Holding Company has significant influence but not control, generally accompanying a shareholding of between 20% and 50% of the voting rights or common

directorship. Investments in associates are initially recognised at cost. At subsequent reporting dates, the recoverable amounts are estimated to determine the extent of impairment losses, if any, and carrying amounts of investments are adjusted accordingly. Impairment losses are recognised as expense in the consolidated statement of profit or loss. Where impairment losses subsequently reverse, the carrying amounts of the investments are increased to the revised recoverable amounts but limited to the extent of initial cost of investments. A reversal of impairment loss is recognised in the consolidated statement of profit or loss. Investment in associates are accounted for using the equity method of accounting in the consolidated financial statements.

### 3.10 Investment properties

The Group carries investment properties at their respective costs under the cost model in accordance with IAS 40 'Investment Property'. The fair values are determined by the independent valuation experts and such valuations are carried out every year to determine the recoverable amount.

Asset classified as investment property is carried at its respective cost less accumulated depreciation and accumulated impairment losses, if any.

The Group carries investment property under work-in-progress at their respective costs less accumulated impairment losses, if any. Depreciation is charged on such property after it is completed as per IAS 40 'Investment Property'.

### 3.11 Financial assets and liabilities

All financial assets and liabilities are initially measured at cost, which is the fair value of the consideration given and received respectively. These financial assets and liabilities are subsequently measured at fair value, amortised cost or cost, as the case may be.

Financial assets and liabilities are off set and the net amount is reported in the statement of financial position if the Company has a legal right to set off the transaction and also intends either to settle on a net basis or to realise the asset and settle the liability simultaneously.

### 3.12 Inventories

Inventories are valued at the lower of cost and net realisable value except goods-in-transit which are valued at invoice value plus other charges incurred thereon. Cost signifies standard cost adjusted by variances.

Cost of raw and packing material comprises purchase price including directly related expenses less trade discounts. Cost of work-in-process and finished goods includes cost of raw material, direct labour and related production overheads.

Net realisable value signifies the estimated selling price in the ordinary course of business less all estimated costs of completion and costs necessarily to be incurred in order to make the sales.

Stores and spares are valued at lower of cost, determined using first-in-first-out method less provision for slow moving and obsolete stores and spares. Items in transit are valued at invoice value plus other charges incurred thereon.

**SEARLE** Annual Report 2018

## NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

For the year ended June 30, 2018

### 3.13 Trade and other receivables

Trade and other receivables are recognised and carried at invoice value less a provision for impairment. A provision for impairment is established when there is objective evidence that the Group will not be able to collect all amounts due according to the original terms of receivables. Trade and other receivables considered irrecoverable are written-off.

### 3.14 Cash and cash equivalents

Cash and cash equivalents are carried in the statement of financial position at cost. For the purposes of consolidated statement of cash flows, cash and cash equivalents comprise cash, balances with banks on current and deposit accounts and finance under mark-up arrangements.

### 3.15 Trade and other payables

Liabilities for trade and other payables are carried at cost which is the fair value of the consideration to be paid in the future for goods and services received.

### 3.16 Provisions

Provisions are recognised when the Group has a legal or constructive obligation as a result of past events, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are reviewed at each reporting date and adjusted to reflect the current best estimates.

### 3.17 Income tax

#### i. Current

The charge for current taxation is based on the taxable income for the year, determined in accordance with the prevailing law for taxation on income, using prevailing tax rates after taking into account tax credits and rebates available, if any.

### ii. Deferred

Deferred tax is accounted for using the liability method on all temporary differences arising between tax base of assets and liabilities and their carrying amounts in the consolidated financial statements. Deferred tax liability is generally recognised for all taxable temporary differences and deferred tax asset is recognised to the extent that it is probable that future taxable profits will be available against which the deductible temporary differences, unused tax losses and tax credits can be utilised. Deferred tax is charged or credited in the consolidated statement of profit or loss, except in the case of items credited or charged to equity in which case it is included in equity. Deferred tax is determined using tax rates and prevailing law for taxation on income that have been enacted or substantively enacted by the reporting date and are expected to apply when the related deferred tax asset is realised or the deferred tax liability is settled.

