Company Profile

Atlas Asset Management Limited (AAML), an Atlas Group Company, was incorporated on 20 August 2002 and is registered with the Securities and Exchange Commission of Pakistan as an asset management company for managing open-ended funds and closed-end funds. AAML is also a licensed pension fund manager to manage voluntary pension funds. The mutual funds are regulated under the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 and the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (NBFC Regulations, 2008). The voluntary pension funds are regulated under the Voluntary Pension System Rules, 2005 (VPS Rules 2005). AAML manages assets on behalf of retirement funds, welfare organizations, insurance companies, multinationals, NBFCs, and individuals.

AAML is a subsidiary of Shirazi Investments (Pvt.) Limited (SIL). SIL holds 88% of the shareholding in AAML. As the parent company, SIL sponsors Atlas Group projects and is also engaged in the business of equity trading, underwriting, real estate, and general trading. Atlas Group is a diversified group dealing in engineering, financial services and trading. The growth of SIL, and the Atlas Group as a whole, is the result of continued focus on good corporate governance.

Atlas Funds are well designed and carefully managed mutual funds that facilitate the investment needs of corporations, retirement funds and individual investors. The Atlas Funds family includes six mutual funds, five of which are open-ended, Atlas Income Fund, Atlas Islamic Income Fund, Atlas Money Market Fund, Atlas Stock Market Fund, and Atlas Islamic Stock Fund (formerly Atlas Islamic Fund) and the sixth is a closed-end fund, Atlas Fund of Funds. Atlas Money Market Fund is the latest entrant to the product range of AAML, and was launched on 20 January 2010, with a successful IPO of Rs. 815 million.

Atlas Funds also offers Administrative Plans derived from the underlying mutual funds the Company offers. The Plans are designed to suit the investors' risk profiles. These include the Income Multiplier Plan, Balanced Plan and Growth Plan between the Atlas Income Fund and Atlas Stock Market Fund, and the Systematic Payout and Systematic Withdrawal Plan provides a Shariah Compliant option to the investors, through the Atlas Islamic Income Fund.

Atlas Pensions is a comprehensive savings product established under the VPS Rules, 2005, with numerous advantages over existing occupational retirement schemes, in particular the provident fund. Inter alia, the VPS Schemes offer individualized asset allocation, portability, tax advantages (which can be availed up-front) and an in-built insurance wrap. Atlas Pensions offers two products: Atlas Pension Fund (APF) and Atlas Pension Islamic Fund (APIF), a Shariah Compliant pension fund.

AAML strives to be a market leader in providing quality fund management services with customer satisfaction as its aim, and is consistently committed to offering its investors the best possible returns on a diverse range of products, meeting not only the customer's(s) current requirements but also exceeding their future expectations. Moreover, with its strong emphasis on systems and controls, quality human resource and backing of Atlas Group, AAML enjoys a distinct advantage.

Vision

To be a market leader in providing quality fund management services with customer satisfaction as our premier goal.

Mission Statement

Chairman's Review

It is my pleasure to present to you Fourth Annual Report of Atlas Islamic Stock Fund (AISF) for the year ended 30 June 2010.

THE ECONOMY

Despite uneven global economic recovery, Pakistan's economy has managed to post GDP growth of 4.1% in the outgoing year. The stabilization of global financial market and banking system over the past year, or more, is a positive development. However, the difference in economic recovery amongst various economies are presenting challenges of their own: they are showing up in capital flow, asset valuations and exchange rates. Pakistan's economy has shown strong capacity to overcome challenges emanated from both internal and external economic environment while moving towards achieving long term sustainable growth.

During July-June FY10, the current account deficit of the country narrowed down to US\$ 3.5 billion (1.8% of GDP) as compared to US\$ 9.3 billion (5.5% of GDP) for the same period of last year. This is largely due to growth in remittances which have increased from US\$ 7.8 billion in July-June FY09 to US\$ 8.9 billion in July-June FY10, better demand and performance of exports particularly of textiles, and a decline in imports. Trade balance (of goods) has improved for July-June FY10 to negative US\$ 11.4 billion from negative US\$ 12.6 billion in July-June FY09, which is mainly due to decrease in oil import bill. The foreign exchange reserves currently stand at US\$ 15.6 billion (May 2010).

CPI Inflation stood at 11.70% during July-June FY10 as compared to 20.8% for the previous corresponding year. The inflationary pressures remained a concern on account of high public sector borrowing and adjustment in public utility prices. A growth of 12.46% was witnessed in the M2 money supply - during Jul-Jun FY10 as compared to 9.56% growth during the previous corresponding period. The M2 growth occurred due to the expansion in the net domestic assets of the banking system, due to the rise in private sector credit and increased recourse to the government to finance its deficit from the banking system.

GDP growth rate for the period under review stood at 4.1% as compared to a growth of 1.2% in the preceding year. Agricultural sector contributed a slow growth of only 2% during Jul-Apr FY10 against a target of 3.8%. The issue of water shortage affected the growth in this sector. Services sector grew by 4.6% as compared to 1.6% in FY09. The manufacturing sector in the outgoing year performed well with LSM posting a growth of 4.4%.

