ANNUAL REPORT 2012

DIRECTORS' REPORT TO THE MEMBERS

Dear Members

The Board of Directors has pleasure in presenting the annual report together with Audited Financial Statements of the Company for the year ended June 30, 2012.

OVERVIEW

During the year under review overall dispatches of cement industry witnessed growth of 3.46% with total sales volume of 32.52 million tons as against the total sales volume of 31.43 million tons of last year. Local sales volume of the industry increased by 8.86% with dispatches of 23.95 million tons as against the sales volume of 22.00 million tons of last year whereas exports of the industry witnessed negative growth of 9.12% with sales volume of 8.57 million tons as against the exports sales volume of 9.43 million tons of last year. As against the overall growth of 8.86% in local sales volume and negative growth of 9.12% of exports, plants located in northern part of the country witnessed growth of 8.07% and negative growth of 6.31% in local and exports sales volume respectively. Main reason for the increase in local demand was due to rehabilitation activities in the areas affected by last year's flood. Exports by sea continuously reduced during the year under review in line with last two years, however, exports to Afghanistan continued with the same pace with improved prices whereas exports to India also picked up momentum after renewal of licenses of Pakistani cement manufactures by the Indian Bureau of Standards.

OPERATING PERFORMANCE

Production and dispatches of the Company for the year under review were as follows:

	2012 ————TON	2011 IS ———	CHANGE IN %
Production			,,
Clinker	785,345	718,322	9.33
Cement	791,937	757,424	4.56
Dispatches			
Local	455,521	463,845	(1.79)
Export	337,076	292,984	15.05
Total	792,597	756,829	4.73

Production of clinker and cement of the Company increased by 9.33% and 4.56% respectively, plant achieved capacity utilization of 96.70% which is one of the highest in the industry.

Local sales volume of the Company during the year under review witnessed a nominal negative growth of 1.79% as against the positive growth of the industry, but that was mitigated with handsome growth in exports of the Company by 15.05% as against the negative growth witnessed by the cement industry as a whole.

FINANCIAL PERFORMANCE

Following is the comparison of financial results of the Company for the year under review with last year.

	Rupees in 000		
	2012	2011	
Net sale	4,342,634	3,304,272	
Cost of sales	3,376,972	2,698,348	
Gross Profit	965,662	605,924	
Profit before taxation	296,532	91,960	
Profit after taxation	346,729	65,433	
Earning Per Share(Rupees)	6.91	1.3	

During the year under review, overall sale revenue of the Company increased by 31.42% as compared to last year. This increase was a combination of volume which was increased by 4.73% whereas remaining 26.69% was achieved due to improved prices. Net local sales revenue of the Company increased by 28.75% whereas export sales was increased by 35.49%, however, after adjustment of commission paid to export dealers export sales increased by 27.59%. Prices remained better during the year as compared to last year mainly because of increase in prices of all input cost.

Cost of sales of the Company during the year under review was increased by 25.15% due to increase in production volume of cement by 4.56% and escalation in prices of input cost material resulting increase in cost per ton of cement by 19.70%. Fuel and power cost comprising coal and electricity, major components of cost of production increased by 34.33% due to increase in prices of coal in international market coupled with increase in power tariff. Excavation cost, other raw material and packing material cost also increased due to frequent increase in diesel prices by OGRA.

Gross profit of the Company was increased to 22.24% of net sales as against the 18.34% of last year whereas gross profit increased by 59.37% as compared to last year.

Overall distribution cost remained almost same, however, commission expenses and export expenses increased in line with increased export sales volume. Administrative expenses remained same as compared to last year.

Finance cost of the Company increased to Rs. 205.71 million as against Rs.149.68 million of last year mainly because of increase in finance cost of long term financing, increased utilization of running finance and loss of Rs. 7.78 million on cross currency swap as against the gain of Rs. 20.04 million of last year due to depreciation of Pak Rupee against US\$.

The Company earned profit before taxation of Rs. 296.53 million as against profit before taxation of Rs. 91.96 million of last year.

Earning per share (EPS) of your Company for the year under review was Rs. 6.91 per share as against the earning per share of Rs. 1.30 of last year.

DEBT OBLIGATION

By the grace of Almighty Allah the company continues to meet its financial commitments and debt obligations on time.

FUTURE PROSPECTS

Demand of cement in local market improved during the year and it is expected that this trend will continue in the current financial year, considering the fact that substantial budget is allocated for public sector development projects which is expected to be utilized by the Government due to up coming elections. Better support price for different agriculture crops by the Government increasing the income of farmer community coupled with increased remittances by the overseas Pakistanies are also expected to increase cement demand in local market. The present momentum of exports to Afghanistan and India is expected to continue this year as well which will continue providing opportunity to the industry to operate on optimal capacity.

Prices of coal in international market have witnessed downward trend in last quarter of year under review, whereas interest rates have been also reduced by the SBP which will ease some cost pressure, however, availability of energy at affordable and competitive rates is critical for the smooth operation of the industry.

CORPORATE GOVERNANCE

The Directors are pleased to inform that the company has fully complied with the Code of Corporate Governance as contained in the listing regulations of Stock Exchanges where the Company is listed including the requirements of revised Code of Corporate Governance 2012 issued on April 10, 2012 where ever applicable.

In compliance with the Code of Corporate Governance, the Directors are pleased to state that:

- 1. The financial statements, prepared by the Company, present fairly its state of affairs, the result of its operations, cash flows and changes in equity;

Mr. Mohammed Asad Fecto	Chairman
Mr. Aamir Ghani	Member
Mr. Mohammad Anwar Habib	Member

TRAINING PROGRAM OF DIRECTORS

Clause (XI) of the CCG 2012 requires every listed company to make appropriate arrangements to carry out orientation courses for their directors. The Board of your company will take the requisite steps to comply with the requirements of this clause as per the time specified in the CCG, however, your directors are pleased to report that three of the existing directors are exempted from the directors training program as they have minimum of 14 years of education and have experience of 15 years on the board of your company.