### 3.18 Employee retirement benefits

The Group operates various post-employment schemes, including both defined contribution and defined benefit plans.

### 3.18.1 Defined contribution plan

The Group operates a recognised provident fund scheme for all employees. Equal monthly contributions are made, both by the Group and the employees, to the fund at the rate of 10% per annum of the basic salary. The contributions are recognised as employee benefit expense when they are due.

### 3.18.2 Defined benefit plan

Defined benefit plans define an amount of pension or gratuity or medical benefit that an employee will receive on or after retirement, usually dependent on one or more factors such as age, years of service and compensation. A defined benefit plan is a plan that is not a defined contribution plan. The liability recognised in the consolidated statement of financial position in respect of defined benefit plans is the present value of the defined benefit obligation at the end of the reporting period. The defined benefit obligation is calculated annually by an independent actuary using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows using interest rates of high-quality corporate bonds or the market rates on government bonds. These are denominated in the currency in which the benefits will be paid, and that have terms to maturity approximating the terms of the related benefit obligation.

The Holding Company operates an unfunded gratuity scheme covering all unionised employees with five or more years of service with the Holding Company. The provision has been made in accordance with actuarial valuations carried out as of June 30, 2018 using the projected unit credit method.

### 3.19 Revenue recognition

Revenue is recognised to the extent it is probable that the economic benefits will flow to the Group and the revenue can be measured reliably. Revenue is measured at the fair value of the consideration received or receivable, and is recognised on the following basis:

- Revenue from sale of goods is recognised on despatch of goods to customers, export sales are recorded when the goods are shipped i.e. when the significant risks and reward of ownership have been transferred to the customer.
- Income from toll manufacturing is recognised when services are rendered.
- Dividend income, other than those from investments measured using equity method, is recognised when the Group's right of receipts is established.
- Interest income and rental income are recognised on accrual basis.

### 3.20 Borrowings and their cost

Borrowings are initially recognised at cost being the fair value of the consideration received together with the associated transaction cost. Subsequently, these are recognised at amortised cost using the effective interest method. Borrowing costs are recognised as an expense in the period in which these are incurred except to the extent of borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset. Such borrowing costs are capitalised as part of the cost of that asset. Borrowings payable within next twelve months are classified as current liabilities.

**SEARLE** Annual Report 2018

## NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

For the year ended June 30, 2018

### 3.21 Foreign currency transactions and translation

The consolidated financial statements are presented in Pak Rupees which is the Group's functional and presentation currency.

Transactions in foreign currencies are converted into Pak Rupees using the exchange rates prevailing on the dates of the transactions. All monetary assets and liabilities denominated in foreign currencies are translated into Pak Rupees using the exchange rates prevailing on the reporting date. Exchange differences are taken to consolidated statement of profit or loss.

### 3.22 Research and development costs

Research and development cost except to the extent that an intangible asset is recognised, is charged in the year in which it is incurred. Development costs previously charged to in the consolidated statement of profit or loss are not recognised as an asset in the subsequent period.

### 3.23 Operating lease

Leases in which a significant portion of the risks and rewards of ownership is retained by the lessor are classified as operating leases. Payments made under operating leases are charged to in the consolidated statement of profit or loss on a straight-line basis over the period of the lease.

### 3.24 Dividend distribution

Dividend distribution to shareholders is recognised as liability in the consolidated financial statements in the period in which the dividend is declared and approved.

### 3.25 Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision-maker who is responsible for allocating resources and assessing performance of the operating segments.

### 4. CHANGE IN ACCOUNTING POLICY

The specific provision / section in the repealed Companies Ordinance, 1984 relating to the revaluation surplus on property, plant and equipment has not been carried forward in the Companies Act, 2017. Previously, section 235 of the repealed ordinance specified the accounting treatment and presentation of the surplus on revaluation of property, plant and equipment, which was not in accordance with the IFRS requirements. Accordingly, in accordance with the requirements of International Accounting Standard (IAS) 16, Property, Plant and Equipment, surplus on revaluation of property, plant and equipment would now be presented under equity.