MUTUAL FUND INDUSTRY

The Securities & Exchange Commission of Pakistan (SECP) in consultation with Mutual Funds Association of Pakistan (MUFAP) has taken a number of measures to reinforce the industry. These measures include categorization of collective investment schemes, laying down investment policy for each category and improved disclosure requirement through monthly reporting. Beside this, MUFAP has taken the initiative of uploading mutual funds' performance statistics on its website on a regular basis and has also laid down standardized format for Fund Manager Report. The mutual funds and in particular those with equity exposure, were able to pay dividend/ bonus shares this year. Investors who invested while the stock market and as a result, the net asset value of mutual funds was at low level were able to make handsome gains. These stipulations will reinforce investors' confidence and promote a savings culture in the country. Some key areas will include improving public awareness and promote saving/ investing through mutual funds and to incentivize individual investors for long term investment. Sooner than later, listing regulations will incorporate provision for debt securities and encourage trading of debt securities through newly introduced Bond Automated Trading System (BATS). All these measures will create long term savings and bring liquidity in the market.

The money market schemes led the industry in terms of fresh inflows. The growth was partly due to categorization in accordance with its investment mandate and partly due to the low risk appetite of the investors. The growth in this category was partly due to conversion of investment in income schemes to money market schemes and fresh inflows considering the current interest rate scenario/ investors risk appetite. The money market schemes' AUM sharply increased from a meager Rs. 3.2 billion to about Rs. 32 billion in a short span of time. The equity and income schemes currently stand at about Rs. 40 billion and Rs. 60 billion respectively. While money market schemes are attractive for short term investment, income and equity schemes are attractive for medium to long term investment enabling the investors to have a balanced approach and invest according to his/ her risk appetite.

The mutual fund industry over the world outweighs bank deposits. Pakistan as a new entrant shall follow suit, as the funds, on the whole, ensure better safety and returns which is the present day requirement of Pak economy.

THE STOCK MARKET

The KSE- 100 index has increased from 7,162.18 points as on 30 June 2009 to 9,721.91 points as on 30 June 2010. The impressive growth of 35.74% was achieved mainly because of the improvement in key macro economic drivers and foreign buying activity in the local bourse. Improving economic numbers were also acknowledged by international rating agencies as S&P upgraded Pakistan by one notch to 'B-' and Moody's enhanced its outlook to 'Stable'. The foreign portfolio investors were net buyers to the tune of around USD 566 million. The foreign portfolio investment remained largely concentrated among index heavy weights like i.e. OGDC, MCB & PPL etc. Foreign Portfolio Investors hold shares worth about US\$ 2.0 billion which is about 7% of the Market Capitalization and 25% of the free float.

After a long gap of over three decades, capital gains on sale of securities are made liable to tax. The Finance Act, 1974 had suspended the applicability of the relevant provisions, which has been discontinued by the Finance Act, 2010. The new provisions stipulate that Capital gain arising from the sale of securities (FY 2010-11) with holding period of less than six months will be liable to pay tax at the rate of 10%, the securities with holding period of more than six months but less than twelve months will attract tax liability at the rate of 7.5%, and those with holding period of more than one year will not be subjected to capital gain tax.

The equity market had also witnessed improving volume as average daily volume increased by 53% to 161 million shares a day from 106 million shares (exceptionally low due to imposition of price floor mechanism) in FY2008 - 09. However, the fourth quarter of FY 2009-10 witnessed decline in volumes (as CGT was announced) with average daily volumes at 132 million shares. The announcement of withdrawal of exemption of Capital Gain Tax (CGT) was mostly priced in by the market. However, it was the lack of details regarding the modalities of CGT coupled with the fear of documentation that hit the overall trading activity. The absence of leverage product was also badly felt and contributed to low activity in the market.

An improving macroeconomic picture, healthy growth in corporate earnings and foreign investor's interest in local stock market depicts positive outlook for local equities. Pakistan's equity market is currently trading at attractive multiples with next year PE of 7.3x and dividend yield of 7.0%. Medium to long term investors are expected to yield attractive return from local equities performance in coming years.

FUND OPERATIONS

Atlas Islamic Stock Fund's Net Asset Value per unit has increased by 25.1% from Rs. 387.22 as on 30 June 2009 to Rs. 484.55 as of 30 June 2010. The benchmark KMI- 30 index has increased by 36.87 % during the same period. This impressive increase in benchmark KMI-30 index was largely on the basis of stocks which attracted foreign portfolio investment and are considered as index heavy weights i.e. OGDC 15% & PPL 12%. The AISF's equity portfolio exposure was mainly in Oil & Gas Producers, Chemicals and Construction and Materials Sectors.

The Net Assets of the Fund stood at Rs. 252.77 million, with 0.52 million units outstanding as of 30 June 2010. AISF's Net Capital Gain for the period under review stood at Rs. 119.31 million. The Dividend Income and Income from Shariah Compliant Bank Deposits for the period under review stood at Rs. 24.2 million and Rs. 4.2 million respectively.

The Board of Directors has approved a final distribution of Rs. 200 per unit (40% on the face value of Rs. 500 per unit).

RATINGS UPDATE

The Pakistan Credit Rating Agency Limited (PACRA) has maintained the asset manager rating of "AM3+" to the Company, for FY 2008-09. The rating reflects the Company's experienced and qualified management team, sound quality of support systems and processes, and a strong emphasis on risk management framework.

PACRA has assigned a "4 Star" normal ranking to the Fund, for FY 2008-09. The normal star ranking is based on performance during the trailing twelve months period.

