REPORT OF THE DIRECTORS OF THE MANAGEMENT COMPANY

The Board of Directors of HBL Asset Management Limited is pleased to present its report together with interim financial statements of **HBL Money Market Fund** (the Fund) for the period from May 28, 2010 to March 31, 2011.

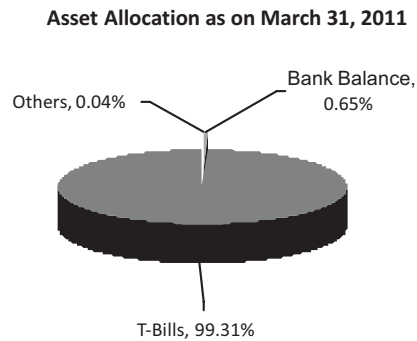

Fund's Performance

By the Grace of Allah the Fund was offered for Initial Public Offering (IPO) on July 12, 2010 to July 14, 2010. A sum of Rs 715 million was received from pre-IPO investors and general public including Rs 100 million from Core Investor. The Fund commenced its operations on July 15, 2010. The net assets of the Fund increased to as high as Rs 3.59 billion on March 18, 2011; however, the Fund size reduced due to redemption and was Rs 2.98 billion as on March 31, 2011.

During the period under review, the total and net income of the Fund was Rs 208.71 million and Rs 189.81 million respectively. The Net Asset Value (NAV) of the Fund increased from Rs 100 per unit at July 14, 2010 to Rs 102.9783 per unit as on March 31, 2011. After incorporating first interim dividend at Rs 2.25 per unit and second interim dividend at Rs 2.90 per unit, the Fund has given an annualized return of 11.41%. During the same period the benchmark return (50% 3 - Month PKRV + 50% 3 - Month Deposit Rate) was 10.60%. The Fund was able to outperform the benchmark due to its over 90% investment in high yielding short term treasury securities during the period under review.

Asset Allocation

The asset allocation of the Fund in various sectors and asset classes as on March 31, 2011 was as under:

REPORT OF THE DIRECTORS OF THE MANAGEMENT COMPANY

Market Review

During the first nine months of the current fiscal year the State Bank of Pakistan (SBP) opted for a tight monetary policy in the first five months. The policy rate was first increased in July, 2010 from 12.5% p.a. to 13% p.a.; on September 30, 2010 it was further increased from 13% p.a. to 13.5% p.a. and finally another 50 bps increase on November 28, 2010 bringing it to 14% p.a. The upsurge in inflation (YoY 15.8% as of Nov 2010) due to the post flood disruptions along with increased government borrowing from State Bank (Rs 266 billion as of 19th Nov 2010) and continued fiscal slippages were the major reasons for tight monetary stance of the SBP. However, the SBP maintained the policy rate at 14% p.a. in its last two consecutive monetary policy announcement on January 29, 2010 and March 29, 2011. The reason to maintain the policy rate at 14% p.a. can be attributed to factors such as easing off pressure on current account which showed surplus of Rs 53 million in the month of February 2011, strong inflows of remittances and building up of foreign exchange reserves. Further, the Government also gradually contained its borrowing from SBP and YoY inflation also reduced from 15.46% in December 2010 to 13.16% in March 2011.

Six months KIBOR has increased from 12.37% p.a. on July 01, 2010 to 13.73% p.a. on March 31, 2011.

The direction of the policy rate would largely be dependent on Government ability to reduce its borrowings from the SBP and successful implementation of Government efforts to generate additional revenues through recently introduced tax measures. Due to high rate of return in Government securities, the banks are more inclined to invest in high yielding risk free securities. This is affecting lending to private sector.

Acknowledgement

The Board takes this opportunity to thank its valued unit-holders for their confidence and patronage. It would like to place on record its appreciation for the help and guidance provided by Securities & Exchange Commission of Pakistan, Central Depository Company of Pakistan as Trustee, the Lahore Stock Exchange and State Bank of Pakistan.

The Board also wishes to place on record its appreciation for the hard work and dedication shown by the staff.