Following the application of IAS 16, the Group's policy for surplus on revaluation of property, plant and equipment stands amended as follows:

- Increases in the carrying amounts arising on revaluation of property, plant and equipment are recognised, net of tax, in consolidated statement of profit or loss and other comprehensive income and accumulated in reserves in shareholders' equity. To the extent that the increase reverses a decrease previously recognised in consolidated statement of profit or loss, the increase is first recognised in consolidated statement of profit or loss. Decreases that reverse previous increases

of the same asset are first recognised in consolidated statement of other comprehensive income to the extent of the remaining surplus attributable to the asset; all other decreases are charged to consolidated statement of profit or loss. Each year, the difference between depreciation based on the revalued carrying amount of the asset charged to consolidated statement of profit or loss and depreciation based on the asset's original cost, net of tax, is reclassified from the revaluation surplus on property, plant and equipment to retained earnings.

The change in accounting policy has been accounted for retrospectively in accordance with the requirements of IAS 8 'Accounting Policies, Changes in Accounting Estimates and Errors' and comparative figures have been restated.

The effect of change in accounting policy is summarised below:

11.6 The Competition Commission of Pakistan (CCP) through its order dated September 13, 2007 instructed the Holding Company to reduce terms of trade credit with IBL Operations (Private) Limited, an associated concern, re-negotiate the offered rate of commission and conduct audit of the transactions. The Holding Company filed a counter case in Honorable High Court of Sindh to revert the order. The Holding Company, based on the opinion of its legal advisor, believes that it has a strong case and the matter would be decided in the favour of the Holding Company.

Mortality was assumed to be SLIC (2001-05) for males and females, as the case may be, but rated down by one year.

**20.1.8** The sensitivity of the defined benefit obligation to changes in the weighted average principal assumption is:

|                                   | Impact on defined benefit obligation |                        |                        |

- **20.1.9** If longevity increases by 1 year, the resultant increase in obligation is insignificant.
- 20.1.10 The above sensitivity analysis are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as and when calculating the gratuity liability recognised within the consolidated statement of financial position.

- **20.1.11** As per actuarial advice, the Holding Company is expected to recognise a service cost of Rs. 6.2 million in 2019.
- **20.1.12** The weighted average service duration of employees is 9.4 years.

| 24.1.1 | High Court<br>of Sindh                 | During the year ended June 30, 2014, Sindh Revenue Board (SRB) has imposed sales tax on toll manufacturing at the rate of 16% of sales value. The cumulative such sales tax amounts to Rs. 218.9 million. The matter has been contested in the High Court of Sindh.   | The Holding<br>Company and<br>The Federation<br>of Pakistan | 2014            |
| 24.1.2 | High Court<br>of Sindh                 | Section 5A of Income Tax Ordinance, 2001 inserted through Section 5(3) of the Finance Act, 2015 requires the Holding Company to charge income tax @ 10% on the reserves of the companies where they exceed an amount equivalent to the paid up capital. The Company has filed a suit for declaration and permanent injunction before the Court challenging the vires of the above said section. | The Holding<br>Company and<br>The Federation<br>of Pakistan | 2015            |
|        |  | The Court passed ad interim orders restraining the defendants from taking any coercive action as prayed. The case is at the stage of hearing of applications. The charge for the tax year 2016 amounts to Rs. 283.08 million.   |   |                 |
| 24.1.3 | High Court<br>of Sindh                 | The Holding Company and IBLHC has challenged the levy of Sindh Sales Tax on services of renting of immovable property which has been categorised as renting services by the SRB.  | The Holding<br>Company,<br>IBLHC and<br>Province of         | 2016            |
|        |  | The companies have challenged the levy on constitutional grounds taking the stance that renting of immovable property is not a "service" and therefore does not fall within the competence of SRB to tax through the Sindh Sales Tax on Services Act, 2011.   | Sindh   |                 |