FUTURE OUTLOOK

Pakistan's economy is on recovery path after achieving macroeconomic stability over the past two years. The focus onward appears on how to make the upswing long and stable, and relatively free of imbalances. The sustainability of the economic recovery and its momentum will largely depend upon following prudent macroeconomic policies and timely implementation. The efforts to resolve some of the critical challenges the economy has faced in FY 2009-10, such as the energy and water shortage, and measures taken to improve overall business environment, could lay the basis for higher growth in coming years. The budget for FY 2010-11 has focused mainly on generating revenues through taxes and phasing out of subsidies in order to meet the deficit target. Reduced budgetary borrowing and lower fiscal expenditures are some of the key goals of FY 2010-11 budget.

Overall better macroeconomic conditions, coupled with relatively attractive equity prices, should increase investor's participation, as equity market has strong potential to yield attractive returns. The Fund is committed to prudent investment procedures and will continue to provide consistent long term returns to the investors:

Fund Manager's Report

Atlas Islamic Stock Fund is an open-ended equity fund. The objective of the Fund is to maximizing unit holders' returns on their investments, while observing prudent investment practices, highest professional standards, all applicable laws and the Shariah code. The Fund invests in stocks with attractive fundamentals and a potential to outperform the benchmark in order to generate high returns. The Fund observes the investment limitations as set out by the Shariah code, according to the guidance of the Shariah Advisors. The Fund emphasizes on medium to long term investment views, making investment decisions based on analysis of the macro-economic environment. The Fund makes use of portfolio management skills for sector and stock selection in order to efficiently manage the fund's portfolio.

KMI - 30 Index serves as the performance benchmark of Atlas Islamic Stock Fund.

The impressive performance achieved by local equity market was mainly due to improvement in key macro economic drivers and foreign buying activity in the local bourse. Improving economic numbers were also acknowledged by international rating agencies as S&P upgraded Pakistan by one notch to 'B-' and Moody's enhanced its outlook to 'Stable'. The foreign portfolio investors were net buyers to the tune of around US\$ 566 million. The foreign portfolio investment remained largely concentrated among index heavy weights like i.e. OGDC & PPL etc. Foreign Portfolio Investors hold shares worth about US\$ 2.0 billion which is about 7% of the Market Capitalization and 25% of the free float.

AISF's Net Asset Value per unit has increased by 25.1% from Rs. 387.22 as on 30 June 2009 to Rs. 484.55 as of 30 June 2010. The benchmark KMI- 30 index has increased by 36.87 % during the same period. The main reason for underperformance is foreign buying activity in index heavy weights i.e OGDC etc and less liquid stocks like Unilever etc. AISF's performance can be compared favorably with a peer group average return 24.10%. The AISF's equity portfolio exposure was mainly in Oil & Gas Producers, Chemicals and Construction and Materials Sectors.

The Net Assets of the Fund stood at Rs 252.77 million, with 0.52 million units outstanding as of 30 June 2010. AISF's Net Capital Gain for the period under review stood at Rs. 119.31 million. The Dividend Income and Income from Shariah Compliant Bank Deposits for the period under review stood at Rs. 24.2 million and Rs. 4.2 million respectively.

STATEMENT OF COMPLIANCE WITH THE CODE OF CORPORATE GOVERNANCE FOR THE YEAR ENDED 30 JUNE 2010

This statement is being presented to comply with the Code of Corporate Governance contained in Regulation No. 35 of Listing Regulations of the Lahore Stock Exchange for the purpose of establishing a framework of good Governance, whereby a listed Company is managed in compliance with the best practice of corporate governance.

Atlas Asset Management Limited (AAML), the Management Company, is not listed and hence, the Code is not applicable to it. However, Atlas Islamic Stock Fund, being listed at the Lahore Stock Exchange, comes under the ambit of the Code. The Fund, being a unit trust scheme, does not have its own Board. The Board of Directors of the Management Company manages the affairs of the Fund and has appointed the Chief Executive Officer (CEO), and Chief Financial Officer (CFO)/Company Secretary and other necessary personnel to manage the affairs of the Fund.

The Management Company has applied the principles contained in the Code in the following manner:

1. The Management Company encourages representation of independent non-executive directors. At present the Board consists of seven directors, including two independent non-executive directors. The Management Company is not listed on any stock exchange and therefore does not have minority interest.
2. The directors have confirmed that none of them is serving as a director in more than ten listed companies.
3. All the resident directors of the Management Company are registered as taxpayers and none of them has defaulted in payment of any loan to a banking company, a DFI or an NBFIs or, being a member of a stock exchange, has been declared as a defaulter by that stock exchange.
4. The three years' term of office of the previous Board was completed and a new Board comprising of seven directors was elected unopposed for the next term of three years during the year. Further, a casual vacancy occurred in the Board during the year which was filled in with the approval of the Securities and Exchange Commission of Pakistan, as required by the NBFC Regulations, 2008.
5. The Management Company has adopted a "Statement of Ethics and Business Practices", which has been distributed to, and acknowledged by all the directors and employees of the Management Company.
6. The Board has developed a vision/mission statement, overall corporate strategy and significant policies for the Fund. A complete record of the particulars along with the dates on which they were approved or amended has been maintained.
7. All the powers of the Board have been duly exercised and decisions on material transactions, including appointment and determination of the remuneration and terms and conditions of employment of the CEO have been taken by the Board.
8. The meetings of the Board were presided over by the Chairman and the Board met at least once in every quarter during the period. Written notes of the Board meetings, along with agenda and working papers, were circulated at least seven days before the meetings. The minutes of the meeting were appropriately recorded and circulated.
9. The Management Company has established adequate procedures and systems for related party transactions vis-à-vis the pricing method for related party transactions. All the related party transactions are placed before the Audit Committee and the Board of Directors for their review and approval.
10. No new appointments of Chief Financial Officer, Company Secretary and Chief Internal Auditor were made during the year. The Board has approved the terms of remuneration of the Chief Financial Officer & Company Secretary, and the Chief Internal Auditor.
11. The Directors' Report for the year has been prepared in compliance with the requirements of the Code and fully describes the salient matters required to be disclosed.
12. The financial statements of the Fund were duly endorsed by CEO and CFO before the approval of the Board.
13. The Directors, CEO and Executives do not hold units other than those disclosed in note 16 to the financial statements "Transactions with Related Parties/Connected Persons."
14. The Management Company has complied with the corporate and financial reporting requirements of the Code.

