Operational Results

This was a crosed your for the fined in more than one ways. The Yord has posted a not profit after tax of PKR 1803 arm and ISSP 1842.23 for PTO'S, and pile 24.75 from his system point of PKR 180.1 is 167 PKR 24.35 for PTO'S, and pile 24.75 from his system point of PKR 180.1 is 167 PKR 24.35 for PKO'S, and the PKR 3.45 are in unrealized gains on remeasurement of marketable recentries. The NAV of the fund has declared from 10.22 talty year to SQF for this year. The declare in NAV and PSP is due to the distinct effect of the 229.4 if "right is sous." The profit after tax includes PKR 164.08 mn in capital gains and PKR 19.05 mn in divided income.

Payout to Shareholders

The Board has recommended cash dividend at Rs. 2.00 per share i.e. 40%. The book closure for the entitlement shall be from 23rd Sentember 2005 to 30th September 2005 to this days inclusive).

Future Prospects

We are still cautiously optimistic on the future of USE-100 and choose to stay long in selected octore that we expect to bendit must from the development at the more excommic level. Of course, we do not expect a ruly expect to bendit most from the development at the more excommic level. Of course, we do not expect as the contract of the contract of

Additionally, our main strategy of only buying fundamentally strong and under valued stocks remains in tact. The strategy has believed us maximize our shareholders' returns through the twists and turns of last year and we believe that it will bely us continue to perform exceptionally well in the year to come.

NOTES TO THE ACCOUNTS - JUNE 30, 2005

1. STATUS AND NATURE OF BUSINESS

The Company was incorporated on May 09, 1983 in Pakistan as a public limited company under Companies Act, 1913 (now Companies Ordinance, 1984) with registered office in Karuchi, Sindh. It was registered as an investment company under the Investment Companies and Investment Advisers Rules, 1971 (Rules). Company is listed on the Karachi and Lahore Stock Exchanges. The Company is a dosed-end mutual fund and its perincipal activity is to make investment in marketable securities.

During the year the Company has changed its investment adviser and entered into an agreement with AKD Investment Management Limited which has been approved by the Securities and Exchange Commission of Pakistan (SECP).

2. STATEMENT OF COMPLIANCE

These financial statements have been prepared in accordance with requirements of Companies Ordinance, 1984, the NBFC Rules, directives issued by the SEDC and approved accounting standards as applicable in Pakistan. Approved Accounting Standards comprise of such International Accounting Standards (10,8) as are notified under the provisions of the Companies Ordinance, 1984, the NBFC Rules or directives issued by SECP differ with the accounting Standards (1984, the NBFC Rules or directives issued by SECP differ with the standard directives the previous Companies of Companies Ordinance, 1984, the NBFC Rules and the add directives the previous Companies of Companies Ordinance, 1984, NBFC Rules and the add directives the previous ordinance, 1984, NBFC Rules and the standards of the Companies of Companies Ordinance, 1984, NBFC Rules and the SECP Rules of Companies of Companies of Companies Ordinance, 1984, NBFC Rules and the SECP Rules of Companies of Companie

During the year, the SECP substituted the Fourth Schedule to the Ordinance which is effective from financial year ending on or after July 5, 2004. This has resulted in the change in accounting policy pertaining to recognition of dividends declared subsequent to the very end (note 10.7).

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

3.1. Accounting convention

These financial statements of the Company are prepared under the historical cost convention, except marketable securities which are included at fair value in accordance with the recognision criteria specified in the relevant International Accounting Standards and the requirement of NBPC Rules.

3.2 Marketable securities

Investments held for trading

An investment held for trading is acquired principally for the purpose of generating profit from shortterm fluctuations in prices. These are initially measured at out being the fair value of consideration gives on the date when the company commits to purchase the in-barried single transaction costs associated with the investment. Subsequently, these are valued at fair value of the investment of the principal control of the principal control

nvestments available for s

Other Investments are classified as available for sale and are initially measured at cost being the fair

value of consideration given on the date when the company commits to jurchase the investment, including transaction costs associated with the investment. Subsequently, these are valued at fair value, which is the quoted tild price at took exchange at the barrier of the offer term finance certificates which in accordance with the directives of the SECP are curried at control are accordance with the directive of the SECP are curried at order as a small price as the second of the second of

Held to maturity

Only those securities are classified as held to maturity which have fixed or determinable payments and fixed maturity that company has recitive intent and shifts to held unto maturity.

Securities that are not traded in market and for which reliable quotes are not available, are carried at cost in accordance with NBFC Rules 2-xxxiv (i).

3.3 Revenue recognition

Capital gains / Losses) arising on sale of securities are included in the income statement in the period in which such securities are sold / de-recognised. Dividend income is recognised when the right to receive dividend is established i.e on the date of book

Income on term finance certificate is recognized on accord basis

Profit on bank deposits is recognised on accrual basis.

3.4 Taxation

The charge for the current taxation is based on taxable income at the current rates of taxation after taking into account tax credits and tax rebates available, if any:

3.5 Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the statement of assets and liabilities when there is a legally enforceable right to off set the recognized amounts and there is an intention to settle on a net basis, or realise the assets and settle the liabilities simultaneously.

3.6 Financial assets and financial liabilities

Financial assets and liabilities are recognised at the time when the company becomes a party to the centractual previouses of the instrument and de-recognised when the company loses control of contractual rights that cossprise the financial assets and in the case of financial liabilities when the obligation specified in the contract is discharged, cancelled or expired.

Financial assets carried on the statement of assets and liabilities include bank balances, receivable against sale of marketable securities, investment in marketable securities classified as 'held for trading' and 'aruilable for sale,' divided and profit receivable.

Financial Liabilities carried on the statement of assets and liabilities include remuneration payable

to the investment adviser, payable against purchase of marketable securities, accrued expenses and other liabilities, proposed and unclaimed dividend.

At the time of initial recognition, all financial assets and financial liabilities are measured at cost, that may be incurred on disposal. The particular recognition method adopted for measurement of financial assets and liabilities subsequent to initial recognition is disclosed in the individual policy statement associated with each item.

3.7 Payables and acceptals

Pavables and accruals are carried at cost which is the fair value of the consideration to be paid in the future for the services received, whether or not billed to the company.

3.8 Provisions

Provisions are recognised when the company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the amount can be made.

3.9 Related party transactions Related party transactions are stated at arm's length prices based on the method given in note 17 to