|--------|--|---|---|--------------------|
| 24.1.4 | High Court<br>of Sindh                 | A suit was filed to challenge the imposition of Sales Tax under Sales Tax Act, 1990 with respect to raw material being used for manufacturing pharmaceutical products inspite of such raw material being exempt in view of Entry No. 105 of the Sixth schedule of the Act.  | The Holding<br>Company and<br>The Federation<br>of Pakistan | 2014               |
|        |  | The Court issued interim orders restraining the defendants from collecting sales tax on raw material imported by the Holding Company. It has been further asserted that the term "manufacture", as stated in Sub-section 16 of Section 2 of the Sales Tax Act, 1990, adequately covers the present activity and exempts the Holding Company from payment of Sales Tax on the Packaging utilised in the manufacture of drugs/ pharmaceuticals. The case is at the stage of hearing of applications. The cumulative impact of this levy amounts to Rs. 31.6 million.  |   |                    |
| 24.1.5 | High Court of<br>Sindh                 | Section 236 M of the Income Tax Ordinance, 2001 (the 'Ordinance'), inserted through Finance Act, 2014, specifies that every company, quoted on stock exchange, while issuing bonus shares shall withhold five percent of the bonus shares to be issued. Bonus shares withheld shall only be issued to a shareholder, if the Company collects tax equal to five percent of the value of the bonus shares issued including bonus share withheld, determined on the basis of day-end price on the first day of closure of books. The tax is to be collected within fifteen days of the first day of closure of books, after which company is required to deposit shares withheld to Central Depository Company, in favour of the Federal Government. | The Holding<br>Company and<br>The Federation<br>of Pakistan | 2015               |
|        |  | Based on the requirement mentioned above, the Holding Company is exposed to tax liability of approximately Rs. 71.8 million (2017: Rs. 52.8 million), on account of bonus shares received from IBLHC from 2015 onwards. The Holding Company has filed a petition in respect of tax on bonus shares in Honourable High Court of Sindh, and expects a favourable outcome, based on a legal advice. Further, pending decision of the Honourable High Court of Sindh, IBLHC has withheld 1,117,379 shares (2017: 853,869 shares) with Central Depository Company of Pakistan Limited.   |   |                    |

### 32.4 Current status of tax assessments

#### Tax Years 2009 to 2013 and 2017 (Holding Company)

Deemed order under Section 120 of the Income tax Ordinance, 2001 for the above tax years were amended, where certain expenses / benefits were disallowed which mainly includes disallowance due to non-deduction of tax on Distributors margin, eligibility of claim made for Group Relief, finance cost on long-term loan as not being related to business income, advertisement expenses, salesman bonuses, discount given to group company, deemed interest income on interest-free loan given to group company and other expenses meeting the criteria of Section 21(c) of the Income Tax Ordinance, 2001 with reference to deduction of tax.

Appeals against the above orders are pending before Appellate Tribunal Inland Revenue (ATIR) except for tax years 2008 which is decided and the tax year 2017 which is pending before Commissioner Appeals.

Out of the above, majority of the issues have been decided in favour of the Holding Company either by Commissioner Appeals or by ATIR in its decision for tax year 2008. Considering this position and in consultation with its tax advisors, the management is of the view that above issues will also be decided in favour of the Holding Company. The impact of the above mentioned orders pending resolution amounts to approximately Rs. 313.8 million.

#### 36. SEGMENT INFORMATION

Management has determined the operating segments based on the information that is presented to the chief operation decision-maker of the Group for allocation of resources and assessment of performance. Based on internal management reporting structure the Group is organised into the following two operating segments:

- Pharmaceutical
- Consumer

Management monitors the operating results of above mentioned segments separately for the purpose of making decisions about resources to be allocated and for assessing performance. Previously, Investment property was also considered a separate segment.

Segment results and assets include items directly attributable to a segment as well as those that can be allocated on a reasonable basis.