CORPORATE SOCIAL RESPONSIBILTY

Your Company being a responsible corporate citizen has been always conscious to discharge its obligations towards the people who work for it day and night, people around its work place and to the society as a whole. Following are few of the highlights of the activities undertaken by the company during the year under review in this direction:

Energy Conservation

- Y The areas where energy conservation can be achieved are identified.
- Y Pneumatic transport has been changed with rubber belt bucket elevator.
- ¥ Rotary blade air compressor replaced with screw type.
- ¥ Efficient energy saving lights fixtures installed.
- ¥ Plant power management plan introduced to switch off some major equipment in evening to reduce power available at higher rate.
- ¥ Fixed speed fans replaced with variable speed fans.

Environment Protection Measures

- Y The plant is equipped with state of art PTfe lined membrane bag filters. The emission level of less than 50 mg/Nm³ is achieved against the NEQS level of 300 mg/Nm³.
- Yes Waste heat is being used to generate electric power. 35% of plant power requirement is covered through green energy.
- ¥ Every year several hundred trees and shrubs are being planted within plant.
- ¥ Quarry area which has been abandoned is being rehabilitated with plantation.

Community Development and Welfare Schemes

- ¥ Financed the expansion of a school in nearby village.
- Y Continuous repair and maintenance of two schools (one boy's and one girl's) in same village.
- ¥ Allocation of a portion of land for use as approach road to village Jori to and from G. T. Road.
- Y Provided carpeting in mosques in the same village.
- Y Drinking water supply to the village. A second water supply scheme is under implementation.
- ¥ Donated cement bags to the environment division of CDA to construct a small dam in the Union Council area.
- Y Planted about 50,000 sapling in the Margalla hills as its contribution towards better environment.
- ¥ In addition to the above, many locals have been employed in FECTO Cement limited.

Special Persons

At present company have in its employment three special persons.

Contribution to National Exchequre

Your company contributed around Rs. 697.45 million in national exchequers as sales tax, and Federal excise duty of Rs. 776.36 million of last year. Company also brought in foreign exchange of around US\$ 18 million in the country by exporting cement and made contribution to national exchequer on account of income tax and royalty payment and also collected and deposited income tax on behalf of FBR from its suppliers and staff.

Industrial Relations

Company believes that its best assets are the one who work for it and constant efforts are made to provide them all facilities. Hence, management employee relations have always been very cordial and no industrial unrest has ever been witnessed in the company.

AUDITORS

Present auditors M/s. KPMG Taseer Hadi & Co., Chartered Accountants, retire and being eligible, have offered themselves for re-appointment. The Audit Committee of the Board has also recommended their appointment as Statutory Auditors of the Company for the year ending June 30, 2013 and Board would also like to endorse the recommendation of the audit committee.

STATEMENT OF COMPLIANCE WITH THE CODE OF CORPORATE GOVERNANCE FOR THE YEAR ENDED JUNE 30, 2012

This statement is being presented to comply with the Code of Corporate Governance as contained in Regulation No. 35 of Listing Regulations of Karachi, Lahore and Islamabad Stock Exchanges respectively for the purpose of establishing a framework of good governance, whereby a listed company is managed in compliance with the best practices of corporate governance.

The Company has applied the principles contained in the Code in the following manner:

1. The Company encourages representation of independent non-executive directors and directors representing minority interests on its Board of Directors. At present the Board includes:

Category	Names
Independent Directors	Ijaz Ali, Safdar Abbas Morawala, Aamir Ghani, Altaf A Hussain and Mohammed Anwar Habib
Executive Directors	Mohammed Yasin Fecto and Mohammed Asad Fecto
Non-Executive Directors	Rohail Ajmal and Zubeda Bai

The independent directors meet the criteria of independence under clause I (b) of the CCG.

- 2. The Directors have confirmed that none of them is serving as director in more than 10 listed companies including this company. Compliance of clause II of CCG 2012 requiring that a person shall not be elected or nominated as a director of more than seven listed companies will be made at the time of election of directors for the next three years term.
- 3. All the resident directors of the Company are registered as taxpayers and none of them has defaulted in payment of any loan to a banking company, a DFI or an NBFI or, being a member of a stock exchange, has been declared as a defaulter by that stock exchange. None of the directors and their spouses has been involved in the business of stock brokerage.
- 4. A casual vacancy occurring on the board on September 06, 2011 was filled up by the directors within 14 days.
- 5. The Company has prepared a "Code of Conduct" and ensured that appropriate steps have been taken to disseminate it throughout the company along with its supporting policies and procedures.
- 6. The Board has developed a vision/mission statement, overall corporate strategy and significant policies of the Company. A complete record of particulars of significant policies along with the dates on which they were approved or amended has been maintained.
- 7. All the powers of the Board have been duly exercised and decisions on material transactions have been taken by the Board. The Board of Directors and Members have approved appointment and determination of remuneration and terms and conditions of employment of the present CEO, other executive directors and non-executive directors.

8. The meetings of the Board were presided over by the Chairman and in his absence one of the directors elected for this purpose and the Board met at least once in every quarter. Written notices of the Board meetings, along with agenda and working papers, were circulated at least seven days before the meetings. The minutes of the meetings were appropriately recorded and circulated.