STATEMENT OF COMPLIANCE WITH THE CODE OF CORPORATE GOVERNANCE FOR THE YEAR ENDED 30 JUNE 2010

15. The Board arranged an orientation course for its directors during the year to apprise them of their duties and responsibilities.
16. The Board has formed an Audit Committee comprising of three members, all of whom are non-executive directors, including the Chairman of the Committee. Meetings of the Committee were held every quarter, prior to approval of the interim and annual results of the Fund, as required by the Code. The Board has approved the terms of reference of the Audit Committee.
17. The Board has set up an effective internal audit function headed by a full time Chief Internal Auditor who is considered suitably qualified and experienced, and is conversant with the policies and procedures of the Fund.
18. The Statutory Auditors of the Fund have confirmed that they have been given a satisfactory rating under the quality control review program of the Institute of Chartered Accountants of Pakistan, that they or any of the partners of the firm, their spouse and minor children do not hold units of the Fund, and that the Firm and all its partners are in compliance with the International Federation of Accountants (IFAC) guidelines on the Code of Ethics as adopted by the Institute of Chartered Accountants of Pakistan.
19. The Statutory Auditors or the persons associated with them have not been appointed to provide other services except in accordance with the Listing Regulations and the auditors have confirmed that they have observed IFAC guidelines in this regard.
20. We confirm that all other material principles contained in the Code have been complied with.

TRUSTEE REPORT TO THE UNIT HOLDERS

Report of the Trustee pursuant to Regulation 41(h) and Clause 9 of Schedule V of the Non-Banking Finance Companies and Notified Entities Regulations, 2008

Atlas Islamic Stock Fund [Formerly Atlas Islamic Fund] (the Fund), an open-end scheme was established under a trust deed dated September 12, 2006, executed between Atlas Asset Management Limited, as the Management Company and Central Depository Company of Pakistan Limited, as the Trustee.

In our opinion, the Management Company has in all material respects managed the Fund during the year ended June 30, 2010 in accordance with the provisions of the following:

- (i) Limitations imposed on the investment powers of the Management Company under the constitutive documents of the Fund;
- (ii) The pricing, issuance and redemption of units are carried out in accordance with the requirements of the constitutive documents of the Fund; and
- (iii) The Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003, the Non-Banking Finance Companies and Notified Entities Regulations, 2008 and the constitutive documents of the Fund.

REVIEW REPORT TO THE UNIT HOLDERS ON THE STATEMENT OF COMPLIANCE WITH THE BEST PRACTICES OF THE CODE OF CORPORATE GOVERNANCE

We have reviewed the Statement of Compliance with the best practices contained in the Code of Corporate Governance (the Code) prepared by the Board of Directors of the Management Company of Atlas Islamic Stock Fund (the Fund) to comply with the Listing Regulations of the Lahore Stock Exchange where the Fund is listed.

The responsibility for compliance with the Code is that of the Board of Directors of the Management Company of the Fund. Our responsibility is to review, to the extent where such compliance can be objectively verified, whether the Statement of Compliance reflects the status of the Management Company's compliance with the provisions of the Code in respect of the Fund and report if it does not. A review is limited primarily to inquiries of the Management Company's personnel and review of various documents prepared by the Management Company to comply with the Code.

As part of our audit of financial statements, we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board's statement on internal control covers all risks and controls, or to form an opinion on the effectiveness of such internal controls, the Management Company's corporate governance procedures and risks.

Further, Sub-Regulation (xiii a) of Listing Regulation 35 of the Lahore Stock Exchange requires the Management Company to place before the Board of Directors for their consideration and approval related party transactions, distinguishing between transactions carried out on terms equivalent to those that prevail in arm's length transactions and transactions which are not executed at arm's length price, recording proper justification for using such alternate pricing mechanism. Further, all such transactions are also required to be separately placed before the Audit Committee. We are only required and have ensured compliance of requirement to the extent of approval of related party transactions by the Board of Directors and placement of such transactions before the Audit Committee. We have not carried out any procedure to determine whether the related party transactions were undertaken at arm's length price or not.

Based on our review, nothing has come to our attention, which causes us to believe that the Statement of Compliance does not appropriately reflect the Management Company's compliance, in all material respects, with the best practices contained in the Code in respect of the Fund for the year ended 30 June 2010.

REVIEW REPORT OF THE SHARIAH ADVISOR

As a Shariah Adviser of the Atlas Islamic Stock Fund, I am issuing this report in accordance with clause 2.3.4 (V) of the Trust Deed of the Fund. The scope of the report is to express an opinion on the Shariah compliance of the Fund's activities.

