- (c) CDC shareholders are requested to bring their original CNIC, Account, Sub Account Number and Participant's Number in the Central Depository System for identification purposes for attending the Meeting. In case of a corporate entity, the Board of Directors' resolution / power of attorney with specimen signature of the nominee shall be produced (unless it has been provided earlier) at the time of the Meeting
- (d) Members are requested to immediately notify change in their mailing addresses, if any.

## DIRECTORS' REPORT

The Directors of your company take pleasure in presenting the annual report & the Company's audited financial statements for the year ended on 30th June 2011.

### ECONOMY AND MARKET

Economic conditions in Pakistan remained highly depressed during the year. Unprecedented floods in the country, double digit inflation, poor law and order conditions, and appalling energy crisis led to a tough business environment.

All these along with the destructive tsunami in Japan and the daunting devaluation of Rupee against Japanese Yen have resulted in rise in production costs and fall in sales of Japanese trucks and buses in the country.

Despite all these challenges, your company has managed to stay above the break-even level.

### OPERATING RESULTS

#### Sales

Nationally, sale of trucks and buses this year has been the lowest as compared to the last couple of years. Sale of trucks and buses in the country has fallen by over 21% from the preceding year and the same is reflected in your company's sales revenue that has fallen by 21.8% from the preceding year.

#### Gross profit

The gross profit ratio has fallen from 14.2% in 2010 to 10.7% this year.

#### Distribution and administration costs

Distribution costs have decreased by 20.5% from last year. The decrease is consistent with the decreased sales revenue. However, general levels of inflation and increased depreciation charge have led the administrative costs to increase by 30.1% from that of the preceding period.

#### Other operating expenses

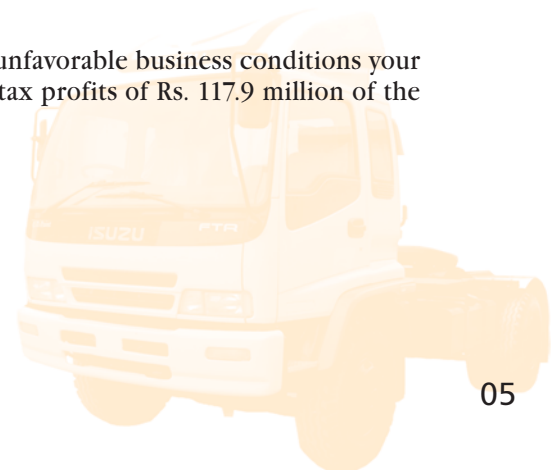

These expenses have also decreased in line with the decrease in profitability.

#### Finance costs

Liquidity situation remained under stiff pressures this year. However, overall finance costs have remained more or less the same as that of the previous year.

#### Profit before tax

Despite stiff competition, devaluation of Rupee against Yen and overall unfavorable business conditions your company was able to make pre-tax profits of Rs. 7.8 million against pre-tax profits of Rs. 117.9 million of the preceding period.

## Financial performance

The financial results are summarized below:

	2011	2010
	Rupees' 000	
Profit before tax	7,847	117,928
Taxation	(102)	17,635
Profit after tax	7,745	135,563
Write back of reserves	43,200	
Transferred from surplus on revaluation of fixed assets on account of incremental depreciation	5,563	3,349
Accumulated loss brought forward	(33,602)	(172,514)
Unappropriated reserve / {accumulated loss} carried forward	<u>22,906</u>	<u>(33,602)</u>

For the year ended June 30, 2011, the Board in its meeting held on September 29, 2011 has proposed a final cash dividend of Rs. Nil per share, considering liquidity needs envisaged for the contracted sales and other commitments.

## Earnings per share - basic & diluted

The basic and diluted profit per share for the year is Rs 0.36 (2010: Rs 6.36)

## Auditors' report to the members

The position in respect of paragraph (e) of the Auditors' report is clarified as under:

In the light of the legal opinion obtained by the management of the company coupled with the constitutional petitions pending adjudication in Sindh High Court the Board is of the view that it is not liable for Workers Profit Participation Fund as detailed in note # 23.1 (iv) to the financial statements.

## Compliance with the best practices of corporate governance as per clause XIX of Code of Corporate Governance

The Board is pleased to state that the management of the Company is compliant with the best practices of corporate governance. The Board acknowledges its responsibility in respect of the corporate and financial reporting framework and thus states that:

- The financial statement prepared by the management of the Company, present fairly its state of affairs, the result of its operations, cash flows and changes in equity.
- Proper books of account of the Company have been maintained.
- Appropriate accounting policies have been consistently applied in preparation of financial statements and accounting estimates are based on reasonable and prudent judgment.
- International Accounting Standards, as applicable in Pakistan, have been followed in preparation of financial statement.
- The system of internal control is sound in design and has been effectively implemented and monitored.
- There are no significant doubts upon the Company's ability to continue as a going concern.

- There has been no material departure from the best practices of corporate governance, as detailed in the listing regulations.
- The highlights of operating and financial data for the last six years are annexed.
- The value of investments of the Company's gratuity as on June 30, 2011 is Rs.Nil.

#### Audit committee

The committee consists of three members; all are non-executive including the chairman of the committee. The committee held four meetings during the year.