- 9. Directors are conversant of the relevant laws applicable to the Company, its policies and procedures and provisions of Articles and Memorandum of Associations and are aware of their duties and responsibilities. However, in order to apprise them of material changes, if any, in relevant laws same were placed in Board' meetings. More ever, in accordance with the criteria specified in clause (xi) of CCG three (3) of the directors are exempted from the requirement of directors training program and rest of the directors to be trained within specified time.
- 10. There was no new appointment of CFO, Company Secretary and Head of Internal Audit after the CCG 2012 became effective. The Board has however, approved appointment of Chief Financial Officer (CFO), Company Secretary and Head of Internal Audit, including terms and conditions of appointment as determined by the CEO.
- 11. The directors' report for this year has been prepared in compliance with the requirements of the CCG and fully describes the salient matters required to be disclosed.
- 12. The financial statements of the Company were duly endorsed by CEO and CFO before approval of the Board.
- 13. The directors, CEO and executives do not hold any interest in the shares of the Company other than that disclosed in the pattern of shareholding.
- The Company has complied with all the corporate and financial reporting requirements of the CCG.
- 15. The Board has formed an audit committee. It comprises three members, of whom two are non-executive directors. The Chairman of the Committee is an Executive Director. The condition of clause XXIV of the CCG in relation to composition of audit committee will be complied with at the time of election of next board of directors of the company.
- 16. The meetings of the audit committee were held at least once every quarter prior to approval of interim and final results of the Company and as required by the CCG. The terms of reference of the committee have been formed and advised to the committee for compliance.
- 17. The board has formed a HR and Remuneration Committee. It comprises three members, of whom two are independent directors and the chairman of the committee is an executive director.
- 18. The Board has set-up an effective internal audit function.
- 19. The statutory auditors of the Company have confirmed that they have been given a satisfactory rating under the quality control review program of the Institute of Chartered Accountants of Pakistan, that they or any of the partners of the firm, their spouses and minor children do not hold shares of the Company and that the firm and all its partners are in compliance with International Federation of Accountants (IFAC) guidelines on code of ethics as adopted by Institute of Chartered Accountants of Pakistan.
- 20. The statutory auditors or the persons associated with them have not been appointed to provide other services except in accordance with the listing regulations and the auditors have confirmed that they have observed IFAC guidelines in this regard.

21. The "closed period" prior to the announcement of interim/final results, and business decision, which may materially affect the market price of company's securities, was determined and intimated to directors, employees and stock exchange(s).

- 22. Material/price sensitive information has been disseminated among all market participants at once through stock exchange(s).
- 23. We confirm that all other material principles contained in the CCG have been complied with.

On behalf of the Board

MOHAMMED ASAD FECTO CHAIRMAN

Karachi: September 27, 2012

REVIEW REPORT TO THE MEMBERS ON STATEMENT OF COMPLIANCE WITH BEST PRACTICES OF CODE OF CORPORATE GOVERNANCE

We have reviewed the Statement of Compliance with the best practices contained in the Code of Corporate Governance prepared by the Board of Directors of **Fecto Cement Limited** ("the Company") to comply with the Listing Regulations of the Karachi, Lahore and Islamabad Stock Exchanges where the company is listed.

The responsibility for compliance with the Code of Corporate Governance is that of the Board of Directors of the Company. Our responsibility is to review, to the extent where such compliance can be objectively verified, whether the Statement of Compliance reflects the status of the Company's compliance with the provisions of the Code of Corporate Governance and report if it does not. A review is limited primarily to inquiries of the Company personnel and review of various documents prepared by the Company to comply with the Code.

As part of our audit of financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We have not carried out any special review of the internal control system to enable us to express an opinion as to whether the Board's statement on internal control covers all controls and the effectiveness of such internal controls.

Further, Listing Regulations of the Karachi, Lahore and Islamabad Stock Exchanges require the Company to place before the Board of Directors for their consideration and approval of related party transactions distinguishing between transactions carried out on terms equivalent to those that prevailed in arm's length transactions and transaction which are not executed at arm's length price recording proper justification for using such alternate pricing mechanism. Further, all such transactions are also required to be separately placed before the audit committee. We are only required and have ensured compliance of requirement to the extent of approval of related party transactions by the Board of Directors and placement of such transactions before the audit committee. We have not carried out any procedures to determine whether the related party transactions were undertaken at arm's length price or not.

Based on our review, nothing has come to our attention, which causes us to believe that the Statement of Compliance does not appropriately reflect the Company's compliance, in all material respects, with the best practices contained in the Code of Corporate Governance as applicable to the Company for the year ended 30 June 2012.

AUDITORS' REPORT TO THE MEMBERS

We have audited the annexed balance sheet of Fecto Cement Limited ("the Company") as at 30 June 2012 and the related profit and loss account, statement of comprehensive income, cash flow statement and statement of changes in equity together with the notes forming part thereof, for the year then ended and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of our audit.

It is the responsibility of the Company's management to establish and maintain a system of internal control, and prepare and present the above said statements in conformity with the approved accounting standards and the requirements of the Companies Ordinance, 1984. Our responsibility is to express an opinion on these statements based on our audit.

We conducted our audit in accordance with the auditing standards as applicable in Pakistan. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the above said statements are free of any material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the above said statements. An audit also includes assessing the accounting policies and significant estimates made by management, as well as, evaluating the overall presentation of the above said statements. We believe that our audit provides a reasonable basis for our opinion and, after due verification, we report that:

- in our opinion, proper books of account have been kept by the Company as required by the a) Companies Ordinance, 1984;
- in our opinion: b)
 - i) the balance sheet and profit and loss account together with the notes thereon have been drawn up in conformity with the Companies Ordinance, 1984, and are in agreement with the books of account and are further in accordance with accounting policies consistently applied:
 - the expenditure incurred during the year was for the purpose of the Company's business; ii) and
 - the business conducted, investments made and the expenditure incurred during the year were in accordance with the objects of the Company;
- in our opinion and to the best of our information and according to the explanations given to us. C) the balance sheet, profit and loss account, statement of comprehensive income, cash flow statement and statement of changes in equity together with the notes forming part thereof conform with approved accounting standards as applicable in Pakistan and give the information required by the Companies Ordinance, 1984, in the manner so required and respectively give a true and fair view of the state of the Company's affairs as at 30 June 2012 and of the profit, cash flows and changes in equity for the year then ended; and
- d) in our opinion, no Zakat was deductible at source under the Zakat and Ushr Ordinance, 1980.

NOTES TO THE ACCOUNTS

FOR THE YEAR ENDED 30 JUNE 2012

1. STATUS AND NATURE OF BUSINESS

The Company was incorporated in Pakistan on 28 February 1981 as a public limited company with its Registered Office situated at 35-Darulaman Housing Society, Block 7/8, Shahra-e-Faisal, Karachi, Sindh. Its shares are quoted on Karachi, Lahore and Islamabad Stock Exchanges. It is principally engaged in production and sale of cement.