Consumer

#### (a) Market risk

#### (i) Interest rate risk

Interest rate risk is the risk that fair value or future cash flows of a financial instrument will fluctuate due to changes in the market interest rates. Financial assets and liabilities obtained at variable rates expose the Group to cash flow interest rate risk.

At June 30, 2018, the Group has variable interest bearing financial liabilities of Rs. 2.71 billion (2017: Rs. 1.39 billion), and had the interest rate varied by 200 basis points with all the other variables held constant, profit before tax for the year would have been approximately Rs. 54.2 million (2017: Rs. 27.9 million) higher / lower, mainly as a result of lower / higher interest expense on floating rate borrowings respectively.

#### (ii) Currency risk

Foreign currency risk arises mainly where payables and receivables exist due to transactions in foreign currencies. The Group's exposure to exchange risk comprise mainly due to receivable, payable and bank balance in foreign currency. At June 30, 2018, trade and other payables of Rs. 708 million (2017: Rs. 387.85 million), bills payable of Nil (2017: Rs. 20.98 million), trade receivables of Rs. 182.9 million (2017: Rs. 135.85 million) and bank balance of Rs. 0.35 million (2017: Rs. 0.35 million) are exposed to foreign currency risk.

As at June 30, 2018, if the Pakistan Rupee had weakened / strengthened by 2% against US Dollar with all other variables held constant, profit before income tax for the year would have been lower / higher by Rs. 10.5 million (2017: Rs. 5.03 million), mainly as a result of foreign exchange gains / losses on translation of US Dollar denominated trade and other payables, bills payable, trade receivables and cash and bank.

As at June 30, 2018, if the Pakistan Rupee had weakened / strengthened by 2% against Euro with all other variables held constant, profit before tax for the year would have been lower / higher by Rs. 0.8 million (Rs. 0.42 million), mainly as a result of foreign exchange gains / losses on translation of Euro trade and other payables.

The sensitivity of foreign exchange rates looks at the outstanding foreign exchange balances of the company only as at the reporting date and assumes this is the position for a full twelve-month period. The volatility percentages for movement in foreign exchange rates have been used due to the fact that historically (five years) rates have moved on average basis by the mentioned percentages per annum.

#### (iii) Price risk

Price risk is the risk that fair value of a financial instrument will fluctuate as a result of changes in market prices, whether those changes are caused by factors specific to the fund or it's management company.

The Group limits price risk by maintaining a diversified portfolio and by continuous monitoring of developments in open ended income funds. In addition, the Group actively monitors the key factors that affect the open ended income funds. The maximum exposure to price risk as at June 30, 2018 amounts to Rs. 55.78 million (2017: Rs. 160.88 million).

#### (b) Credit risk

Credit risk represents the accounting loss that would be recognised at the reporting date if counterparts failed to perform as contracted. The maximum exposure to credit risk is equal to the carrying amount of financial assets. Out of the total financial assets of Rs. 7,125 million (2017: Rs. 5,787 million) the financial assets exposed to the credit risk amount to Rs. 7,086 million (2017: Rs. 5,775 million). The carrying values of financial assets are as under:

Trade receivables of the Group are not exposed to significant credit risk as the major amount is due from IBL Operations (Private) Limited - an associated company. However, the Group has established policies and procedures for timely recovery of trade receivables. With respect to parties other than affiliates, the Group mitigates its exposure and credit risk by applying credit limits to its customers. Loans and advances include Rs. 236.51 million (2017: Rs. 222.97 million) due from International Brands Limited - Ultimate Parent Company.

The fair value through profit and loss investments represent investments in open end mutual funds. The Group manages its credit and price risk by investing in income based diversified mutual funds.

Bank balance represent low credit risk as major balances are placed with banks having credit ratings of A or above as assigned by PACRA or JCR-VIS.

#### (c) Liquidity risk

Liquidity risk reflects the Group's inability in raising funds to meet commitments. The management closely monitors the Group's liquidity and cash flow position. The Group's approach to manage liquidity risk is to maintain sufficient level of liquidity based on expected cash flow by holding highly liquid assets, creditor concentration and maintaining sufficient reserve borrowing facilities.

#### 40.3 Fair values of the financial instruments

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions (i.e. an exit price) regardless of whether that price is directly observable or estimated using another valuation technique.

As at June 30, 2018, all financial assets and financial liabilities are carried at cost except for investment in held for trading securities which are being carried at fair value.

The Group classifies fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- a) Quoted prices (unadjusted) in active markets for identical assets or liabilities (level 1).
- b) Inputs (other than quoted prices included within level 1) that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (level 2).

c) Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs) (level 3).

The Group recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the transfer has occurred.

The Group's policy for determining when transfers between levels in the hierarchy have occurred includes monitoring of the following factors:

- changes in market and trading activity (e.g. significant increases / decreases in activity)
- changes in inputs used in valuation techniques (e.g. inputs becoming / ceasing to be observable in the market)

There were no transfers between level 1, 2 or 3 of the fair value hierarchy during the year.

The valuation technique used is as follows:

Level 1: Quoted prices (unadjusted) in active markets

The fair value of financial instruments traded in active markets is based on the market value of the shares and Net Asset Value (NAVs) of the unit of mutual funds at the reporting date. A market is regarded as active when it is a market in which transactions for the asset or liability take place with sufficient frequency and volume to provide pricing information is on an ongoing basis.

The following table analyses within the fair value hierarchy of the Group's financial assets (by class) measured at fair value at June 30, 2018:

#### 41. CAPITAL RISK MANAGEMENT

The Group's objectives when managing capital are to safeguard the Group's ability to continue as a going concern, so that it can provide adequate returns to shareholders and benefits to other stakeholders and to maintain an optimal capital structure to reduce the cost of capital.

The Group finances its operations through equity, borrowings and management of working capital with a view to maintain an appropriate mix between various sources of finance to minimise risk.

**SEARLE** Annual Report 2018

# NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

For the year ended June 30, 2018

#### 45. CORRESPONDING FIGURES

Due to revision in Fourth Schedule to Companies Act, 2017, following required changes have been made:

- Unclaimed dividend which was previously classified under trade and other payables has been separately disclosed as unclaimed dividend and unpaid dividend on the face of the consolidated statement of financial position.
- Stores and spares which was separately classified on the face of the consolidated statement of financial position has been presented under inventories.
- Revaluation surplus on property, plant and equipment which was separately disclosed on the face of the consolidated statement of financial position has been presented under equity.
- Short-term borrowings and current portion of long-term borrowing which were previously classified separately on the face of consolidated statement of financial position have now been classified under borrowings.
- Sales tax payable and accrued mark-up which were previously classified separately on the face
  of consolidated statement of financial position have now been classified under trade and other
  payables.

#### **46. SUBSEQUENT EVENTS**

**46.1** The Board of Directors of the Holding Company in the meeting held on has approved the following appropriation:

|  | 2018    | 2017      |
|--|---------|-----------|
|  | Rupees  | s '000    |
| - Issue of 15 bonus shares for<br>every 100 shares (June 30, 2017: 20 bonus<br>shares for every 100 shares) held | 277,076 | 307,863   |
| - Cash dividend of Rs. 5   | 000 500 | 1 001 451 |
| (June 30, 2017: Rs. 8) per share   | 923,588 | 1,231,451 |

These would be recognised in the Group's financial statements in the year in which such dividend and distribution are approved.

46.2 Subsequent to the year end, certain batches of the Holding Company's finished product "Extor" amounting to Rs. 157.95 million was re-called from the markets in consequence to a review triggered by the European Medicine Agency (EMA). The EMA in its review had detected an impurity in the Active Pharmaceutical Ingredient (API) of the raw material used in Extor supplied by a certain manufacturer in China. In this regard, the Holding Company has immediately replaced the product recalled from the market by new products and is expected to lodge claims to the manufacturer in China in respect of any damages that the Holding Company might suffer.

#### 47. DATE OF AUTHORISATION FOR ISSUE

These financial statements were approved by the Board of Directors of the Holding Company and authorised for issue on October 11, 2018