#### Board meetings

During the year under review four Board meetings were held. Attendance at the Board meetings was as below:

Name of Director	No. of Meetings attended			
Mr. Raza Kuli Khan Khattak	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Lt. Gen. (R) Ali Kuli Khan Khattak	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Mr. Ahmad Kuli Khan Khattak	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Mr. Mushtaq Ahmad Khan	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Dr. Parvez Hassan	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Mr. Jamil Ahmad Shah	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Ch. Sher Muhammad	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>

#### Auditors

M/s Hameed Chaudhri & Co, Chartered Accountants, the present Auditors of the Company, retire and being eligible offer themselves for re-appointment. The Board of Directors endorses recommendation of the Audit Committee for their re-appointment as auditors of the Company for the financial year ending June 30, 2012.

#### Pattern of shareholding

The pattern of shareholding as on 30th June 2011 & additional information thereabout required under Code of Corporate Governance are annexed.

#### Future outlook

Despite a depressed market, falling rupee, energy crisis and growing inflation, your company's contracted sales commitments allow to foresee profitable operations ahead. However, imposition of sales tax on zero-rated trucks and buses does pose a threat to sales volumes.

#### Acknowledgement

The Board would like to recognize the efforts and contributions of the management and the employees which enabled us to prevent losses and earn profits in these hard times. The Board would like to appreciate the enormous support of our bankers and vendors without which our efforts would not have materialized.

By order of the Board

**Ahmad Kuli Khan Khattak**  
Chief Executive

Karachi  
Dated: September 29, 2011

## STATEMENT OF COMPLIANCE WITH THE CODE OF CORPORATE GOVERNANCE FOR THE YEAR ENDED JUNE 30, 2011

This statement is being presented to comply with the Code of Corporate Governance contained in the Listing Regulations of Karachi, Lahore and Islamabad Stock Exchanges for the purpose of establishing a framework of good governance.

1. The Company encourages representation of independent non-executive Directors on its Board of Directors. At present, the Board includes six independent non-executive Directors.
2. The Directors have confirmed that none of them is serving as a director in more than ten listed companies, including this Company.
3. All the Directors of the Company are registered as tax payers in Pakistan and none of them has defaulted in payment of any loan to a banking Company, a DFI or an NBFIs or, being a member of a stock exchange, has been declared as a defaulter by that stock exchange.
4. The Company has a vision/mission statement and overall corporate strategy. All policies of the Company are governed by the "Corporate Governance Charter" which has been approved by the Board.
5. The Company has prepared "Statement of Ethics and Business Practices", which has been signed by the Directors and employees of the Company.
6. No casual vacancy occurred in the Board of Directors during the year ended June 30, 2011.
7. All the powers of the Board have been duly exercised and decisions on material transactions, including appointment and determination of remuneration and terms and conditions of employment of the Chief Executive, CFO / Company Secretary and other executive director have been taken by the Board.
8. The meetings of the Board were presided over by the Chairman and, in his absence, by a Director elected by the Board for this purpose and the Board met at least once in every quarter. Written notices of the Board meetings, alongwith agenda were circulated at least seven days before the meetings. The minutes of the meetings were appropriately recorded and circulated.
9. No new appointment of CFO / Company Secretary and Head of Internal Audit has been made during the year.
10. The Board has carried an orientation course of the Code of Corporate Governance for its directors to apprise them of their role & responsibilities. Further, a booklet on Code of Corporate Governance has been circulated amongst the directors on the Board.
11. The Directors' report for this year has been prepared in compliance with the requirements of the Code and fully describes the salient matters required to be disclosed.
12. The financial statements of the Company were duly endorsed by the CEO and the CFO, before approval of the Board.

13. The Directors, CEO and executives do not hold any interest in the shares of the Company other than that disclosed in the pattern of shareholding.
14. The Company has complied with all the corporate and financial reporting requirements of the Code.
15. The Board has formed an Audit Committee. It comprises three members, all are non-executive Directors.
16. The Board has set up an effective Internal Audit Function.
17. The meetings of the Audit Committee were held at least once in every quarter prior to the approval of interim and final results of the Company as required by the Code. The terms of reference of the Committee have been formed and advised to the Committee for compliance.
18. The statutory auditors of the Company have confirmed that they have been given a satisfactory rating under the quality control review programme of the Institute of Chartered Accountants of Pakistan, that they or any of the partners of the firm, their spouses and minor children do not hold shares of the Company and that the firm and all its partners are in compliance with International Federation of Accountants (IFAC) guidelines on Code of Ethics as adopted by the Institute of Chartered Accountants of Pakistan.
19. The statutory auditors or the persons associated with them have not been appointed to provide other services except in accordance with the Listing Regulations and the auditors have confirmed that they have observed IFAC guidelines in this regard.
20. The related party transactions were placed before the Audit Committee and approved by the Board of Directors.
21. We confirm that all other material principles contained in the Code have been complied with.

For and on behalf of the Board of Directors

Dated September 29, 2011

**Ahmad Kuli Khan Khattak**  
Chief Executive

## **REVIEW REPORT TO THE MEMBERS ON STATEMENT OF COMPLIANCE WITH BEST PRACTICES OF CODE OF CORPORATE GOVERNANCE**

We have reviewed the Statement of Compliance with the best practices contained in the Code of Corporate Governance prepared by the Board of Directors of Ghandhara Industries Limited ("the Company") to comply with the Listing Regulation No. 35 of the Karachi Stock Exchange, the Lahore Stock Exchange and the Islamabad Stock Exchange, where the Company is listed.