2. STATEMENT OF COMPLIANCE

These financial statements have been prepared in accordance with approved accounting standards as applicable in Pakistan. Approved accounting standards comprise of such International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board and Islamic Financial Accounting Standards (IFASs) issued by the Institute of Chartered Accountants of Pakistan as are notified under the Companies Ordinance, 1984, provisions of and directives issued under the Companies Ordinance, 1984. In case requirements differ, the provisions or directives of the Companies Ordinance, 1984 shall prevail.

3. BASIS OF PREPARATION

3.1 Accounting Convention

These financial statements are prepared under the historical cost convention, except for the derivative financial instruments which are stated at the fair value.

3.2 Standards, interpretations and amendments to published approved accounting standards that are effective in the current year

During the year certain amendments to Standards and new interpretations became effective however they did not have any material effect on the financial statements of the Company.

New / revised accounting standards, amendments to published accounting standards, and interpretations that are not yet effective

The following standards, amendments and interpretations of approved accounting standards will be effective for accounting periods beginning on or after 01 July 2012:

- Amendments to IAS 12 deferred tax on investment property (effective for annual periods beginning on or after 1 January 2012). The 2010 amendment provides an exception to the measurement principle in respect of investment property measured using the fair value model in accordance with IAS 40 Investment Property. The measurement of deferred tax assets and liabilities, in this limited circumstance, is based on a rebuttable presumption that the carrying amount of the investment property will be recovered entirely through sale. The presumption can be rebutted only if the investment property is depreciable and held within a business model whose objective is to consume substantially all of the asset's economic benefits over the life of the asset. The amendment has no impact on financial statements of the Company.
- IAS 19 Employee Benefits (amended 2011) (effective for annual periods beginning on or after 1 January 2013). The amended IAS 19 includes the amendments that require actuarial gains and losses to be recognised immediately in other comprehensive income; this change will remove the corridor method and eliminate the ability for entities to recognise all changes in the defined benefit obligation and in plan assets in profit or loss, which currently is allowed under IAS 19; and that the expected return on plan assets recognised in profit or loss is calculated based on the rate used to discount the defined benefit obligation. The amendments have no impact on financial statements of the Company.

- Presentation of Items of Other Comprehensive Income (Amendments to IAS 1) - (effective for annual periods beginning on or after 1 July 2012). The amendments require that an entity present separately the items of other comprehensive income that would be reclassified to profit or loss in the future if certain conditions are met from those that would never be reclassified to profit or loss. The amendments do not address which items are presented in other comprehensive income or which items need to be reclassified. The requirements of other IFRSs continue to apply in this regard. The amendments have no impact on financial statements of the Company.

- IAS 27 Separate Financial Statements (2011) (effective for annual periods beginning on or after 1 January 2013). IAS 27 (2011) supersedes IAS 27 (2008). Three new standards IFRS 10 Consolidated Financial Statements, IFRS 11- Joint Arrangements and IFRS 12- Disclosure of Interest in Other Entities dealing with IAS 27 would be applicable effective 1 January 2013. IAS 27 (2011) carries forward the existing accounting and disclosure requirements for separate financial statements, with some minor clarifications. The amendments have no impact on financial statements of the Company.
- IAS 28 Investments in Associates and Joint Ventures (2011) (effective for annual periods beginning on or after 1 January 2013). IAS 28 (2011) supersedes IAS 28 (2008). IAS 28 (2011) makes the amendments to apply IFRS 5 to an investment, or a portion of an investment, in an associate or a joint venture that meets the criteria to be classified as held for sale; and on cessation of significant influence or joint control, even if an investment in an associate becomes an investment in a joint venture. The amendments have no impact on financial statements of the Company.
- Offsetting Financial Assets and Financial Liabilities (Amendments to IAS 32) (effective for annual periods beginning on or after 1 January 2014). The amendments address inconsistencies in current practice when applying the offsetting criteria in IAS 32 Financial Instruments: Presentation. The amendments clarify the meaning of □currently has a legally enforceable right of set-off'; and that some gross settlement systems may be considered equivalent to net settlement.
- Offsetting Financial Assets and Financial Liabilities (Amendments to IFRS 7) (effective for annual periods beginning on or after 1 January 2013). The amendments to IFRS 7 contain new disclosure requirements for financial assets and liabilities that are offset in the statement of financial position or subject to master netting agreement or similar arrangement.
- Annual Improvements 2009—2011 (effective for annual periods beginning on or after 1 January 2013). The new cycle of improvements contains amendments to the following five standards, with consequential amendments to other standards and interpretations:
- IAS 1 Presentation of Financial Statements is amended to clarify that only one comparative period which is the preceding period is required for a complete set of financial statements. If an entity presents additional comparative information, then that additional information need not be in the form of a complete set of financial statements. However, such information should be accompanied by related notes and should be in accordance with IFRS. Furthermore, it clarifies that the 'third statement of financial position', when required, is only required if the effect of restatement is material to statement of financial position.
- IAS 16 Property, Plant and Equipment is amended to clarify the accounting of spare parts, stand-by equipment and servicing equipment. The definition of 'property, plant and equipment' in IAS 16 is now considered in determining whether these items should be accounted for under that standard. If these items do not meet the definition, then they are accounted for using IAS 2 Inventories.
- IAS 32 Financial Instruments: Presentation is amended to clarify that IAS 12 Income Taxes applies to the accounting for income taxes relating to distributions to holders of an equity instrument and transaction costs of an equity transaction. The amendment removes a perceived inconsistency between IAS 32 and IAS 12.

- IAS 34 Interim Financial Reporting is amended to align the disclosure requirements for segment assets and segment liabilities in interim financial reports with those in IFRS 8 Operating Segments. IAS 34 now requires the disclosure of a measure of total assets and liabilities for a particular reportable segment. In addition, such disclosure is only required when the amount is regularly provided to the chief operating decision maker and there has been a material change from the amount disclosed in the last annual financial statements for that reportable segment.

- IFRIC 20 - Stripping cost in the production phase of a surface mining (effective for annual periods beginning on or after 1 January 2013). The interpretation requires production stripping cost in a surface mine to be capitalized if certain criteria are met. The amendments have no impact on financial statements of the Company.

3.3 Functional and presentation currency

These financial statements are presented in Pakistani Rupees which is the Company's functional currency. All financial information presented in Pak Rupees have been rounded to nearest thousand.

3.4 Use of estimates and judgments

The preparation of financial statements in conformity with approved accounting standards, as applicable in Pakistan, requires the management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Judgments made by management in the application of approved accounting standards, as applicable in Pakistan, that have significant effect on the financial statements and estimates with a significant risk of material adjustments in the future years are as follows:

3.4.1 Income taxes

In making the estimates for income taxes currently payable by the Company, the management considers the current income tax law and the decisions of appellate authorities on certain issues in the past.

3.4.2 Property, plant and equipment

The Company's management determines the estimated useful lives, residual value and related depreciation charge for its plant and equipment. The Company reviews the value of the assets for possible impairment on an annual basis. Any change in the estimates in future years might affect the carrying amounts of the respective items of property, plant and equipments with a corresponding effect on the depreciation charge and impairment.

3.4.3 Stock-in-trade and stores and spares

The Company's management reviews the net realisable value (NRV) and impairment of stock-intrade and stores and spares respectively, to assess any diminution in the respective carrying values and wherever required provision for NRV / impairment is made. The difference in provision, if any, would be recognised in the future years.

3.4.4 Trade debts and other debts

Impairment loss against doubtful trade and other debts is made on judgemental basis, for which provision may differ in the future years based on the actual experience. The difference in provision if any, would be recognised in the future years.

3.4.5 Fair value of derivates financial instrument

The management reviews the changes in fair values of cross currency swap at each reporting date based on the valuations received from the contracting bank. These valuations represent estimated fluctuations in the relevant currencies and interest rate over the reporting period.

4. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented.

4.1 Property, plant and equipments

Owned

- i) Operating assets are stated at cost (including where relevant related borrowing cost and exchange difference) less accumulated depreciation and impairment losses, if any, except free hold land which is stated at cost. Depreciation on additions is charged for the month the asset is put to use and no depreciation is charged in the month of disposal.
- ii) Maintenance and repairs are charged to income as and when incurred. Major renewals and improvements are capitalized. Gains and losses on disposal of assets, if any, are included in income currently.
- iii) Depreciation is charged to income applying the straight line method at the rate specified below:

Items	Useful lives (Years)	Residual Values (% of cost)
Factory building	22.5 - 23.5	0
Non-factory building	23.5	0
Plant, machinery and equipments	9 - 23.5	5
Quarry transport equipments	0 - 10	5
Furniture, fixtures and equipments	0 - 10	0 - 5
Motor vehicles	0 -5	10

iv) Useful lives, depreciation methods and residual values are reassessed annually and change, if any, are applied prospectively.

Leased

- i) Assets subject to finance lease are accounted for by recording the assets and related liabilities. These are stated at lower of present value of minimum lease payments under the lease agreements and fair value of assets acquired on lease at the inception of lease. Assets acquired under the finance lease are depreciated over the useful life of the assets in the same manner as the owned assets.
- ii) Finance charge under the lease agreements is allocated over the periods during lease term so as to produce a constant periodic rate of financial charge on the outstanding balance of principal liability of each period.

4.2 Capital work in progress

Capital work in progress is stated at cost including, where relevant, related financing costs less impairment losses, if any. These costs are transferred to fixed assets as and when assets are available for use.

4.3 Staff benefits

i) The Company operates a defined contribution plan, Provident Fund, for all its regular permanent employees. Contributions are made equally by the Company and the employees as per the rules of the Fund.

ii) The liability in respect of accumulated compensated absences of employees is accounted for in the period in which these absences are earned.

4.4 Stores and spares

These are valued under the moving average cost method (less impairment loss if any) other than stores and spares in transit which are valued at cost comprising invoice value plus other charges paid thereon less impairment loss if any. Adequate provision is also made for slow moving items.

4.5 Stock-in-trade

Stock-in-trade is valued at lower of cost and net realisable value. Cost signifies in relation to:

Raw Material produced / excavated by At average cost comprising of excavation the Company cost, labour and appropriate overheads.

Other Raw Material and Packing Material At cost determined on first-in-first-out basis.

Work-in-process and Finished Goods At average cost comprising direct material,

labour and appropriate manufacturing

overheads.

Net realizable value signifies the selling price less cost necessary to be incurred in order to make the sale.

4.6 Financial assets other than derivatives

Financial assets include trade debts, loans, deposits, accrued mark-up and cash and bank balances. These are recognised initially at fair-value plus attributable transaction costs, if any, and subsequently measured at amortised cost using effective interest method less provision for impairment, if any. A provision for impairment is established when there is objective evidence that the Company will not be able to collect all amounts due according to the original terms of receivables.

4.7 Financial liabilities other than derivatives

Financial liabilities include long term finance, liabilities against assets subject to finance lease, short term borrowing and trade and other payables. All financial liabilities are recognised initially at fair value plus directly attributable transaction costs, if any, and subsequently measured at amortised cost using effective interest rate method.

4.8 Cash and cash equivalents

Cash and cash equivalents are carried in the balance sheet at cost or fair value as applicable. Cash and cash equivalents comprises cash and bank balances. Short term running finances that are repayable on demand and form an integral part of the Company's cash management policy are also included as a component of cash equivalents for the purpose of the statement of cash flows.

4.9 Foreign currency translation

Transactions in foreign currencies are converted into Rupees at the rate of exchange ruling on the date of transaction. Monetary assets and liabilities in foreign currencies are translated into Rupees at the rate of exchange ruling at the balance sheet date. All exchange differences arising on transaction are charged to profit and loss account currently.

4.10 Derivative financial instruments

The Company uses derivative financial instruments such as interest rate swaps and cross currency swaps to cover its risk associated with interest and exchange rate fluctuations. Such derivative financial instruments are initially recognized at fair value on the date on which a derivative contract is entered into and are subsequently measured at fair value. Derivatives are carried as assets when the fair value is positive and as liabilities when the fair value is negative. Any gains or losses arising from change in fair value of derivatives that do not qualify for hedge accounting are taken directly to profit and loss account.

4.11 Taxation

Income tax expense comprises current and deferred tax. Income tax expense is recognised in profit and loss account.

Current

Provision for current taxation is based on taxable income for the year at the current rates of taxation enacted or substantively enacted at the balance sheet date after taking into account available tax credits, rebates and any adjustment to tax payable in respect of previous years, if any.

Deferred

Deferred tax is provided using the balance sheet liability method providing for temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and amounts used for taxation purposes. The amount of deferred tax provided is based on the expected manner of realisation or settlement of the carrying amount of assets and liabilities using tax rates enacte or substantively enacted at the balance sheet date. Deferred tax asset is recognised for deductible temporary differences only to the extent it is probable that future taxable profits will be available and the credits can be utilised.

4.12 Provisions

A provision is recognised in the balance sheet when the Company has a legal or constructive obligation as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of obligation.

4.13 Revenue recognition

Sale of goods

Revenue from sale of goods is measured at fair value of the consideration received or receivable. Revenue is recognised when the significant risks and rewards of ownership have been transferred to the buyer, recovery of the consideration is probable, the associated cost and possible return of goods can be estimated reliably, and there is no continuing management involvement with the goods. The Company recognises revenue from the sale of goods (including export sales) on despatch of goods to its customers.

Profit on term deposits and long term advances

Profit on term deposits is accounted for on time proportion basis on the principal outstanding at the rates applicable.

4.14 Borrowing cost

Borrowing cost incurred upto the date the qualifying asset is ready for use and that is directly attributable to the acquisition or construction of related property, plant and equipment is capitalised as part of cost of the relevant asset. All other mark-up, interest and other related charges are charged to income currently.

4.15 Impairment

The carrying amount of all assets not carried as fair value, is reviewed at each balance sheet date to determine whether there is any indication of impairment. If any such indication exists, the recoverable amount of such asset is estimated. Impairment loss is recognised in profit and loss account whenever carrying amount of an assets exceeds its recoverable amount.

4.16 Offsetting

Financial assets and liabilities are offset when the Company has a legally enforceable right to offset and intends to settle either on a net basis or to realise the asset and settle liability simultaneously.

4.17 Dividends and appropriations to reserves

Dividends and appropriations to reserves are recognised as liability in the Company's financial statements in the period / year in which these are approved.

4.18 Research and development costs

Research and development costs are charged to income as and when incurred, except for certain development costs which are recognised as intangible assets when it is probable that the development project will be a success and certain criteria, including commercial and technological feasibility have been met.

Less: Current Maturity 10			10	450,000 200,000	650,000 200,000
				250,000	450,000

6.1 This represents finance facility of Rs. 150 million (2011: Rs. 150 million) obtained from Standard Chartered Bank (Pakistan) Limited. The amount is payable in 12 equal semi annual instalments commenced from 24 July 2007. The facility carries mark-up @ 3 months KIBOR plus 2.75% with a floor of 6.5% and will

be set on the first day of each quarter. The loan is secured by way of a first pari passu charge on all movable and immovable properties of the Company and personal guarantee of sponsoring directors.

- This represents the syndicated term finance facility of Rs. 300 million (2011: Rs. 300 million) obtained from Saudi Pak Industrial & Agricultural Investment Company (Private) Limited and NIB Bank Limited (formerly PICIC Commercial Bank Limited). The amount is payable in 12 equal semi annual instalments commenced from 31 December 2007. The facility carries mark-up @ 6 months KIBOR plus 2.5% and will be set on the first day of each quarter. The loan is secured by way of a first pari passu charge on all movable and immovable properties of the Company and personal guarantee of sponsoring directors.
- finances for a notional amount of Rs. 437.5 million (2011: Rs. 437.5 million), maturing upto 28 June 2013. Under the swap arrangement the principal payable amount of Rs. 437.500 million is swapped with US \$ at Rs. 60.59 per US \$ making the loan amount to US \$ 7.22 million (2011: US \$ 7.22 million). Besides the swap of the principal amount to US\$, the Company would receive 6 months KIBOR rates in local currency and pay 8.6% fixed in US\$ as per the arrangements, which will be settled semi annually. As at the balance sheet date, the net fair value of these interest rates and cross currency swaps was Rs. 47.233 million unfavourable (2011: Rs. 76.807 million unfavourable). This change in fair value after adjustment of settled amount has been recognised in profit and loss account. These swap arrangements have exposed the Company to foreign currency exchange rate fluctuation risk on the US \$ value convertedat the agreement date while interest rate variability risk due to change in KIBOR rates has been covered.
- This represents a long term financing of Rs. 500 million obtained under the diminishing musharaka basis from a syndicate led by Standard Chartered Bank (Pakistan) Limited to finance imported plant and machineries of Waste Heat Recovery Power Plant. Principal amount is repayable in eight equal semi annual instalments commenced from 23 Aug 2011. Mark-up is payable semi annually at 6 months KIBOR plus 3% at the date of disbursement and will subsequently be revised on each instalment dates. The facility is secured by a registered first pari passu charge on all present and future fixed assets of the Company up to Rs. 667 million.

12. CONTINGENCIES AND COMMITMENTS

12.1 Contingencies

The Competition Commission of Pakistan (the CCP) took Suo Moto action under Competition Commission Ordinance, 2007 and issued a Show Cause Notice on 28 October 2008, for increase in prices of cement across the country. Similar notices were also issued to All Pakistan Cement Manufacturers Association (APCMA) and its member cement manufacturers. The Company filed a writ petition before the Honourable Lahore High Court (LHC), the LHC wide its order dated 24 August 2009 allowed the CCP to issue its final order. The CCP accordingly passed an order on 27 August 2009 and imposed a penalty of Rs. 174.063 million on the Company. The Lahore High Court vide its order dated 31 August 2009 restrained the CCP from enforcing its order against the Company for the time being.

During the financial year ended 30 June 2009, the Company has filed an appeal before the Honourable Supreme Court of Pakistan and Lahore High Court against the Order of the CCP dated 27 August 2009. The petition filed by the Company and other cement manufacturers before the Lahore High Court are also pending for adjudication meanwhile order passed by the Lahore High Court on 31 August 2009 is still operative.

15.1 This includes Rs. 11 million (2011: Rs. 11 million) margin given to Silkbank Limited against the bank guarantee of Rs. 110 million (2011: Rs. 110 million) issued in favour of Sui Northern Gas Pipeline Ltd. as security for the payment of gas bill.

- 15.2 The maximum aggregate amount due from executives of the Company at the end of any month during the year was Rs. 1.658million (2011: Rs. 2.269 million). The loan to executives and employees are in accordance with the terms of their employment.
- 15.3 This represents the unsecured loan of Rs. 44.48 million given to Sui Northern Gas Pipelines Limited for laying of gas pipeline and is repayable in 10 equal yearly instalments after grace period of two years starting from 7 December 2007. This loan had been measured to its present value using prevailing market rate of mark-up at 8% per annum for a similar instrument, having similar terms and credit risk profile, at the time the loan was granted.

Rated Capacity Actual Production	780,000 785,345	780,000 718,322

33. FINANCIAL INSTRUMENTS

Financial risk management

The Board of Directors of the Company has overall responsibility for the establishment and oversight of the Company's risk management framework. The Company has exposure to the following risks from its use of financial instruments:

- Credit risk

32.

- Liquidity risk
- Market risk

33.1 Credit risk

Credit risk is the risk that one party to a financial instrument will fail to discharge an obligation and cause the other party to incur a financial loss, without taking into account the fair value of any collateral. Concentration of credit risk arises when a number of financial instruments or contracts are entered into with the same party, or when counter parties are engaged in similar business activities, or activities in the same geographic region, or have similar economic features that would cause their ability to meet contractual obligations to be similarly affected by changes in economics, political or other conditions. Concentrations of credit risk indicate the relative sensitivity of the Company's performance to developments affecting a particular industry.

The carrying amount of financial assets represents the maximum credit exposure. To reduce the exposure to credit risk the Company has developed a policy of obtaining advance payments from its customers. Except for customers relating to the Government and certain small and medium sized enterprises, the management strictly adheres to this policy. For any balances receivable from such small and medium sized enterprises, the management continuously monitors the credit exposure towards them and makes provisions against those balances considered doubtful of recovery. Cash is held only with banks with high quality credit worthiness.

The maximum exposure to credit risk at the reporting date is as follows:

	20	2012)11
	Balance sheet	Maximum exposure (Rupees	Balance sheet in '000)	Maximum exposure
Trade debts Loans, advances, deposits	25,734	25,734	18,712	18,712
and accrued mark-up	75,016	43,100	68,599	47,776
Cash and bank balances	41,805	41,174	24,183	23,568
	142,555	110,008	111,494	90,056

Differences in loan, advances deposits and accrued mark-up is due to the fact that advance tax amounting to Rs 31.018 million (2011: Rs. 4.801 million) and lease deposits amounted to Rs 0.906 million (2011: Rs. 15.668 million) are not considered to carry credit risk. Further the difference in cash and bank balances is due to the fact that the amount of Rs. 0.631 million (2011: Rs. 0.615 million) is cash in hand which is also not considered to credit risk.

33.1.1 The maximum exposure to credit risk on trade debts at the balance sheet date by geographic region is as follows:

	2012 (Rupees	2011 in '000)
Domestic (Pakistan)	25,734	18,712
Exports (India and Afghanistan)	-	-

33.1.2 The maximum exposure to credit risk for trade debts at the balance sheet date by type of customer is as follows:

Dealer / distributor	25,701	18,663
End-user customers	33	51

33.1.3 Impairment losses

The aging of trade debtors at the balance sheet date was:

	2012		2011	
	Gross	Impairment	Gross	Impairment
	(Rupe	(Rupees in '000)		es in '000)
Not past due	-	-	-	-
Past due 1-60 days	9,811	-	13,499	-
Past due 61 days -1 year	11,188	-	741	-
More than one year	4,735		4,474	
	25,734	<u> </u>	18,714	<u> </u>

33.1.4 Based on past experience, consideration of financial position, past track records and recoveries, the Company believes that trade debtors past due upto one year do not require any impairment. None of the other financial assets are either past due or impaired.

33.2 Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset. Liquidity risk arises because of the possibility that the Company could be required to pay its liabilities earlier than expected or difficulty in raising funds to meet commitments associated with financial liabilities as they fall due. The Company's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation. The following are the contractual maturities of financial liabilities, including interest payments:

			201	12		
	Carrying amount	Contractual cash flows	or less	Six to twelve months	Two to five years	More than five years
Non-Derivative			(Rupees	in '000)		
Financial liabilities Long term financing Liabilities against assets	450,000	563,782	134,710	128,031	301,041	-
subject to finance lease	6,580	7,682	1,355	1,355	4,972	-
Short-term running finance	695,072	719,510	719,510	-	-	-
Trade and other payables	708,011	683,573	672,359	-	-	11,214
Derivatives						
Cross currency Swap	47,233	47,233	47,233	-	-	-
	1,906,896	2,021,780	1,575,167	129,386	306,013	11,214
			201	l1		
	Carrying	Contractual	Six months	Six to	Two to five	More than
	amount	cash flows	or less	twelve	years	five years
				months		
Non Desirative			(Rupees	in '000)		
Non-Derivative						
Financial liabilities						
Long term financing Liabilities against assets	650,000	1,167,777	191,740	189,312	786,726	-
subject to finance lease	42,143	45,615	18,882	18,978	7,852	-
Short-term running finance	628,964	709,600	709,600	-	-	-
Trade and other payables	597,755	597,755	587,436	-	-	10,319
Derivatives						
Cross currency Swap	76,807	76,807	76,807	-	-	-
•	1,995,669	2,597,554	1,584,465	208,290	794,578	10,319

33.2.1 The contractual cash flows relating to the above financial liabilities have been determined on the basis of mark-up rates effective as at 30 June (and includes both principal and interest payable thereon). The rates of mark-up have been disclosed in notes 6, 7 and 9 to these financial statements.

33.3 Market risk

Market risk is the risk that the value of the financial instrument may fluctuate as a result of changes in market interest rates or the market price due to a change in credit rating of the issuer or the instrument, change in market sentiments, speculative activities, supply and demand of securities and liquidity in the market. Market risk comprises of currency risk, interest rate risk and other price risk. The Company is exposed to currency risk and interest rate risk only.

33.3.1 Currency risk

Foreign currency risk is the risk that the value of financial asset or a liability will fluctuate due to a change in foreign exchange rates. It arises mainly where receivables and payables exist due to transactions entered into foreign currencies.

Exposure to currency risk

The Company's exposure to foreign currency risk was as follows based in notional amount:

	20	12	2011	
	Rupees	US Dollars	Rupees	US Dollars
		(in 'C	000)	
Trade debts	_	_	-	-
Trade payables	(280,098)	(2,933)	(146,429)	(1,700)
Gross balance sheet exposure	(280,098)	(2,933)	(146,429)	(1,700)
Estimated forecast sales	426,162	4,693	426,162	4,949
Estimated forecast purchases	(224,611)	(2,473)	(224,611)	(2,608)
Gross exposure	201,551	2,220	201,551	2,341
Cross currency and interest rate				
swap - US Dollars	(118,213)	(1,302)	_(213,179)_	(2,476)
Net exposure	(196,760)	(2,015)	(158,057)	(1,835)

The following significant exchange rates applied during the year:

	Average rates		Balance sheet date rate	
	2012	2011	2012	2011
US Dollars	90.81	85.86	95.50	86.11

Sensitivity Analysis

A 10 percent strengthening of the Rupee against US Dollar at 30 June would have increased / (decreased) profit and loss account by the amounts shown below. This analysis assumes that all other variables, in particular interest rates, remain constant. The analysis is performed on the same basis for 30 June 2011.

As at 30 June 2012	Profit and Equity loss (Rupees in '000)
Effect in US Dollars	19,676 -
As at 30 June 2011 Effect in US Dollars	15,806 -

10 percent weakening of the Rupees against the above currency at 30 June would have had the equal but opposite effect on the above currencies to the amounts shown above, on the basis that all other variables remain constant.

33.3.2 Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Majority of the interest rate exposure arises from short and long term borrowings from banks and term deposits with banks. At the balance sheet date the interest rate profile of the Company's interest-bearing financial instruments was as follows:

	Carrying	Carrying amount		
	2012	2011		
Fixed rate instruments	(Rupees	in '000)		
Financial assets	19,177	22,379		
Financial liabilities				
	19,177	22,379		
Variable rate instruments				
Financial assets	-	-		
Financial liabilities	<u> 1,151,652</u>	1,321,107		
	1,151,652	1,321,107		

Fair value sensitivity analysis for fixed rate instruments

The Company does not account for any fixed rate financial assets and liabilities at fair value through profit and loss. Therefore, a change in interest rates at the reporting date would not affect the profit and loss account and equity of the Company.

Cash flow sensitivity analysis for variable rate instruments

A change of 100 basis points in interest rates at the reporting date would have increased / (decreased) profit or loss by the amounts shown below. This analysis assumes that all other variables, in particular foreign currency rates, remain constant. The analysis is performed on the same basis for current and last year.

	Profit and loss (Rupees i	Equity in '000)
As at 30 June 2012 Cash flow sensitivity - Variable rate instruments	11,517	<u>-</u>
As at 30 June 2011 Cash flow sensitivity - Variable rate instruments	13,211	

33.4 Fair value of financial assets and liabilities

Fair value is the amount for which an asset could be exchanged, or a liability settled, between knowledgeable, willing parties in an arm's length transaction. Consequently, differences can arise between carrying values and the fair value estimates.

The carrying amounts of all financial assets and liabilities reflected in the financial statements approximate their fair values.

FECTO CEMENT LIMITED ANNUAL REPORT 2012

The company measures fair values using the following fair value hierarchy that reflects the significance of the inputs used in making the measurements:

Level 1: Fair value measurements using quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Fair value measurements using inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3: Fair value measurements using inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

As at 30 June 2012, cross currency and interest rate swap was categorised in level 3.

The following table shows a reconciliation from the beginning balances to the ending balances for fair value measurements in level 3 of the fair value hierarchy.

	2012	2011
	(Rupees in '000)	
Balance as at 01 July 2011	76,807	137,650
Settled during the year - unfavourable	(37,354)	(40,803)
Loss / (gain) on derivative financial instrument	7,779	(20,040)
Balance as at 30 June 2012	47,232	76,807

33.5 Capital risk management

The management's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. The management closely monitors the return on capital along with the level of distributions to ordinary share holders.

The management seeks to maintain a balance between higher returns that might be possible with higher levels of borrowings and the advantages and security afforded by a sound capital position.

The Company is not required to maintain any regulatory capital.

34. GENERAL

34.1 Non-adjusting event after the balance sheet date

The Board of Directors in its meeting held on September 27, 2012 has (i) approved the transfer of Rs. 500 million (2011:Nil) from un-appropriated profit to general reserve; and (ii) proposed a Cash Dividend of 10% (2011: Nil) for approval by the members of the company in forthcoming Annual General Meeting. The Financial Statements for the year ended 30 June 2012 do not include the effect of the appropriation and proposed Cash Dividend which will be accounted for in the Financial Statement for the year ending 30 June 2013.

34.2 These financial statements were authorised for issue in the Board of Directors meeting held on 27 September, 2012.

Statement under section 241(2) of the Companies Ordinance, 1984

The Chief Executive of the Company is presently out of the country, therefore these financial statements have been signed by two Directors of the Company duly authorised by the Board of Directors.