On behalf of the Board of
HBL Asset Management Limited

Towfiq Habib Chinoy

Chairman

HBL MONEY MARKET FUND
NOTES TO THE CONDENSED INTERIM FINANCIAL STATEMENTS (UN-AUDITED)
FOR THE PERIOD FROM MAY 28, 2010 TO MARCH 31, 2011

1 LEGAL STATUS AND NATURE OF BUSINESS

HBL Money Market Fund (the Fund) was established under a Trust Deed, dated March 18, 2010, executed between HBL Asset Management Limited as the Management Company and Central Depository Company of Pakistan Limited as the Trustee. The Fund has been authorised by the Securities and Exchange Commission of Pakistan (the SECP) as a unit trust scheme on April 9, 2010.

The Management Company of the Fund has been licensed to act as an Asset Management Company under the NBFC Rules through a certificate of registration issued by the SECP. The registered office of the Management Company is situated at 8B - 8th Floor, Executive Tower, Dolmen City, Block 4, Clifton, Karachi, Pakistan.

The Fund is an open ended mutual fund and offers units for public subscription on a continuous basis. The units are transferable and can also be redeemed by surrendering to the Fund. The Fund is listed on the Lahore Stock Exchange. The units of the Fund were initially offered for public subscription at par from July 12, 2010 to July 14, 2010.

The principal activity of the Fund is to seek high liquidity and comparative return for investors by investing in low risk securities of shorter duration and maturity.

JCR-VIS Credit Rating Agency has assigned management quality rating of 'AM3+' to the Management Company and assigned Fund stability rating of 'AA+(f)' to the Fund.

2 BASIS OF PREPARATION

2.1 Statement of compliance

This condensed interim financial report has been prepared in accordance with the approved accounting standards as applicable in Pakistan for interim financial reporting. Approved accounting standards comprise of IAS 34: 'Interim Financial Reporting' (IAS 34), the Trust Deed, Non Banking Finance Companies (Establishment and Regulation) Rules, 2003 (NBFC Rules), Non Banking Financing Companies and Notified Entities Regulations 2008 (NBFC Regulations) and the directives issued by the SECP. Wherever the requirements of the Trust Deed, the NBFC Rules, NBFC Regulations or the said directives differ with the requirements of IAS 34, the requirements of the Trust Deed, NBFC Rules, NBFC Regulations or the said directives take precedence.

This condensed interim financial report comprise of statement of assets and liabilities, income statement, distribution statement, statement of movement in unit holders' fund and cash flow statement, together with the notes forming part thereof. The disclosures made in this condensed interim financial report have, however, been limited based on the requirements of International Accounting Standard 34, 'Interim Financial Reporting'.

The SECP granted exemption to the Management Company from preparing and publishing the financial statements of the Fund for the period from May 28, 2010 to June 30, 2010 and allowed to cover the said period in the financial statements to be prepared for the year ended June 30, 2011. Furthermore, the first quarterly financial statements of the Fund were allowed to be prepared and published covering the said period. Accordingly, this condensed interim financial report covers the period from May 28, 2010 to December 31, 2010.

The condensed interim report is un-audited. However, a limited scope review has been performed by the external auditors in accordance with the requirements of clause (xxi) of the Code of Corporate Governance.

This condensed interim financial report is un-audited. Accordingly, the Board of Directors of the Management Company declare that this condensed interim financial report gives a true and fair view of the Fund.

2.2 Critical accounting estimates and judgments

The preparation of financial statements in conformity with approved accounting standards requires the use of certain critical accounting estimates. It also requires the management to exercise its judgment in the process of applying the Fund's accounting policies. Estimates and judgments are continually evaluated and are based on historical experience, including expectations of future events that are believed to be reasonable under the circumstances. The areas where various assumptions and estimates are significant to the Fund's financial statements or where judgment was exercised in application of accounting policies are as follows:

- i) Classification and valuation of investments
- ii) Amortisation of preliminary expenses and floatation costs

2.3 Accounting Convention

This condensed interim financial report have been prepared under the historical cost convention.

2.4 Functional and Presentation Currency

This condensed interim financial report is presented in Pak Rupees which is the Fund's functional and presentation currency.

3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies applied in the preparation of this condensed interim financial report are set out below:

3.1 Cash and cash equivalents

Cash and cash equivalents include demand deposits with banks, other short term highly liquid investments with original maturities of three months or less and bank overdrafts.