It is the responsibility of Atlas Asset Management Limited (AAML), the management company of the Fund, to establish and maintain a system of internal controls to ensure compliance with the Shariah guidelines. As a Shariah Adviser my responsibility is to express an opinion, based on my review of the representations made by the management, to the extent where such compliance can be objectively verified.

For screening investment in equities, I have advised a criteria on the basis of the following: (i) nature of business, (ii) interest bearing debt in relation to the total assets, (iii) illiquid assets in relation to the total assets, (iv) investment in non-Shariah compliant activities to total assets and income from non-compliant investments to gross revenues, and (v) net liquid assets per share vs share price.

As part of my mandate as the Shariah Adviser to the Fund. I have reviewed the following, during the year:

- The modes of investment of Fund's property and its compliance with Shariah guidelines.
- The process of deployment of Fund's property and its compliance with Shariah guidelines.
- The process of purification of income and its compliance with Shariah guidelines.

In light of the above scope, I hereby certify that all the provisions of the scheme and investments made by the Fund for the year ended 30 June 2010 are in compliance with the Shariah principles.

There are investments made by AISF where investee companies have earned a part of their income from non-compliant sources (e-g, interest income). In such cases, the Management Company, in consultation with me, the Shariah Adviser of the Fund, have determined the Haram portion of the income of the Fund and marked to charity in order to purify the whole income.

Shariah Adviser

INDEPENDENT AUDITORS' REPORT TO THE UNIT HOLDERS

We have audited the accompanying financial statements of Atlas Islamic Stock Fund (Formerly Atlas Islamic Fund (the Fund), which comprise the statement of assets and liabilities as at 30 June 2010, and the related statements of income, comprehensive income, distribution, cash flows and movement in unit holders' fund for the year then ended, and a summary of significant accounting policies and other explanatory notes.

Management's responsibility for the financial statements

The Management Company of the Fund is responsible for the preparation and fair presentation of these financial statements in accordance with the requirements of the Trust Deed, the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules), the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and approved accounting standards as applicable in Pakistan. This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditors' responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards as applicable in Pakistan. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion the financial statements give a true and fair view of the state of the Fund's affairs as at 30 June 2010 and of its financial performance, cash flows and transactions for the year then ended in accordance with approved accounting standards as applicable in Pakistan.

Other matters

In our opinion, the financial statements have been prepared in accordance with the relevant provisions of the Trust Deed, the NBFC Rules and the NBFC Regulations.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2010

1. LEGAL STATUS AND NATURE OF BUSINESS

- 1.1 Atlas Islamic Stock Fund (formerly Atlas Islamic Fund) (the Fund) is an open ended Fund constituted by a trust deed entered into on 12 September 2006 between Atlas Asset Management Limited (AAML) as the Management Company and Central Depository Company of Pakistan Limited (CDC) as the trustee. The Trust Deed was revised through the First Supplemental Trust Deed dated 29 October 2007, Second Supplemental Trust Deed dated 06 March 2008, Third Supplemental Trust Deed dated 04 December 2009 and the Fourth Supplemental Trust Deed dated 23 June 2010 with the approval of the SECP. Also, the Offering Document of the Fund was revised through the First, Second, Third and Fourth Supplements, dated 29 October 2007, 06 March 2008, 04 December 2009 and 23 June 2010 respectively, with the approval of the SECP. The investment activities and administration of the Fund are managed by AAML situated at Ground Floor, Federation House, Shahrae Firdousi, Clifton, Karachi.
- 1.2 Units of the Fund are offered for public subscription on a continuous basis since 15 January 2007, and are transferable and redeemable by surrendering them to the Fund. The Fund is listed on the Lahore Stock Exchange.
- 1.3 According to the trust deed, the objective of the Fund is to provide one window facility to invest in diversified, professionally managed investment portfolio of Shariah Compliant securities, such as equities, cash and/or near cash Shariah Compliant instruments including cash in bank accounts (excluding TDRs) and Shariah Compliant government securities not exceeding 90 days' maturity. The activities of the Fund are undertaken in accordance with the criteria for Shariah compliance, called the Shariah Code (the Code), which has been laid down by the Shariah Advisor of the Fund. The investment objectives and policies are fully defined in the Fund's Offering Document.

2. STATEMENT OF COMPLIANCE

These financial statements have been prepared in accordance with approved accounting standards as applicable in Pakistan. Approved accounting standards comprise of International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board (IASB) as are notified under the Companies Ordinance, 1984, the requirements of the Trust Deed, the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules), the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and directives issued by the Securities and Exchange Commission of Pakistan (SECP). Wherever the requirements of the Trust Deed, the NBFC Rules, the NBFC Regulations or the directives issued by the SECP differ with the requirements of IFRS, the requirements of the Trust Deed, the NBFC Rules, the NBFC Regulations or the requirements of the said directives prevail.

3. BASIS OF MEASUREMENT

- 3.1 These financial statements have been prepared under the historical cost convention except for investments which are accounted for as stated in note 4.2 below.
- 3.2 These financial statements are presented in Pakistani Rupees which is the Fund's functional and presentation currency.

4. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

- 4.1 The accounting policies adopted in the preparation of these financial statements are consistent with those of the previous financial year except as follows:

IAS 1 - "Presentation of financial statements (Revised)"

The Fund has adopted IAS - 1 "Presentation of Financial Statements (Revised)" which became effective during the year. The revised standard separates owner and non-owner changes in equity. The statement of changes in equity/unit holders' fund includes only details of transactions with owners, with non-owner changes in equity presented as a single line item in the statement of changes in equity / unit holders' fund. In addition, the standard introduces the statement of comprehensive income which presents all items of recognised income and expense, either in one single statement, or in two linked statements. The Fund has elected to present two statements.

