## DIRECTORS' REVIEW

I feel pleasure to present to you on behalf of Board of Directors the un-audited Financial Statements of Millat Tractors Limited for the first quarter ended September 30, 2009.

The Company achieved a sales volume of 7,151 tractors in the first quarter as against 5,840 tractors for the corresponding quarter of the last year, showing an increase of 22.4 %. Sales revenue increased to Rs. 3,798 million as against Rs. 2,873 million during corresponding period of last year, showing an increase of 32.2%.

Pre-tax profit for the quarter amounts to Rs. 552 million as compared to Rs. 192 million of the corresponding period of previous year, thus showing an increase of 187.5%.

During this quarter, your Company has shown better performance due to increase in production of tractors, which was made possible through better management of our production resources and marked improvement in our supply chain. Such performance will consequently reduce the delivery time of tractors in future.

Government support for agriculture sector in the shape of subsidy schemes like Benazir Tractor Scheme has boosted up the demand of tractors. We are well prepared to meet the increased requirements through efficient utilization of our resources.

We take this opportunity to thank our valued customers who have shown great confidence in our products and make a resolve to provide them the value of their money by supplying quality products. We also acknowledge the co-operation extended to us by our valued principals, dealers, vendors and convey our gratitude to employees of the Company for their loyalty, devotion and hard work.

For and on behalf of the Board