3.2 Financial assets

3.2.1 Classification

The Fund classifies its financial assets in the following categories: at fair value through profit or loss, available for sale and loans and receivables. The classification depends on the purpose for which the financial assets were acquired. Management determines the classification of its financial assets at initial recognition and re-evaluates this classification on a regular basis.

Investments are categorised as follows:

a) Financial assets at fair value through profit or loss

These are financial assets that are acquired principally for the purpose of generating profit from short-term fluctuations in prices.

b) Available for sale

These are non-derivative financial assets that are intended to be held for an indefinite period of time which may be sold in response to needs for liquidity or changes in prices.

c) Loans and receivables

These are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market.

3.2.2 Regular way contracts

Regular purchases and sales of financial assets are recognised on the trade date - the date on which the Fund commits to purchase or sell the asset.

3.2.3 Initial recognition and measurement

a) Financial assets at fair value through profit or loss

These investments are initially recognised at fair value. Transaction costs are expensed in the Income Statement.

b) Available for sale investments and loans and receivables

These are initially recognised at fair value plus transaction costs that are directly attributable to the acquisition of such investments.

3.2.4 Subsequent measurement

Subsequent to initial recognition, financial assets designated by the management as at fair value through profit or loss and available for sale are valued as follows:

a) Financial assets at fair value through profit or loss

The investment of the Fund in Government Securities is valued on the basis of rates announced by the Financial Market Association of Pakistan.

b) Loans and receivables

These are subsequently carried at amortised cost using the effective interest method.

3.2.5 Impairment

The carrying value of the Fund's assets are reviewed at each balance sheet date to determine whether there is any indication of impairment. If such an indication exists, the recoverable amount of such asset is estimated. An impairment loss is recognised whenever the carrying amount of an asset exceeds its recoverable amount. Impairment losses are recognised in the income statement.

3.2.6 Derecognition

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Fund has transferred substantially all risks and rewards of ownership.

3.2.7 Offsetting of financial assets and liabilities

Financial assets and financial liabilities are offset and the net amount is reported in the statement of assets and liabilities when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis, or realise the assets and settle the liabilities simultaneously.

3.3 Financial liabilities

All financial liabilities are recognised at the time when the Fund becomes a party to the contractual provisions of the instrument. They are initially recognised at fair value and subsequently stated at amortised cost.

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expired.

3.4 Preliminary expenses and floatation costs

Preliminary expenses and floatation costs represent expenditure incurred prior to the commencement of operations of the Fund and include underwriting commission, commission to the bankers to the issue, brokerage paid to the members of the stock exchanges and other expenses. These costs are being amortised over a period of five years starting from the end of the initial offering period as per the requirements set out in the Trust Deed of the Fund.

3.5 Issue and redemption of units

Units issued are recorded at the offer price, determined by the Management Company for the applications received by the distributors / Head office on the date when the investment amount is realised. The offer price represents the net asset value per unit as of the close of the business day plus the allowable sales load, provision for transaction costs and any provision for duties and charges, if applicable. Currently, the Fund is not charging any sales load (front end load).

Units redeemed are recorded at the redemption price, applicable to units for which the distributors / Head office receive redemption applications during business hours of that day. The redemption price represents the Net Asset Value per unit as of the close of the business day less any back-end load, any duties, taxes, charges on redemption and any provision for transaction costs, if applicable.

3.6 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed

An equalisation account called the 'element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed' is created, in order to prevent the dilution of per unit income and distribution of income already paid out on redemption.

The element of income and capital gains included in the prices of units issued less those in units redeemed to the extent that it is represented by distributable income earned during the year is recognised in the income statement and the element of income and capital gains represented by distributable income carried forward from prior periods is included in the distribution statement.

3.7 Provisions

Provisions are recognised when the Fund has a present, legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the obligation can be made. Provisions are regularly reviewed and adjusted to reflect the current best estimate.

3.8 Revenue recognition

- Capital gains / (losses) arising on sale of investments are included in the income statement on the date at which the transaction takes place.
- Unrealised gains / (losses) arising on revaluation of investments classified as 'financial assets at fair value through profit or loss' are included in the income statement in the period in which they arise.
- Profit on bank deposits is recognised on an accrual basis.
- Profit on investments is recognised on an accrual basis.