IFRS 7 - "Financial Instruments: Disclosures (Amendments)"

The Fund has adopted IFRS - 7 "Financial Instruments: Disclosures (Amendments)" which became effective during the year. The amended standard requires additional disclosures about fair value measurement and liquidity risk. Fair value measurements related to items recorded at fair value are to be disclosed by source of inputs using a three level fair value hierarchy, by class, for all financial instruments recognised at fair value. In addition, a reconciliation between the beginning and ending balance for level 3 fair value measurement is now required, as well as significant transfers between levels in the fair value hierarchy. The amendments also clarify the requirements for liquidity management. The fair value measurement disclosures are presented in note 17.5 and 17.6 to the financial statements. The liquidity risk disclosures are not significantly impacted by the amendments and are presented in note 17.3 to the financial statements.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2010

In addition, the Fund has also adopted the following new and amended IFRS and IFRIC interpretations which became effective during the year. However, adoption of these standards, amendments and interpretations did not affect the financial statements:

IFRS 2 - Share Based Payment - Amendments regarding Vesting Conditions and Cancellations (Amendment)

IFRS 3 - Business Combinations (Revised)

IFRS 8 - Operating Segments

IAS 23 - Borrowing Costs (Revised)

IAS 27 - Consolidated and Separate Financial Statement - Cost of an Investment in a Subsidiary, Jointly Controlled Entity or Associate (Amendments)

IAS 27 - Consolidated and Separate Financial Statements (Amendment)

IAS 32 - Financial Instruments: Presentation and IAS 1 Presentation of Financial Statements - Puttable Financial Instruments and Obligations Arising on Liquidation (Amendments)

IAS 39 - Financial Instruments: Recognition and Measurement - Eligible hedged items (Amendments)

IFRIC 15 - Agreements for the Construction of Real Estate

IFRIC 16 - Hedges of a Net Investment in a Foreign Operation

IFRIC 17 - Distributions of Non-cash Assets to owners

IFRIC 18 - Transfers of Assets from Customers

4.2 Investments

The investments of the Fund, upon initial recognition, are classified as investment at fair value through income statement or available-for-sale investment, as appropriate.

All investments, are initially measured at fair value plus, in the case of investments not at fair value through income statement, transaction costs that are directly attributable to acquisition.

All regular way purchases / sales of investments are recognised on the trade date, i.e. the date on which the Fund commits to purchase / sell the investment. Regular way purchases / sales of investments require delivery of securities within two days after transaction date as per the stock exchange regulations.

Investments at fair value through income statement

These include held-for-trading investments and such other investments that, upon initial recognition, are designated under this category. Investments are classified as held-for-trading if they are acquired for the purpose of selling in the near term. After initial measurement, such investments are carried at fair value and gains or losses on revaluation are recognised in the income statement.

Available-for-sale

Investments which are not classified in any of the preceding categories are classified as available-for-sale investments. After initial measurement, such investments are measured at fair value with unrealised gain or loss recognised directly in the statement of comprehensive income until the investment is derecognised or determined to be impaired at which time the cumulative gain or loss previously recognised in the statement of comprehensive income is taken to the income statement.

4.3 Issue and redemption of units

Units issued are recorded at the offer price, determined by the management company for the application received by the distribution company / management company during business hours on that day. The offer price represents the Net Asset Value (NAV) per unit as of the close of the business day, plus the allowable sales load and provision of any duties and charges if applicable. The sales load is payable to the distribution company and the management company.

Units redeemed are recorded at the redemption price applicable to units for which the distribution company / management company receives redemption application during business hours of that day. The redemption price shall be equal to NAV as of the close of the business day, less an amount as the management company may consider to be an appropriate provision of duties and charges.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2010

4.4 Revenue recognition

Income on PLS accounts is recognised on an accrual basis.

Dividend income is recognised when the right to receive the dividend is established.

Gain or loss on sale of equity securities is accounted for in the period in which it arises.

4.5 Expenses

All expenses chargeable to the Fund including remuneration of management company, trustee fee, and annual fee of the SECP are recognised in the income statement on an accrual basis.

4.6 Provisions

Provisions are recognised when the Fund has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the obligation can be made. Provisions are regularly reviewed and adjusted to reflect the current best estimate.

4.7 Element of income / (loss) and capital gains / (losses) in prices of units issued less those in units redeemed.

To prevent the dilution of per unit income and distribution of income already paid out on redemption as dividend, an equalisation account called "element of income / (loss) and capital gains / (losses) in prices of units issued less those in units redeemed" is created.

The "element of income / (loss) and capital gains / (losses) in prices of units issued less those in units redeemed" account is credited with the amount representing net income and capital gains accounted for net asset value announced on the date of issue and included in the sale proceeds of units. Upon redemption of units, the "element of income / (loss) and capital gains / (losses) in prices of units issued less those in units redeemed" account is debited with the amount representing net income and capital gains accounted for on the net asset value at the date of issue and included in the redemption price.

The net "element of income / (loss) and capital gains / (losses) in prices of units issued less those in units redeemed" during an accounting period is transferred to the income statement.

4.8 Taxation

The Fund is exempt from taxation under clause 99 of the Part I of the 2nd Schedule of the Income Tax Ordinance, 2001, subject to the condition that not less than 90% of its accounting income excluding realised and unrealised capital gains for the year is distributed amongst the Fund's unit holders. The Fund intends to avail this exemption for current and future periods. Accordingly, no provision is made for current and deferred taxation in these financial statements.

4.9 Financial instruments

All financial assets and financial liabilities are recognised at the time when the Fund becomes a party to the contractual provisions of the instrument. Financial assets are derecognised when the contractual rights to receive cash flows related to the asset expire. Financial liabilities are derecognised when they are extinguished, that is, when the obligation specified in the contract is discharged, cancelled, or expires. Any gain or loss on derecognition of the financial assets and financial liabilities is taken to income currently.

4.10 Offsetting of financial assets and liabilities

Financial assets and financial liabilities are only offset and the net amount reported in the statement of assets and liabilities when there is a legally enforceable right to set off the recognised amount and the Fund intends to either settle on a net basis, or to realise the asset and settle the liability simultaneously.

4.11 Distribution to unit holders

Distribution to unit holders is recognised upon declaration and approval by the Board of Directors of the management company.

4.12 Net asset value per unit

The net asset value per unit disclosed in the statement of assets and liabilities is calculated by dividing the net assets of the Fund by the number of units in issue at the year end.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2010

4.13 Cash and cash equivalents

Cash and cash equivalents comprise bank balances and short term deposits.

5. ACCOUNTING ESTIMATES AND JUDGEMENTS

The preparation of financial statements requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the result of which form the basis of making judgements about carrying values of assets and liabilities. The estimates and underlying assumptions are reviewed on an ongoing basis.

Judgements made by management in the application of accounting policies that have significant effect on the financial statements and estimates with a significant risk of material adjustment mainly pertain to classification and valuation of investments as explained in the relevant accounting policies / notes in the financial statements.

6. STANDARDS, INTERPRETATIONS AND AMENDMENTS TO APPROVED ACCOUNTING STANDARDS THAT ARE NOT YET EFFECTIVE

The following revised standards, interpretations and amendments with respect to approved accounting standards as applicable in Pakistan would be effective from the dates mentioned below against the respective standard, interpretation or amendment:

Standard, interpretation or amendment		Effective date (accounting periods beginning on or after)
IAS - 24	Related Party Disclosures (Revised)	01 January 2011
IAS - 32	Financial Instruments: Presentation - Classification of Rights Issue (Amendment)	01 February 2010
IFRS - 2	Share based payment - Amendments relating to Group Cash-settled Share-based payment transactions	01 January 2010
IFRIC - 14	IAS - 19 - The limit on a defined benefit asset, Minimum Funding Requirements and their Interaction (Amendments)	01 January 2011
IFRIC - 19	Extinguishing Financial Liabilities with Equity Instruments	01 July 2010

The Fund expects that the adoption of the above revisions, interpretations and amendments of the standards will not affect the Fund's financial statements in the period of initial application.

In addition to the above, amendments / improvements to various accounting standards have also been issued by IASB as a result of its annual improvement project in April 2009. Such improvements are generally effective for accounting periods beginning on or after 1 January 2010. The Fund expects that such improvements to the standards will not have any material impact on the Fund's financial statements in the period of initial application.

13.1 According to the Trust Deed of the Fund, where a portion of the Fund's income has been earned from Shariah non-compliant avenues, such portion of income of the Fund is to be purified directly by the management company of the Fund. The Shariah Advisor of the Fund, has certified an amount of Rs.467,278 (2009: Rs.432,579) against dividend income, as Shariah non-compliant income, which has accordingly, been marked to charity, out of which Rs.262,795 has already been paid to charities approved by the Shariah Advisor in March 2010. The remaining Rs.204,483 will be paid in due course.

13.2 The Finance Act, 2008 introduced an amendment to the Workers Welfare Fund (WWF) Ordinance, 1971, whereby the definition of "industrial establishment" was amended to include therein any establishment to which the West Pakistan Shops and Establishment Ordinance, 1969 applies. Management company of the Fund, based on a legal advice obtained through Mutual Funds Association of Pakistan (MUFAP) was of a firm view that Collective Investment

NOTES TO THE FINANCIAL STATEMENTS

Schemes (CIS) were not establishments and therefore, the WWF Ordinance should not be applicable to such schemes. The MUFAP had also filed a constitutional petition in the High Court of Sindh (the Court) on behalf of the members, challenging the applicability of WWF to the CIS. The said petition was dismissed by the Court vide its order dated 25 May 2010 on the main ground that the MUFAP (petitioner) could not be held entitled to maintain a petition in respect of its member as it was not the aggrieved party, and the main ground could be examined when the aggrieved parties directly approached the Court for redressal.

Consequently, on 30 June 2010, a constitutional petition was filed in the High Court of Sindh by certain representative CIS and approved pension funds under the Voluntary Pension System Rules, 2005, through their trustees, M/s Central Depository Company of Pakistan Limited, and with the management company of the Fund as management company, which is pending adjudication.

In the meantime, clarification has been obtained by the MUFAP from the Ministry of Labour & Manpower, Workers' Welfare Fund, Govt. of Pakistan, which, through their letter nos. WWF (A - II).11(5)/2010 dated 8 July 2010 and 15 July 2010, has clarified that the WWF Ordinance, 1971 does not have any provisions for the applicability of WWF on those entities whose incomes are exempt from income tax under any provisions of any law, and that mutual funds are a product being managed / sold by asset management companies which are liable to contribute towards the said WWF levy. The said clarifications and legal advices sought from legal advisors are presently under the consideration of the MUFAP. In the meantime, the management company of the Fund, as a matter of abundant caution, has made a provision for WWF in the financial statements.

17. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

17.1 The Fund's objective in managing risk is the creation and protection of unit holders' value. Risk is inherent in the Fund's activities, but it is managed through monitoring and controlling activities which are primarily set up to be performed based on limits established by the management company, Fund's constitutive documents and the regulations and directives of the SECP. These limits reflect the business strategy and market environment of the Fund as well as the level of the risk that Fund is willing to accept. The Board of Directors of the management company supervises the overall risk management approach within the Fund. The Fund is exposed to market risk, credit risk and liquidity risk arising from the financial instruments it holds.

17.2 Market risk

Market risk is the risk that the fair value or future cash flows of financial instrument will fluctuate due to changes in market variables such as profit rates, foreign exchange rates and equity prices.

(i) Profit rate risk

Profit rate risk is the risk that the value of the financial instrument will fluctuate due to changes in the market profit rates. As of 30 June 2010, the Fund is exposed to such risk in respect of bank balances. The bank balances are subject to profit rates as declared by the respective bank on periodic basis. Management company of the Fund estimates that 1% increase in the profit rate, with all other factors remaining constant, would increase the Fund's income by Rs.131,421 (2009: Rs.419,478) and a 1% decrease would result in a decrease in the Fund's income by the same amount. However, in practice, the actual results may differ from the sensitivity analysis.

(ii) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Fund does not have any financial instruments in foreign currencies and hence is not exposed to such risk.

(iii) Equity price risk

Equity price risk is the risk of volatility in share prices resulting from their dependence on market sentiments, speculative activities, supply and demand for shares and liquidity in the market. The value of investments may fluctuate due to change in business cycles affecting the business of the investee company, change in business circumstances of the investee company, its business sector, industry and / or the economy in general. Management company of the Fund estimates that a 10% increase in the overall equity prices in the market with all other factors remaining constant would increase the Fund's income by Rs.23,957,214 (2009: Rs.37,173,215) and a 10% decrease would result in a decrease in the Fund's income by the same amount. However, in practice, the actual results may differ from the sensitivity analysis.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2010

17.3 Liquidity risk

Liquidity risk is defined as the risk that the Fund will encounter difficulty in meeting obligations associated with financial liabilities. Liquidity risk arises because of the possibility that the Fund could be required to pay its liabilities earlier than expected. The Fund is exposed to cash redemptions of its redeemable units on a regular basis. Units are redeemable at the unit holder's option based on the Fund's net asset value per unit at the time of redemption calculated in accordance with the Fund's constitutive documents.

The following table summaries the maturity profile of the Fund's financial instruments. The analysis into relevant maturity groupings is based on the remaining period at the end of the reporting period to the contractual maturity date. However, the assets and liabilities that are receivable / payable on demand including bank balances have been included in the maturity grouping of one month:

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2010

17.4 Credit risk

Credit risk arises from the inability of the issuers of the instruments or the counter party to fulfil their obligations. There is a possibility of default by participants or failure of the financial markets / stock exchanges, the depositories, the settlements or clearing system, etc. The Fund's policy is to enter into financial contracts in accordance with the internal risk management policies and investment guidelines approved by the Investment Committee. The Fund's maximum exposure to credit risk as of 30 June 2010 amounts to Rs. 17,601,131 (2009: Rs.51,865,567).

17.4.1 Credit quality of financial assets

The credit quality of financial assets that are neither past due nor impaired can be assessed by reference to external credit ratings or to historical information about counterparty default rates:

Rating	% of financial assets exposed to credit risk	
	2010	2009
A+	-	0.03
A	75.16	-
AA-	0.08	81.59
A-	-	0.01
BBB+	0.03	-
Others	24.73	18.37
	100.00	100.00

17.5 Fair value of financial instruments

Fair value is the amount for which an asset could be exchanged, or a liability settled, between knowledgeable willing parties in an arm's length transaction.

Financial assets which are tradable in an open market are revalued at the market prices prevailing on the statement of assets and liabilities date. The estimated fair value of all other financial assets and liabilities is considered not significantly different from book value.

17.6 Fair value hierarchy

The Fund uses the following hierarchy for disclosure of the fair value of financial instruments by valuation technique:

- Level 1 : quoted prices in active markets for identical assets.
- Level 2: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.
- Level 3: techniques which use inputs which have a significant effect on the recorded fair value that are not based on observable market data.

As the Fund only invests in shariah compliant equity securities, the fair value of the investments is based on level 1 valuation technique.

17.7 Capital management

The Fund's objective when managing unit holders' funds is to safe guard the Fund's ability to continue as a going concern so that it can continue to provide optimum returns to its unit holders and to ensure reasonable safety of capital. The Fund manages its investment portfolio and other assets by monitoring return on net assets and makes adjustments to it in the light of changes in markets' conditions. The capital structure depends on the issuance and redemption of units.

18. SUBSEQUENT EVENT - DISTRIBUTION

The Board of Directors of the management company, in their meeting held on 08 July 2010, approved a distribution of Rs.200 per unit (2009:Nil) on the face value of Rs. 500 each i.e. 40% (2009: Nil) amounting to Rs.104,332,820 (2009: Nil).