The responsibility for compliance with the Code of Corporate Governance is that of the Board of Directors of the Company. Our responsibility is to review, to the extent where such compliance can be objectively verified, whether the Statement of Compliance reflects the status of the Company's compliance with the provisions of the Code of Corporate Governance and report if it does not. A review is limited primarily to enquiries of the Company's personnel and review of various documents prepared by the Company to comply with Code.

As part of our audit of the financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We have not carried-out any special review of the internal control system to enable us to express an opinion as to whether the Board's statement on internal control covers all controls and the effectiveness of such internal controls.

Further, Sub - Regulation (xiii-a) of Listing Regulations 35 notified by the Karachi, Lahore and Islamabad Stock Exchanges requires the Company to place before the Board of Directors for their consideration and approval the related party transactions distinguishing between transactions carried-out on terms equivalent to those that prevail on arm's length transactions and transactions which are not executed at arm's length price recording proper justification for using such alternate pricing mechanism. Further, all such transactions are also required to be separately placed before the Audit Committee. We are only required and have ensured compliance of the subject requirement to the extent of approval of the related party transactions by the Board of Directors and placement of such transactions before the Audit Committee. We have not carried-out any procedures to determine whether the related party transactions were undertaken at arm's length price or not.

Based on our review, nothing has come to our attention, which causes us to believe that the Statement of Compliance does not appropriately reflect the status of the Company's compliance, in all material respects, with the best practices contained in the Code of Corporate Governance as applicable to the Company for the year ended 30 June, 2011.

KARACHI; 29 September 2011

## AUDITORS' REPORT TO THE MEMBERS

We have audited the annexed balance sheet of GHANDHARA INDUSTRIES LIMITED ("the Company") as at 30 June, 2011 and the related profit and loss account, cash flow statement and statement of changes in equity together with the notes forming part thereof, for the year then ended and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of our audit.

It is the responsibility of the Company's management to establish and maintain a system of internal control, and prepare and present the above said statements in conformity with the approved accounting standards and the requirements of the Companies Ordinance, 1984. Our responsibility is to express an opinion on these statements based on our audit.

We conducted our audit in accordance with the auditing standards as applicable in Pakistan. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the above said statements are free of any material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the above said statements. An audit also includes assessing the accounting policies and significant estimates made by management, as well as, evaluating the overall presentation of the above said statements. We believe that our audit provides a reasonable basis for our opinion and, after due verification, we report that:

- (a) in our opinion, proper books of account have been kept by the Company as required by the Companies Ordinance, 1984;
- (b) in our opinion:
  - (i) the balance sheet and profit and loss account together with the notes thereon have been drawn up in conformity with the Companies Ordinance, 1984, and are in agreement with the books of account and are further in accordance with accounting policies consistently applied;
  - (ii) the expenditure incurred during the year was for the purpose of the Company's business; and
  - (iii) the business conducted, investments made and the expenditure incurred during the year were in accordance with the objects of the Company;
- (c) in our opinion and to the best of our information and according to the explanations given to us, the balance sheet, profit and loss account, cash flow statement and statement of changes in equity together with the notes forming part thereof conform with approved accounting standards as applicable in Pakistan, and, give the information required by the Companies Ordinance, 1984, in the manner so required and respectively give a true and fair view of the state of the Company's affairs as at 30 June, 2011 and of the profits, its cash flows and changes in equity for the year then ended; and
- (d) in our opinion, no zakat was deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980).
- (e) Without qualifying our opinion, we draw attention to note 23.1 (iv) to the financial statements, the Company has written back in the financial statements for the year ended June 30, 2007 provision for Workers' Profit Participation Fund for the year ended 30 June, 2006 based on a legal opinion and in a view of constitutional petition pending adjudication in the Sindh High Court on this matter.

If it is established that the provisions of the Company's Profits (Workers' Participation) Act, 1968 are applicable to the Company, provision in respect of year ended 30 June, 2006 amounting to Rs. 7.722 million including any penalties may become payable.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2011

### 1. CORPORATE INFORMATION

Ghandhara Industries Limited ("the Company") was incorporated on 23 February 1963. The Company's shares are listed on Karachi, Lahore and Islamabad Stock Exchanges. The principal activity of the Company is assembly and progressive manufacturing of Isuzu trucks and buses.

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### 2.1 Statement of compliance

These financial statements have been prepared in accordance with approved accounting standards as applicable in Pakistan. Approved accounting standards comprise of such International Financial Reporting Standards (IFRSs) issued by the International Accounting Standards Board (IASB) as are notified under the Companies Ordinance, 1984, provision of and directives issued under the Companies Ordinance, 1984. In case requirements differ, the provision of or directives issued under of the Companies Ordinance, 1984 shall prevail.

#### 2.1.1 Initial application of new accounting standards, amendments to existing approved accounting standards and interpretations that are effective in 2010 and are relevant

IAS 1 (Amendment) Presentation of Financial Statements.' The amendment clarifies that the potential settlement of a liability by the issue of equity is not relevant to its classification as current or non-current. By amending the definition of current liability, the amendment permits a liability to be classified as non-current (provided that the entity has an unconditional right to defer settlement by transfer of cash or other assets for at least 12 months after the accounting period) notwithstanding the fact that the entity could be required by the counterparty to settle in shares at any time.

IAS 17 (Amendment), 'Classification of leases of land and buildings'. The amendment deletes the specific guidance regarding classification of leases of land, so as to eliminate inconsistency with the general guidance on lease classification. As a result, leases of land should be classified as either finance or operating, using the general principles of IAS 17. The Company's current accounting policy is in line with the requirements of IAS 17 and the Ordinance, therefore, the amendment will have no effect on the Company's financial statements.

IAS 18(Amendment), 'Revenue'. The amendment provides additional guidance regarding the determination as to whether an entity is acting as a principal or an agent. The amendment does not have any impact on the Company's financial statements.

IAS 36 (Amendment), 'Impairment of assets'. The amendment clarifies that the largest cash-generating unit (or group of units) to which goodwill should be allocated for the purposes of impairment testing is an operating segment, as defined by paragraph 5 of IFRS 8, 'Operating Segment' (that is, before the aggregation of segments with similar economic characteristics).

IAS 38 (Amendment). The amendment clarifies guidance in measuring the fair value of an intangible asset acquired in a business combination and permits the grouping of intangible assets as a single asset if each asset has similar useful economic life.

IFRS 8 (Amendment), 'Disclosure of information about segment assets'. This amendment clarifies that an entity is required to disclose a measure of segment assets only if that measure is regularly reported to the chief operating decision-maker. Since the operations of the Company are considered as a single reportable segment, therefore the amendment will have no effect on the Company's financial statements.

### **2.1.2 Accounting standards, amendments to existing approved accounting standards and interpretations that are effective in 2010 and are not relevant to the Company**

The other new standards, amendments and interpretations are mandatory for the periods beginning on or after July 1, 2010 are considered not to be currently relevant as these do not have any significant effect on the Company's current financial reporting and operations though these may affect the accounting for future transactions and events.

### **2.1.3 Standards, interpretations and amendments to published approved accounting standards that are not yet effective:**

The following standards, amendments and interpretations to existing standards by the International Financial Reporting Interpretations Committee (IFRIC) have been published and are mandatory for accounting periods beginning on or after July 1, 2011 or later periods:

IAS 1 (Amendment) Presentation of Financial Statements is effective for the accounting periods beginning on or after January 1, 2011. This amendment requires an entity to present an analysis of other comprehensive income for each component of equity, either in the statement of changes in equity or in the notes to the financial statements. There are no items of other comprehensive income, therefore, no impact is expected on the Company's financial statements.

IAS 24 (Revised) Related Party Disclosures is effective for the accounting periods on or after January 1, 2011. It amends the definition of a related party and modifies certain related party disclosure requirements for government-related entities. The revised standard is not expected to have a material impact on the Company's financial statements.

IFRS 7 (Amendment) Financial Instruments: Disclosures' is effective for the accounting periods beginning on or after January 1, 2011. This amendment emphasizes the interaction between quantitative and qualitative disclosures about the nature and extent of risks associated with financial instruments. The new amendment is not expected to materially affect the financial instruments disclosures in the company's financial statements.

IFRIC 14 (Amendment) IAS 19 - 'The limit on a defined benefit assets, minimum funding requirements and their interaction' is effective for accounting periods beginning on or after January 1, 2011. It removes the unidentified consequences of the existing standard that restricted the recognition of some voluntary prepayments for minimum funding contributions as an asset. The new amendment does not impact on the company's financial statements.

Amendments to IFRIC 14: Prepayment of a Minimum Funding Requirement (effective for period beginning on or after 1 July 2011). IFRIC 14, IAS 19 - The Limit on a Defined Benefit Asset, Minimum Funding Requirements and their interaction has been amended to remedy an unintended consequence of IFRIC 14 where entities are in circumstances not permitted to recognise prepayments of minimum funding contributions, as an asset.

## **2.2 Basis of measurement**

These financial statements have been prepared under the historical cost convention, except as disclosed in the accounting policies below.

## **2.3 Significant accounting judgments and estimates**

The preparation of financial statements in conformity with approved accounting standards requires the use of certain critical accounting estimates. It also requires management to exercise its judgment in the process of applying the Company's accounting policies. The areas involving a higher degree of judgment or complexity, or areas where assumptions and estimates are significant to the financial statements are as follows:

### **2.3.1 Taxation**

The Company accounts for provision for income tax based on current best estimates. However, where the final tax outcome is different from the amounts that were initially recorded, such differences impact the income tax provision in the period in which such determination is made

### 2.3.2 Post employment benefits

Significant estimates relating to post employment benefits are disclosed in note 19.3

### 2.3.3 Provisions

Provisions are considered, among others, for legal matters, disputed indirect taxes, employee termination cost and restructuring where a legal or constructive obligation exists at the balance sheet date and reliable estimate can be made of the likely outcome. The nature of these costs is such that judgement is involved in estimating the timing and amount of cash flows.

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

There have been no critical judgements made by the Company's management in applying the accounting policies that would have significant effect on the amounts recognised in the financial statements.

## 2.4 Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the Company operates. The financial statements are presented in Pakistani Rupees, which is the Company's functional and presentation currency.

## 2.5 Property, plant & equipment

Leasehold land and buildings on leasehold land are stated at revalued amounts less accumulated depreciation and accumulated impairment losses (if any). Plant and machinery, furniture and fixtures, office equipment and other operating assets are stated at cost less accumulated depreciation and accumulated impairment losses (if any). Capital work-in-progress are stated at cost less accumulated impairment losses (if any). All expenditures connected to the specific assets incurred during installation and construction period are carried under capital work-in-progress. These are transferred to specific assets as and when assets are available for use.

Plant and machinery were revalued in 1995 by independent valuers, which are shown at revalued figures. The Company subsequently adopted cost model for plant and machinery and the revalued figures were treated as deemed costs. The surplus on revaluation of these assets, however, is recognised in accordance with section 235 of the Companies Ordinance, 1984.

Subsequent costs are included in the asset's carrying amounts or recognised as a separate asset, as appropriate, only when it is probable that future benefits associated with the item will flow to the company and the cost of the item can be measured reliably. All repairs and maintenances are charged to the profit and loss account as and when incurred.

Depreciation / amortisation on all property, plant and equipment is charged using the straight line method in accordance with the rates specified in note 3.1 to these financial statements and after taking into account residual values, (if any). The residual values, useful lives and depreciation methods are reviewed and adjusted, if appropriate, at each balance sheet date.

Depreciation on additions is charged from the month in which the assets become available for use, while on disposals depreciation is charged upto the month of deletion.

Any surplus arising on revaluation of property plant and equipment is credited to the surplus on revaluation account. Revaluation is carried out with sufficient regularity to ensure that the carrying amount of assets does not differ materially from the fair value. To the extent of the incremental depreciation charged on the revalued assets, the related surplus on revaluation of property, plant and equipment (net of deferred taxation) is transferred directly to reserves.

## 2.6 Intangible assets - computer software

Computer software licenses acquired by the Company are stated at cost less accumulated amortisation. Cost represents the cost incurred to acquire the software licenses and bring them to use. The cost of computer software is amortised over the estimated useful life i.e. 5 years using straight-line method.

Costs associated with maintaining computer software are charged to profit and loss account as and when incurred.

## 2.7 Investments

### 2.7.1 Investment properties

Property held for capital appreciation and rental yield, which is not in use of the Company is classified as investment property. Investment properties comprise of leasehold land and buildings.

Investment properties are carried at cost or valuation (i.e. deemed cost) less accumulated depreciation and impairment if any.

Investment properties were revalued in 1996 by independent valuers, which are shown at revalued figures. The Company subsequently adopted cost model for investments properties and the revalued figures were treated as deemed costs. The surplus on revaluation of these assets, however is recognised in accordance with section 235 of the Companies Ordinance, 1984.

Building is depreciated on straight line method at the rate of (2.5 to 6.25)%

Maintenance and normal repairs are charged to profit and loss account as and when incurred. Major renewals and repairs are capitalised.

### 2.7.2 Long term investments

Investment in subsidiary is stated at cost.

## 2.8 Long term deposits

These are stated at cost which represents the fair value of the consideration given.

## 2.9 Stores and spare parts

These are valued at the lower of cost determined on a first-in-first-out basis and net realizable value. Items in transit are stated at invoice value plus other charges incurred thereon.

Provision is made in the financial statements for obsolete and slow moving items based on management's best estimate regarding their future usability.

## 2.10 Stock in trade

Stock-in-trade is valued at the lower of cost and net realizable value except for goods in transit which are stated at invoice values plus other charges paid thereon. Cost in relation to raw materials and components and trading stock (except for parts and accessories included in trading stock which are valued on average basis) is arrived at principally on first in first out basis. Cost of work in process and finished stocks including components includes direct wages and applicable manufacturing overheads.

Net realizable value represents the estimated selling price in the ordinary course of business less cost necessarily to be incurred in order to make the sale.

## 2.11 Trade debts and other receivables

Trade and other debts are carried at original invoice amount being the fair value. Provision is made against debts considered doubtful of recovery whereas debts considered irrecoverable are written off.

## 2.12 Cash and cash equivalents

Cash and cash equivalents are carried in the balance sheet at cost. For the purposes of cash flow statement, cash and cash equivalents comprise cash in hand, cash with banks and running finances which are payable on demand.

## 2.13 Taxation

### Current

Charge for current taxation is based on taxable income at the current rates of taxation after taking into account tax credits and tax rebates available, if any, and taxes paid under final tax regime.

### Deferred tax

Deferred tax is provided using the liability method on all temporary differences at the balance sheet date between the tax bases of assets and liabilities and their carrying amount in the financial statements.

Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are recognized for all deductible temporary differences to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, unused tax losses and tax credits can be utilized.

Deferred tax is calculated at the rates that are expected to apply when the asset is realized or the liability is settled, based on tax rates that have been enacted or substantially enacted by the balance sheet date.

## 2.14 Staff retirement benefits

### 2.14.1 Defined benefit plans

The Company operates unfunded gratuity scheme. The scheme defines the amounts of benefits that an employee will receive on or after retirement subject to a minimum qualifying period of service under the scheme. The amounts of retirement benefits are usually dependent on one or more factors such as age, years of service and salary.

The liabilities recognised in respect of gratuity scheme are the present values of the Company's obligation under the scheme at the balance sheet date, together with adjustment for unrecognised actuarial gains or losses.

Latest actuarial valuations of the scheme were carried out as at June 30, 2011 using the projected unit credit method. The present values of the obligations are determined by discounting the estimated future cash outflows using interest rates of high quality government securities that have terms to maturity approximating to the terms of the related obligations.

Actuarial gains and losses arising from experience adjustments and changes in actuarial assumptions in excess of the greater of 10% of the value of plan assets or 10% of the obligations are charged or credited to profit and loss account over the employees' expected average remaining working life.

**2.15 Trade and other payables**

Trade and other payables are measured at cost which is the fair value of the consideration to be paid in future for goods and services received, whether or not billed to the Company.

**2.16 Revenue recognition**

Sales are recognised when goods are invoiced and delivered to customers. Rental and interest income is recorded on accrual basis.

Interest income is accrued on a time basis, by reference to the principal outstanding and the interest rate applicable.

**2.17 Borrowings and their cost**

Borrowings are recorded at the proceeds received.

Borrowing costs are recognised as an expense in the period in which these are incurred except to the extent of borrowing cost that are directly attributable to the acquisition, construction or production of a qualifying asset. Such borrowing costs, if any, are capitalised as part of the cost of that asset.

**2.18 Foreign currency transactions & translations.**

Foreign currency transactions are converted into Pak Rupees, using the exchange rates prevailing at the dates of the transactions.

All monetary assets and liabilities in foreign currencies are retranslated into Pak Rupees at the exchange rates prevailing at balance sheet date. Exchange gain and losses are recognised in the profit and loss account.

The financial statements are presented in Pak Rupees, which is the Company's functional and presentation currency.

**2.19 Financial assets and liabilities**

Financial assets and financial liabilities are recognised when the Company become a party to the contractual provisions of the instrument. All financial assets and liabilities are initially measured at cost, which is the fair value of the consideration given and received respectively. These financial assets and liabilities are subsequently measured at fair value, amortised cost or cost, as the case may be.

**2.20 Offsetting of financial instruments**

Financial assets and financial liabilities are offset and the net amount is reported in the financial statements if the Company has a legal right to set off the recognised amounts and also intends either to settle on a net basis or to realise the asset and settle the liability simultaneously.

**2.21 Provisions and contingent assets and contingent liabilities**

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

**2.22 Warranty**

The Company recognises the estimated liability to repair or replace products still under warranty at the balance sheet date to the extent of non-reimbursable portion from the principal.

### 2.23 Dividend

Dividend distribution to the shareholders is accounted for as a liability in the financial statements in the period in which the dividend is declared.

### 2.24 Impairment

The carrying values of non-current assets are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable. If any such indication exists and where the carrying values exceed the estimated recoverable amount, the assets or cash-generating units are written down to their recoverable amount.

### 2.25 Finance Leases

Leases that transfer substantially all the risk and rewards incidental to ownership of an asset are classified as finance leases. Assets on finance lease are capitalised at the commencement of the lease term at the lower of the fair value of leased assets and the present value of minimum lease payments, each determined at the inception of the lease. Each lease payment is allocated between the liability and finance cost so as to achieve a constant rate on the finance balance outstanding. The finance cost is charged to profit and loss account and is included under finance cost.

<b>3.2 Depreciation charged for the year has been allocated as follow:</b>			
- Cost of goods manufactured	25.1	12,578	6,672
- Distribution cost	26	7,806	5,856
- Administrative expenses	27	6,823	5,465
		<u>27,207</u>	<u>17,993</u>

3.3 Lease hold land and buildings on leasehold land of the company were last revalued in June 2010 by K.G. Traders (Pvt.) Ltd (PBA approved asset valuers and stocks inspectors) on the basis of present market values. The revaluation resulted in a net surplus of Rs. 437 million over the written down values of Rs. 978 million which had been incorporated in the books of the Company on June 30, 2010. Out of the revaluation surplus resulting from all the revaluations carried out to date, an amount of Rs.1,403 million (2010: Rs. 1,411 million) remains undepreciated as at June 30, 2011.

3.4 Useful life and the pattern in which 'Building on leasehold land' are expected to be consumed by the company were also reviewed in the revaluation referred to in note # 3.3 above. Consequently, the depreciation rate has been revised from '2.5% - 6.25%' to 5%. The change in accounting estimate has resulted in decrease in depreciation charge to the profit and loss for the period by Rs 1.561 million with corresponding increase in carrying value of property, plant and equipment.

3.5 Had there been no revaluation, the book value of buildings on leasehold land would have been as under:

	2011 (Rupees in '000')	2010 (Rupees in '000')
Building on Leasehold Land-cost	6,129	6,810
Accumulated depreciation	<u>306</u>	<u>681</u>
Book value	<u>5,823</u>	<u>6,129</u>

		<b>1,456,011</b>	<b>1,461,574</b>

**18. LIABILITIES AGAINST ASSETS SUBJECT TO FINANCE LEASES**

The amount of future minimum lease payments together with the present value of the minimum lease payments and the periods during which they fall due are as follows:

	2011			2010		
	Minimum lease payments	Finance cost	Present value of minimum lease payments	Minimum lease payments	Finance cost	Present value of minimum lease payments
	----- Rupees in 000 -----					
Not later than one year	9,969	3,685	6,284	13,240	4,682	8,558
Later than one year and not later than five years	23,634	3,897	19,738	33,203	6,446	26,757
<b>Total minimum lease payments</b>	<b>33,603</b>	<b>7,582</b>	<b>26,022</b>	<b>46,443</b>	<b>11,128</b>	<b>35,315</b>

The Company has acquired motor vehicles under finance lease arrangements from leasing companies. The arrangements are secured by title of assets leased. Rentals are payable in monthly installments. Repair and insurance cost are to be borne by the Company. The rate of financial charges applied ranges from 15% to 18% (2010: 14.08% to 18.23%) per annum.

At the end of the lease term, the ownership of the assets shall be transferred to the Company against security deposits paid.

	Note	2011 (Rupees in '000')	2010
<b>19. DEFERRED LIABILITIES</b>			
Deferred taxation	19.1	13,428	30,379
Gain on sale and lease back of fixed asset	19.2	2,186	5,690
Staff gratuity	19.3	11,529	6,778
		<u>27,143</u>	<u>42,847</u>
<b>19.1 Deferred taxation</b>			
Deferred taxation comprises:			
Accelerated tax depreciation		4,898	3,915
Revaluation of fixed assets		52,541	55,537
Obligation under finance lease		(960)	(208)
Gain on sale and lease back of fixed assets		(765)	(1,992)
Recoupable minimum tax		(22,455)	(8,463)
Provision for gratuity		(4,035)	(2,372)
Provision for obsolescence:			
Stores and spares		(2,210)	(2,210)
Stock in trade		(12,279)	(12,279)
Provision for bad / doubtful:			
Trade debts		-	(241)
Advance to supplier		(411)	(411)
Bank guarantee		(115)	(115)
Cash at bank		(782)	(782)
		<u>13,428</u>	<u>30,379</u>
<b>19.2 Gain on sale and lease back of fixed asset</b>			
Gain on sale and lease back of motor vehicle		5,690	6,628
Amortised to date		(3,504)	(938)
		<u>2,186</u>	<u>5,690</u>

The Company had entered into sale and leaseback transactions last year which resulted in finance leases. The excess of sale proceeds over the net book value of motor vehicles under sale and leaseback arrangements have been recognised as deferred income and are being amortised over the period of the lease term.

<b>22. SHORT TERM BORROWINGS</b>			
<b>From banking companies-secured</b>			
Running finance from bank	22.1	144,991	144,317
		<u>144,991</u>	<u>144,317</u>

22.1 The Company has facility for short-term running finance amounting to Rs. 145 million (2010: Rs. 145 million) from a bank. Mark up is based on 3 months KIBOR plus 3% (2010: 3 months KIBOR plus 3%) payable quarterly. The arrangement is secured by way of equitable mortgage over Land, Building, and Machinery for Rs. 750 million (2010: Rs.750 million) with a token registered charge of Rs. 0.5 million (2010: Rs. 0.5 million) over company property bearing F-3 SITE, Karachi and hypothecation charge over moveables and receivables for Rs. 200 million (2010: Rs.200 million). The facilities will expire in November 2011 (2010: June 2011).

22.2 The company has finance against imported merchandise facility amounting to Rs. 160 million (2010: 99 million). This facility is secured by pledge of Isuzu truck and bus chassis in CKD condition. The rate of mark-up on these facilities is 3 months KIBOR + 3% per annum (2010: 3 months KIBOR plus 2.5%).

22.3 The facility for letters of credit and issuance of bank guarantees as at June 30, 2011 amounted to Rs. 1,376 million (30 June 2010: Rs. 759 million) of which the amount remaining unutilized at the year-end was Rs. 69 million (2010: Rs. Nil million). These facilities are secured against cash margin, import documents, pledge of stocks, 2nd equitable mortgage over land and building amounting to Rs 300 million (2010: Rs. 300 million) and hypothecation of stock amounting to Rs 160 million (2010: Rs 160 million).

## 23. CONTINGENCIES AND COMMITMENTS

### 23.1 Contingencies

- (i) Claims against the Company not acknowledged as debt amounting to Rs. 3.917 million (2010: Rs.27.043 million) relating to sales tax on 10,000 units of rear axles each claimed by a supplier which is being contested by the Company.
- (ii) Suit against the Company by the supplier for the recovery of Rs. 25.867 million (2010: Rs. 25.867 million) as compensation for breach of agreement. The suit is being defended by the Company on a number of legal grounds. The suit is at present in evidence stage and the Company has plausible defense.
- (iii) Various demands have been raised by the Central Excise and Sales Tax Departments amounting to Rs. 4.896 million (2010: Rs. 4.896 million). The Company has filed Sales Tax Reference in High Court of Sindh against the order of Sales Tax Appellate Tribunal. The Sales Tax Reference has been decided vide order dated January 21, 2009 wherein the High Court of Sindh has set aside the order of the Tribunal and remanded the case to the Tribunal. No provision has been made in these financial statements as, in the opinion of legal advisors, the Company will have favorable decision.

- iv) The Company had obtained legal advice in connection with the establishment of Worker's Participation Fund (the Fund) under the Companies Profits (Workers; Participation) Act, 1968 (the Act). The legal advisor is of the view that since, during the year ended 30 June 2006, the Company did not employ any person who falls under the definition of worker as defined in the Act of 1968, it was not legally or factually possible to constitute the Fund as required by section 3 of the Act. As a consequence, the Company was not required to make contributions to the fund established pursuant to Workers' Welfare Fund Ordinance 1971. The Company based on legal advice has written back in the financial statements for the year ended as on June 30, 2007 the amount of Worker's Profit Fund provided during the year 30 June 2006.

Furthermore, the question whether a company to which the Act of 1968 and its scheme applies but which does not employ any worker is nevertheless obliged to establish and pay contributions into the fund under the act and thereafter transfer the same to the fund established under the Workers' Welfare Fund Ordinance, 1971 is pending adjudication in Sindh High Court at Karachi on constitutional petition filed by another company in December 2003.

If it is established that the above provisions of the Act are applicable to the Company, provision in respect of year ended 30 June 2006 amounting to Rs. 7.722 million including any penalties may become payable.

- (v) The Assistant Collector Refund Group V has disallowed adjustment of Rs. 28.91 million against output tax. The company has filed appeal before Sales Tax Appellate Tribunal against the order passed by the Collector Appeals, whereby he had maintained the order of the Assistant Collector Refund. No provision is made in these accounts as the hearing of the above referred appeal which is pending adjudication for want of the constitution of bench of Sales Tax Appellate Tribunal.
- (vi) A customer has filed a suit in High Court against the Company and others for warranty claim of Rs. 1.042 million. The case has been decided in customer's favor and the Company has appealed against the subject order.

<b>June 30, 2010</b>							<b>759,147</b>

The effective interest / mark-up rates for the monetary financial assets and liabilities are mentioned in respective notes to the financial statements.

### 35.1 Interest / Mark-up rate risk

The Company's interest rate / mark-up risk arises from borrowings as the Company has no significant interest bearing assets. Borrowings at variable rates exposes the company to cash flow interest rate risk.

Interest / mark-up rate risk is the risk that the value of a financial instrument will fluctuate due to changes in the market interest / mark-up rates. As at June 30, 2011 the Company's interest bearing financial liabilities of Rs. 151 million represent the short term borrowings at floating rate to manage the working capital requirements of the Company and obligation under asset subject to finance lease. These liabilities are reprised at a maximum period of three months. Hence the management believes that the Company is not materially exposed to interest rate changes. The effective mark-up rates for financial assets and liabilities are mentioned in respective notes to the financial statements.

For the above mentioned interest bearing financial liabilities, had the interest rates varied by 200 basis points with all the other variables held constant, loss / profit before tax for the year would have been approximately higher / lower by Rs. 5.632 million (2010: higher / lower by Rs. 6.87 million), mainly as a result of higher / lower interest expense on floating rate borrowings.

The sensitivity of 200 basis points movement in the interest rates has been used as historically (five years) floating interest rates have moved by an average of 200 basis per annum.

### 35.2 Concentration of credit risk

Credit risk represents the accounting loss that would be recognised if counterparts failed to perform as contracted. The financial assets exposed to credit risk amounts to Rs. 965 million (2010:Rs. 308 million).

The bank balances represents low credit risk as they are placed with scheduled commercial banks.

The Company attempts to control credit risk by monitoring credit exposure, limiting transaction with specific counterparties and continually assessing the creditworthiness of counterparties.

### 35.3 Liquidity risk

Liquidity risk reflects the Company's inability in raising funds to meet its commitments. The Company manages liquidity risk by maintaining sufficient cash and bank balances and the availability of financing through banking arrangements.

### 35.4 Foreign exchange risk management.

Foreign currency risk arises mainly when receivables and payables exist due to transactions based on currencies other than Pakistan Rupee. As at June 30, 2011 receivables and payables exposed to foreign currency risk are Rs. 214.753 million (2010: Rs. Nil) and Rs 34.718 million (2010: Rs Nil).

As at June 30, 2011 if the Pakistani Rupee had weakened/ strengthened by 16% against Japanese Yen with all other variables held constant, loss/ profit before tax for the year would have been higher / lower by Rs. 78.183 thousand (2010: Rs. Nil), mainly as a result of foreign exchange losses/ gains on translation of Japanese Yen denominated assets and liabilities.

The sensitivity of foreign exchange rate looks at the outstanding foreign exchange balances of the Company as at the balance sheet date. The volatility percentage for movement in foreign exchange rates has been used due to the fact that historically (5 years) rate has moved on average basis by the mentioned percentage per annum.

**35.5 Fair values of the financial assets and liabilities**

The carrying values of all financial assets and liabilities reflected in the financial statement approximate their fair values.

**36 CAPITAL RISK MANAGEMENT**

The Company's objectives when managing capital are to safeguard the entity's ability to continue as a going concern, so that it can continue to provide adequate returns to shareholders and benefits to other stakeholders and to maintain an optimal capital structure to reduce cost of capital.

During the year, the Company's strategy was to lower the degree of leverage as to reduce the risk. The gearing ratio as at June 30, 2011 is as follows:

	2011	2010
	(Rupees in '000')	
Liabilities against asset subject to finance lease	26,022	35,315
Short term borrowings	155,542	154,437
Cash and bank	(9,523)	(149,688)
Net debt	<u>172,046</u>	<u>40,064</u>
Total Equity	<u>235,950</u>	<u>222,642</u>
Total Capital	<u>407,996</u>	<u>262,706</u>
Gearing ratio	42%	15%

The capital structure of the Company is equity based with no financing through long term borrowings except for liabilities against asset subject to finance lease however company avails short-term borrowings for working capital purposes only.

**37. TRANSACTIONS WITH RELATED PARTIES**

Related parties of the Company comprise the subsidiary company, associated companies, technological suppliers, directors and executives. The Company in the normal course of business carries out transactions at arm's length with various related parties. Amounts due from and to related parties, amounts due from executives and remuneration of directors and executives are disclosed in the relevant notes.