3.9 Taxation

Provision for current taxation is based on the taxable income at the current rates of taxation after taking into account tax credits, rebates and exemptions, if any, and is made in accordance with the provisions of the Income Tax Ordinance, 2001.

The Fund provides for deferred taxation using the balance sheet liability method on all major temporary differences between the amounts used for financial reporting purposes and amounts used for taxation purposes. In addition, the Fund also records deferred tax asset on unutilised tax losses to the extent that it is probable that the related tax benefit will be realised. However, the Fund has not recognised any amount in respect of deferred tax in these condensed interim financial statements as the Fund intends to avail the tax exemption under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001, in future years by distributing at least ninety percent of its accounting income for the year as reduced by capital gains, whether realised or unrealised, to its unit holders every year.

The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule of the Income Tax Ordinance, 2001.

3.10 Accrued expenses

Accrued expenses are recognised initially at fair value and subsequently stated at amortised cost.

3.11 Proposed distributions

Distributions declared subsequent to the balance sheet date are considered as non-adjusting events and are recognised in the financial statements in the period in which such distributions are declared.

3.12 Net asset value per unit

The Net Asset Value per unit as disclosed in the statement of assets and liabilities is calculated by dividing the net assets of the Fund by the number of units in circulation at the period end.

11 PROVISION FOR WORKERS' WELFARE FUND

The Finance Act 2008 introduced an amendment to the Workers' Welfare Fund Ordinance, 1971 (WWF Ordinance). As a result of this amendment it may be construed that all Collective Investment Schemes / mutual funds (CISs) whose income exceeds Rs 0.5 million in a tax year, have been brought within the scope of the WWF Ordinance, thus rendering them liable to pay contribution to WWF at the rate of two percent of their accounting or taxable income, whichever is higher. In this regard, a constitutional petition has been filed by certain CISs through their trustees in the Honorable High Court of Sindh (the Court), challenging the applicability of WWF to the CISs, which is pending adjudication.

A clarification was issued by the Ministry of Labour and Manpower (the Ministry) which stated that mutual funds are not liable to contribute to WWF on the basis of their income. This clarification was forwarded by Federal Board of Revenue (FBR) (being the collecting agency of WWF on behalf of the Ministry) to its members for necessary action. Based on this clarification, the FBR also withdrew notice of demand which it had earlier issued to one of the mutual funds for collection of WWF. Notices of demand have also been issued to several other mutual funds and the matter has been taken up by the respective mutual funds with the FBR for their withdrawal on the basis of the above referred clarification of the Ministry.

On December 14, 2010, the Ministry has filed its response against the constitutional petition requesting the Court to dismiss the petition. According to the legal counsel who is handling the case, there is a contradiction between the aforementioned clarification issued by the Ministry and the response filed by the Ministry in the Court.

As the matter relating to levy of WWF is currently pending in the court, the Management Company, as a matter of abundant caution, has decided to create the provision for WWF amounting to Rs. 3.655 million in this condensed interim financial report.

12 CONTINGENCIES AND COMMITMENTS

There were no outstanding contingencies and commitments outstanding as at period end.

13 TAXATION

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001, subject to the condition that not less than ninety percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders. The Fund intends to distribute such accounting income, if any, for the period ending June 30, 2011 to its unit holders. Accordingly, no tax liability has been recorded in the current period.

14 EARNINGS PER UNIT

Earnings per unit (EPU) for the period from May 28, 2010 to March 31, 2011 has not been disclosed as in the opinion of the management, determination of weighted average units for calculating EPU is not practicable.

15 TRANSACTIONS WITH CONNECTED PERSONS / RELATED PARTIES

Connected persons include HBL Asset Management Limited being the Management Company, Habib Bank Limited being the Sponsor, Central Depository Company of Pakistan Ltd. being the trustee of the Fund, the Directors of the Management Company and entities having common directorship with the Management Company.

Transactions with connected persons are in the normal course of business, at contracted rates and terms determined in accordance with market norms.

Details of the transactions with connected persons and balances with them, if not disclosed in relevant notes are as follows:
